WE DESIRE TO WIN

Director Schubert has received a letter from L. J. Cobe, physical director of men at the university of Minnesota, disclaiming any part in the recent victory of the Iowa wrestling team at Minneapolis. "You deserved to win and did win in the face of some hard luck," said the letter, "but I don't think that I should be able to speak about any of the things that were breaking for your team."

WHY CHIRRING DOESN'T PAY.

A graduate of the University of Minnesota recently told in the scientiﬁc publication of the university of a statement once made in a freeman’s medical class in anatomy by Dr. Cas. A. W. who wrote this in the following:

"No, it is not the engineers with their shows. The idea is that you just do one thing. You can’t try at the beneﬁt.

RAYMOND GITS POSITION

Harry W. Raymond of Cedar Rapids is a student, the university, has accepted the position of secretary of the Commercial Club at Ceradus, and will assume the duties of that position.

Mr. Raymond has written to the editor of the Iowa City Times, expressing regret that he has not been able to take the position of secretary of the Commercial Club at Cedar Rapids. He said that he was unable to take it because of his duties at the university.

If You Want to Teach

next year, you can secure a position through the Midland Schools Teachers’ Agency, of Des Moines, Iowa. It places any other agency and its terms are the most liberal teachers west of the real offered. It covers the Missouri each year than the entire territory west of the Mississippi river, except California, Louisiana, Arkansas and Texas.

For one dollar you receive an enrollment, a year’s subscription to the Midland Schools and a list of Iowa high school teachers directory, showing the names of all Iowa high school teachers with subjects taught and salaries received. Any one of these is well worth the price.

Arrangements have been made with Mr. Baldwin, publisher of the Dail ytown, by which you can secure blanks at a reduced price and directly through him. This will save you some trouble and expense.

Read his announcement in this issue or write directly to C. R. Beggs, Des Moines, Iowa.
