Mike Malone,
Iowa City, Iowa.

Dear Friend Mike: Have been wondering of late if it 
is possible that you still have the last measurements you 
made of me while at Max Mayer's? I have just thrown 
away that last suit which has served for everyday wear 
ever since I got it. You will probably recall it; cut Eng. 
Shirt, high vest and very narrow pants. If you still have 
the measurements and have samples of a few good light 
 spring clothes I will be pleased to order a new one and 
see that you get $25.00 with the order and the balance 
may be had C. O. D. with the suit when it arrives.

Have tried all of the best in Portland and never gotten 
anything that was half acceptable. The people out here 
stand for the poorest bunch of suits that I have ever seen 
and I often look back to the days when we used to wear 
real dress-up clothes.

Kindly let hair from you as soon as convenient, be- 
cause I am more than anxious to get another suit; and if 
possible send along the samples and prices. Max Cun- 
ing is still with me but is now located about twenty five 
miles from here. He has just returned from a Xmas visit 
at the old stamping grounds. He was only in Iowa City 
for about two hours so it is very likely that he didn't see 
you while there.

Trusting that this letter reaches you well and prosper-
bus and anticipating the samples. I beg to remain,

Very resp.
