ATHLETIC QUESTION NEXT

ATHLETIC BOARD LOOKS FOR WAY TO BUILD STRUCTURE

Lambert's Future Uses of Ornamental Concrete

Lambert's Iowa Field

The question of a permanent concrete fence for Iowa field is under discussion by the athletic board.

The board feels there is a definite need for such a facility, and has been urged for some time by the student body.

A substantial concrete fence has been recommended by the athletic board, but nothing has yet been accomplished.

B. J. Lambert, of the engineering college, has drawn up plans for an ornamental concrete fence which is to be both high and which may be constructed at a cost of approximately $1,000, a running foot. In

question with this scheme Professor Lambert suggests that concrete posts with grooves on two opposite sides may be made in the large blocks and the interstices filled in with concrete slabs brought from some larger concrete concerns and shipped here. The idea of building the Iowa field on the site of the present stadium is not to be considered, as it is not to be employed for recreation and expansion.

The Cedar Rapids and Iowa City interurban company is under consideration, and the university is to construct an ornamental concrete fence to Iowa field at the foot of Washington street, which it has agreed to do at any time the university requests. Plans for this in the end have been drawn, and approved. The university does not wish to install the gate until it is ready to be used, therefore at the present time the fence for the athletic field also includes the erection of several more concrete barriers on the back side of the field, bringing the seating capacity of the concrete stands up to 4,600 people.

ECONOMIES

GROSS PLANTS CONSISTENTLY

Minneapolis, Minn., Oct. 7.—-Sunday plays most consistent game against George and was priced fairly

by bentheart.

CASH IN FIRST FIELD WORK

Financial economies existed in the way of the plan, however, when the matter was up before the finance committee it was agreed that the university pay a part of the expense rather than the athletic association.

It is proposed to put on foot a campaign among the alumni for the financial aid.
