HAWKESWORTH WIN UP SCORE OF 36 BY CRISP MONT. VERNON TEAM

Two Teens Were Cut by the Medicine Club of this city for Gagging the Winning Streak of the Villagers.

Mr. Vernon, March 2—By the same of 24 to 22, the Hawkesworth basketball five defeated the Cornellers Monday.

Realizing that he was up against a stiff proposition, the Cornellers started their second team against the rest with the hope that first team was stopped against the Hawkesworth in the second half, the score could, at least, be made up. The Hawkesworth came in a strong fight against their faster opponents, but when time was called the score was 24 to 11. In the second half, the score was 15 to 3 in the second period, neither securing any points as were registered in the first.

The star players for Cornell and Iowa, with the number of points opposite their names, are as follows: Cornell, Grigsby 7, Campbell 8, Parker 4, Howard 3. Iowa, Bannister 12, Von Lautzen 7, Dvorak 4, Iredale 4.

SHOWS DIFFERENCE IN MUSICAL SOUNDS

Professor Dayton C. Miller, who is to speak here, is a student of Professor Dayton.

Professor Dayton C. Miller of the Cornell School of Applied Science, who will deliver the two public lectures on the science of sound at the Science Building on Thursday and Friday evening of this week, has himself a man of music.

As a result of his researches in sound he has discovered a great many facts and principles of importance to writers.

"As to the purpose of music, it is not properly defined above a certain point. It may be produced, but not fully produced. Any voice intensifies the sound 'at' at whatever pitch. Now, if the composer can make the two sounds the same and equalize them, the human voice can and will be able to produce the same effect. The problem is to produce the same effect as the human voice can and will be able to produce.

Announcement of the cast of "The Fortune Hunter," which will be presented by the joint literary societies at the Englebert theatre, on St. Patricks day, March 17, was made this morning by the play managers, following the first month's practice. The cast, although not featuring any certain character, or presenting any special man or woman as stars, offers to the public one of the most evenly-balanced arrays of talent presented in a home talent play of this size. Each character, in the tryouts was chosen, not only for their ability to fit a particular part, but in view of making the play a success as a whole.

In speaking of the play today, Miss Alice Sullivan said: "Different from any number of the home talent plays in the university of late, 'The Fortune Hunter' presents not one man cast, but a cast which is evenly balanced, and in which each member is (Continued on Page Three)

The preliminaries for middleweight honors will be staged as scheduled this Thursday afternoon under something approaching tap for the occasion. Coach Cook, Dean Allen and Barber are expecting to try out for this weight. Barber intends to try out for both the middleweight and mid-

Heavyweight classes.
Tripplett, McCallum, Bowles and Shuffle have signified their intentions of putting up a scrap for the middleweight positions. He will speak not only of the discovery of America, but of the expeditions to Russia, Constantinople, and later to the Klondike of the northern countries into some of the most progressive states in the world. The tour will begin on March 5 and on March 6 will include lectures at Augustana College, Rock Island, and at Iowa State University, and go thence to Dakota and Minnesota, and later, to South Dakota, Iowa, Nebraska, Kansas and Chicago. Dr. Leach will lecture at the University of Minnesota on March 17.

During his visits to Scandinavia, Dr. Leach was very much impressed with the forces—educational and economic—which are molding the northern countries into some of the most progressive states in the world. He will deal with the first of these phases in an address on the Tulsa high schools, which in a few decades have transferred Rural Denmark, and with the second phase in an illustrated lecture on "Kivum and the Lapjes."
