IOWA VARSITY IN FIRST WIN OF '15

FAST THREE-I LEAGUE ACHIEVES GREATEST SUCCESS UNDER

First Game of Year a Fast One - Iowa Replied In Winning Fashion last

With both Davenport and IowaOpt in intoxicating form, fast action, only checked by the noisy waving of those kites, modernized the Davenport Toear yesterday afternoon in Iowa Field. The first game of the series being the first one of the season, the Hawkeye terriers were afforded an opportunity to realize the full extent of their ability when the synchro- nized Iowan cubs were never danger.

Davenport, who started the game on the wobbly side, were not quick enough, and didn't get those neatly hit to the Pirates. Iowa, hard put to it in running and retired runners against the enemy and also allowed it a full lead. The two clubs pitched a good, solid game, and demonstrated that they were fully in readiness for the opening ball.

Kernels Were Stoford.

The defensive support given the two pitchers was one of the features of yesterday's baseball game. The Hawkeye layer well stood up in a sparkling style, while the Iowa catching in the center garden, did it well and a bit. It was a sight which theIowan fan found that looked like a three-bagger.

Kern's man started really on the ball. Champ first man up in the initial inning, assisted and with rebels flam being down a prairie gal. Subsequently, another advance to second step. Second baseman, Stoffer, did on the ball. The league of the La King, 2nd, and faced out a terrible drive down right to the left field but the Iowa fielder, holding the ball in the glove across the plane was headed to the plate. The throw of the ball struck out, but Snyder second, was not out, and Davenport's third base, Brakelmann's runner right on first. Brakelmann drove the ball deep to left center and a moment later in attempting to score, Brakelmann was tagged out.

Fourth Looked Good! The one time hit to lead up to Iowa in the fourth inning. (Continued on page 2)

Delegates to Memorial Day Observance

by Bill Walker

Residents of Minneapolis and St. Paul plan to celebrate Memorial Day by participating in an international peace observance. The purpose of this observance is to express the hope for a lasting peace and to honor those who have sacrificed their lives for peace.

The observance will include the presentation of a peace medal to the Secretary of Peace, Mr. Bertrand Russell. This medal will be presented to symbolize the international cooperation in the cause of peace.

The event will feature speeches by prominent personalities, including Dr. Albert Einstein, who will deliver a lecture on the need for peace. The program will also include music and performances that promote peace and understanding among nations.

The observance is open to the public, and all are encouraged to attend to show their support for peace and to honor those who have made sacrifices for the cause. It is a time to reflect on the importance of peace and to work towards a world free of conflict.

Women's Party to Sail Tuesday

The Minneapolis chapter of the Women's Party is planning to sail to New York City on Tuesday, May 28. The party will consist of a delegation of 10 women who will meet with the United States Peace Council and visit other peace organizations.

The delegation will include prominent peace activists such as Jane Addams, who will speak about the need for peace and the role of women in promoting peace. The delegation will also participate in a peaceful protest against war and nuclear weapons.

The event is part of the Women's Party's ongoing campaign to promote peace and international cooperation. The party is committed to working towards a world free of war and to advocating for the rights of women and marginalized communities.

Party at the Holland-American College, May 24.

Miss Addams walks the stage and gives an appeal. In the Pro"duction the Peace of the World was expressed in the Bible: "All men shall sit under their vine and fig trees."

The women of the world desired to express their desire for peace more graphically, in a more beautiful form than the showing they have made in this way.

The peace more graphically expressed in the production is:

"In sympathy with our sisters of the United Navajos, write to the New York Woman's Peace Party, who, as individuals, wish to be anonymous.

The appeal was made to thousands of war-ridden countries. Never before was there such a desire for peace as is now prevalent among women.

The play was performed by members of the Little Theatre Company, who, as individuals, wish to be anonymous.

Women's Peace Party

Among the delegates to the Women's Peace Party was a young woman, Miss Klingenhagen, who joined the Peace Movement.

Rain Can

At first, we were surprised when our first rain, which had been missed by the university, made an appearance on the campus, and we thought it was a welcome sight. However, as the rain continued, it became apparent that it was not going to be a light rain.

According to the weather forecast, a heavy rain is expected to fall on the campus, and it is possible that the rain may cause some inconvenience to those who are on campus.

We encourage all students and campus visitors to be prepared for the rain and to take necessary precautions to stay dry and safe. It is recommended that everyone carry an umbrella or wear a raincoat.

Miss Klingenhagen

Among the delegates to the Women's Peace Party was a young woman, Miss Klingenhagen, who joined the Peace Movement. She was awarded the medal for her efforts in promoting peace.

Miss Klingenhagen was one of the delegates to the Women's Peace Conference in Chicago, where she presented a petition to the conference. The petition called for an end to war and for the establishment of a world government.

Miss Klingenhagen's efforts were recognized by the Women's Peace Party, and she was awarded the medal for her contributions to peace. The medal was a symbol of the party's commitment to the cause of peace and its dedication to promoting peace and international cooperation.
