If you want to teach next year, you can secure a position through the Midland Schools Teachers' Agency, of Des Moines, Iowa. It places more teachers west of the Mississippi each year than any other agency and its terms are the most liberal offered. It covers the entire territory west of the Mississippi river, except California, Louisiana, Arkansas and Texas.

For one dollar you receive an enrollment, a year's subscription to the Midland Schools and an Iowa high school teachers' directory, showing the names of all Iowa high school teachers with subjects taught and salaries received. Any one of these is well worth the price.

Arrangements have been made with Mr. Baldwin, publisher of the Daily Iowan, by which you can receive his weekly column directly through the mail. This will save you time and expense.

Read his announcement with leisure or write directly to C. B. Schlegel, Des Moines, Iowa.
