The Iowa Union announced yesterday plans for a campaign to increase the membership in a thousand and more to cover the expense of the Union's activities.

Five entertainments are scheduled to be given under the auspices of the Union. It is announced that they will include a lecture by John Kentishe Doyne and an entertainment by the Boston Opera Company. Members will be admitted to each of the affairs at a cost of not more than a dollar and a half for all of them.

The custom of giving coin prize dinners will be continued again this year.

The managers of the membership campaign have arranged to have at least two men in each college to see touchdown passes and for the holder of each pass to be paid for the value of the ticket. It is believed that several thousand dollars will be derived from this source.

The ladies' evening entertainment is scheduled for Monday and the afternoon entertainment for the following Sunday.

IOWA DEFEATS CORNELL

(Continued from page 1.)

Iowa played straight football throughout. An occasional forward pass was tried, but for the most part all open field play paved way. Defense made two big gains, however, on long plays from Kerwick. Cornell also reported in the old fashioned gain. Iowa excelled in the line-swinging. The defense by quarters and the summary follow:

1st 2nd 3rd 4th

Iowa ... 0 14 43 9 28
Cornell ... 0 0 0 0 0

Summary: Touchdowns, Garrettson, Kerwick, Gross (1), Lapham. Field goals, Ensminger, Gross (1), Hiltz. Referees, Reid, Reed (Michigan). Umpires, Graham (Michigan); Field Judge, Ensminger (Iowa); head linesmen, Gardner (Illinois), Times of periods, 15 minutes.

WANTS ATHLETIC MANAGERS

Schoenofl suggests that Each Class Put Men in Their Ticket To Handle Sports.

"I wish each class in each college would choose an athletic manager to manage the various forms of sport. It will be possible for us to have when the new gymnasium is completed," reported R. G. Schoenofl anexated yesterday.

"Last year the interdepartmental contest was not well carried out because the right men were not chosen. This year we will have both interdepartmental and intercollegiate series. Each school shall elect its own athlete manager and then let these managers decide on the college manager."

CLUB HOLDS FIRST MEETING

Cosmopolitan Club Organized for Year and Four Talks by University Faculty Members.

The first regular meeting of the Cosmopolitan Club was held last evening at eight o'clock in the Liberal Arts reception room. It was a meeting intended to get together all of the students interested in the work and social activities of the club.

The program consisted of a reading by Ovieve Stahr and talks by Miss Daley, Professor Wilson, and Professor Patrick. The talks by the members of the faculty were very interesting. In the main they dealt with the purpose of the club and the advantage it gives to its student members.

With the motto, "Above all nations is humanity," the club was founded some years ago for the benefit of members of the student body who were foreigners in this land. It includes this year altoh Philipines, seven or eight Chinese, five Japanese, three Porto Rican, three Italian, and one or two German. In addition there are a number of American and English students. Membership is granted by invitation but any one is eligible.

The club holds meetings every month for the purpose of making friends as well as pleasures and instruction and an open program is always given. The offices for the coming year are held by A. T. H. Hewitt, president; Ruth Smit, vice president; Nora Clay, secretary; Oli Briggs, treasurer.

In the Alpha Chi Omega house. The Tri Delta have most invited me for a reception Friday night, Oct. 1. It is to be followed by an elegant reception. Their new Lucius is.

The Kappa Kappa Gamma has extended invitations to the several fraternities of the university for the Tuesday, Oct. 6, from her garden club.

Dr. Edward A. Stewart, who attended the recent Sunday afternoon services at the Old Navy Church, says that the Babylonian 'Is the Bible of cruel power,' says he. "All the world of the Bible is to be read in this light."

"Babylonia is the Bible of cruel power," he says. "It is the divination and the song of the sordid, the hungry, the contentless sordid, and the words of the oppressed and the song of the sordid, the hungry, the contentless sordid, and the words of the oppressed."
