TWO MORE MEN ON HOSPITAL LIST—GARRETTSON AND MILLS ARE HERE

Garrettson May Be Out of Saturday’s “Gaines—Purviskum Successfully Pneumonic Varicella Luminous—Copges Will Appear With Strong Line

Two more Hawkeyes on the injured list was the result of yesterday’s football drill. Willis has a badly bruised side and was unable to participate in the scrimmage and Garrettson contended what it would be caused a fracture hip in the last minute of the varsity the in the bands.

Willis in all probability will be in shape for service but Garrettson may be out of Saturday’s game with the Cyphers. This would further light on Iowa already tight band and leave the chances for victory.

The freshmen were given the ball in the scrimmage but successfully parry the varsity defense only once, when Laumann scored through for a touchdown. Davis and Laumann missed consistently. Going in full for the win the back four lost out and had to retire from the scrimmage. Hawley had the varsity on the defensive throughout the drill. Davis and Willis both worked at left guard. Leighton at right end and Garrettson and Kerwick in the back field.

The freshmen quickly put over two touchdowns on the second team. Laumann going over on a short plunge and coming around on a forty yard run. Then the ball was given in the second string men and they twirled twice on surfaces by Bisnaga and Bissell. Fast forward with Plymer and Davis pulling them down were steady ground gaters for Van Meter’s men.

The freshmen will appear on Iowa Field Saturday with probably the strongest backed team that has had in recent years. Full at full made up all Western at an end position and now that he has been shifted into full, looks up as the strongest contender for All-Conference honors. Enkall at quarter, Bierman, Hamilton, Moody and Bisnaga at back have been a great ground gaining backfield for Minnnesota in the early season com fair. Cop, Essential in the only men in the line and the forwards though heavy are inferior to the Hawkeyes in football experience. Hawley has practically a veteran team which is expected to more than hold his won Saturday and the result of the game will depend largely upon the performance by this team.

The Minnesota aggregation will start for the scene of battle Thursday and the All-Western Football Nip on the Cox College field.

STYLISH SUITS AT SAVINGS PRICES
That's the story in a nutshell. You want good up to date clothes. You are willing to pay a moderate price, all they are worth, but you don't want to pay five or ten dollars extra for the name of the makers.

Long ago, Charles Feller, saw the possibilities of building up a big business on that principle. He sells standard clothes made by responsible makers, and he doesn't ask you an extra price for the name.

That a successful clothing business can be conducted along those lines is proven every day by the marked increase in business done by the Central Clothing House.

The same saying is given the customer in all lines of Gents Furnishings, whether you buy a suit, an overcoat, a suit, or any article from the furnishing line.

Our stock is complete in every particular. Come in, we know you can please us.
