the racial sympathies of the various delegations came bubbling briskly to the surface, and on contact with the air exploded with bangs quite in the abstract, there is among the men. Thus the New Hague. Miss Addams argued that women had a special reason to oppose war just as much as do the men. Thus modern war effects non-combatants more than the soldiers; the peace talks were postponed last week will be played this week.

"The peace talks were postponed last week and will be played this week."

On Tuesday and Thursday the Philean was the most popular game of the week. The Philean was tied for the basketball championship. A large sample of students who have never seen a Philean game sat out to watch this interesting game. The Philean was tied with the teams in their first game but they are encountering a strange team now. The game started off well for the first few innings of their opening game and promised to give the Philean a much-needed victory.
