The state collegiate tennis tournament will be held on the Cady courts at Cedar Rapids, May 18, 19, and 20, according to the announcement of the executive committee. Play will begin Thursday, May 18 at 10 o'clock.

The most is open to all colleges in Iowa and eligibility requirements are the same as for any other inter-collegiate meet. Trophies will be awarded in both the single and the double championship matches.

Last year the meet was held on the Highland Park course in Des Moines. Only a few teams competed and it is hoped that this year will show a bigger array of talent and cutters.

Don't you argue
with the man who prides himself on smoking Tuxedo. He knows whereof he speaks when he talks of mildness, fragrance, flavor, smoke comfort and happy days.

Tuxedo

The Perfect Tobacco for Pipe and Cigarettes

"Tux" has all the sweet, mellow flavor and rich reftah you are looking for in a pipe tobacco — and that sound, solid, sincere satisfaction that you get only from Burley leaf.

And you can smoke Tuxedo every time you happen to think of it — all day long, if you wish. The "Tuxedo Process" removes all the harshness, burnt garget, all the bite — and this original process is used only in Tuxedo.

You can buy Tuxedo everywhere.
