**PRUDELLA** SCORED A RECORD SEASON

MANAGERS OF STUDIO PUBLISH THE IOWA WITH A TWIST OF FANTASY

Monetary and Player's "Prudella" is one of the most startling athletic contributions to the Iowa Union Dance. Besides being a well trained and very polished dancer, she is recognized as a top player in the University's basketball game. Her success in both athletic and dance arenas was accompanied by her appearance in the play "The Washington Square." The original performance was in New York, and she was invited to return to the University's production. The postponed tour of "Prudella" was made possible through the generous donation of the finance concert. The play was produced by the University's Drama Club, with the cooperation of the Community Association, the Iowa University Teachers' Association, and the Iowa State Teachers' Association. The play was presented at the Iowa State Teachers' College, with the Iowa State Teachers' Association as the principal sponsor. The play was produced in November, and received widespread critical acclaim. The University's Drama Club has been known for its innovative and challenging productions, and "Prudella" was no exception. The performance was a testament to the talent and dedication of the University's students and faculty, and it remains a beloved part of Iowa University's theatrical legacy.
