Read What the Critics Say

"Handers and laughers close together run into one long string—that's the effect of seeing "A Submarine Pirate." It is genuine Keystone comedy, sure. There is a queer matter there that one can't marvel at, and its comedy is so

"A sensational film, 'A Submarine Pirate,' is the chief attraction at the Kriecher&Theater

See a real Submarine in action; See a Liner actually sunk by a torpedo. Nothing but excitement and Fun. Everything is in this picture to make it highly amusing. We especially urge parents to allow their children to see this marvelous educational comedy. The government loaned a U. S. Submarine to the Keystone Co to produce this picture...Send them Friday after school.
