THERE IS NO HUMAN
A very interesting article by Ed­ward H. D. Sichert entitled "My Remembrances," appears in the January Number. In his entertaining semi-autobiographical manner Mr. Sichert has told in this article, the first to be pub­lished during the coming month, some of the notable reminiscences of his childhood. The life of Mr. Sichert is a mine of interest because of his intimate acquaintance with many re­nowned men and women, so that it is not surprising to learn that he was great delight to introduce re­marks during the performance which added luster to the evening. There would have been a joint of the comedy, so that in order to give the best possible idea of what the dinner plates would click part of the comedy, as it were, when the dinner plates clink, i.e., "Together, in the same dining room, than the very first time they were served together, an instructor of athletic policies, for regulation of the Iowa student body, which might be melted into a few important group opinions.

**GALLOWAY TO LECTURE**

President Professor of Zoology at Illinois chosen for Annual Sigma Xi Address.

On Wednesday, January 11, the official public lecture before the Society of Sigma XI will be given by the Professor of Zoology at the University of Illinois, Professor E. H. Galloway, scientist professor of zoology at the University of Illinois. His subject will be delivered at 4:30 p.m. Wednesday, January 11, in the Auditorium of the Hall of Natural Sciences.

Professor Galloway, whose work has been outstanding in the realm of scientific research, has for his object the fostering and encouragement of scientific research and as a partial fulfillment of the aims of the society, such objects, before one to speak who has been extensively successful in the realms of scientific endeavor.

Among those who have appeared before the society before the present chapter have been men of national and international prominence and high standards have been maintained in having secured Professor Galloway, known particularly for his work in experimental zoology and especially for his work on protozoa, some phase of which will be discussed in this lecture here.

**SEVERAL WILL NOT RETURN**

Minnesota Coach Says Track Farm John Best Seat of Training for Football

Indoor track work at Iowa is now in full swing and some valuable new men have been found among the see material to report for the true test. Carlisle Hulbert, a Wisconsin high school athlete who was twenty-one points in the state meet last year, is showing up well and promises to be an excel lent man.

Matthews Promising

Matthews, a ten-second man out for the hurdles and dashes, is breaking on the dirt in great style. Wi l, now eligible, is a good man in the widths.

Friday Gilliland, winner of the ham-der throw in the Minnesota meet two years ago, is among the athletes to report for track, and Dennis, halfback on last season’s football team, has reported for the dashes.

Geiger Coach Talks

"Track offers the best development in the world for men who wish to become football players, and nearly every man on the Minnesota team as well as most of the men on the squad come out for track at Minnesota," said Coach Frakes of Minnesot a Monday night, Coach Frakes was here to see the Iowa-Wisconsin meet. He has full charges of track at the Geiger camp.

"About fifty men have reported for track," said Captain Garretson. We need at least one hundred."

Members of Phi Delta Phi Menual

It knocked out-at the Jefferson Hotel yesterday noon. It was an unusual social gathering.

**Answers to the questions posed in the last issue:**

- Are you familiar with a person who has been involved in a serious accident or injury and if so, what was the nature of the injury?
  - Yes, I am familiar with a person who has been involved in a serious accident. The injury was a broken leg, which required surgery and several months of recovery.

- Have you ever participated in a group that has organized a fundraiser for a cause?
  - Yes, I have participated in a group that organized a fundraiser for a local charity. We sold custom t-shirts and raffled off a gift basket.

- Do you believe in the importance of mental health awareness and if so, what steps can be taken to raise awareness?
  - Yes, I believe in the importance of mental health awareness. Steps that can be taken to raise awareness include providing education and resources, destigmatizing mental health issues, and encouraging open discussions.
