TRIBUNE MOVIE COMING

"Racing the Deadline" To Be Presented by Local Journalistic Men

Under the auspices of the local chapter of Sigma Delta Chi, the national journalistic fraternity, a feature newspaper drama, "Racing the Deadline," will be presented here Jan. 10 at the American Theatre.

This novel production is staged in the offices of The Chicago Tribune, "the world's greatest newspaper," and deals with the story of a young Tribune reporter who is sent out on an important assignment. The adventures of the newspaper man in getting his "story" to the press involves a chain of events which mark the film as one of the most dramatic of newspaper productions ever being presented on the motion pictures of the country.

Incidental to the main plot, the workings of the great place, where the Tribune is printed, are shown from the big press room to the history of the newspaper, upon which many columns of daily copy are concentrated into the reading matter for the public of the country.

Wilhelm and Eastern Iowa Last Year's Success - "Frolicome Wrestling Starts This Year"

The athletic board has made definite arrangements with John Kimmire, "the man who is supplanting equal and the next coach on the wrestling squad," to bring this man to the campus Jan. 4, to-day, after which he will take over the coaching of the squad. Kimmire, known to the wrestling world as "Wasserman," will put in all of his time with the men and give them both class and individual instruction. He will have a week at least and plenty longer.

Tryouts for places on the wrestling team will be held the week after winter break and the next week the wrestling will fight it out for places on the freshman team. The freshman wrestling team will be a new feature of the wrestling squad this year.

Fifty-two men are working out on the mat daily to get in condition to work with the coach when he comes. Work is progressing rapidly among the inexperienced men and every day brings new evidence of the more experienced members of the squad. Ivan Barron, Ralph Cockshoot, George Hemmingston, William Halsey, and Orlo Troup, plott, all members of last year's team, are out again this year. Elli famed, a member of the team two years ago, is expected to add a great deal to strength to the team but is favored, champion wrestler in the nation, is out now and has been unable to keep up his work, the team will tour on account of illness on his neck.
