WILL TAKE PART IN BOTH STATE AND CONFERENCE MEETS THIS YEAR

Director Wheeler Invites Men to Daily Work. Captains' Club is in Missed FreeThrows

Dr. J. R. Potter, the medical officer of the University, has announced that an open house for the new training department is now beginning its strenuous work in preparation for the coming Carnegie season. He has selected the men for the team and is being considered as the man who may be the new coach.

The gymnasium is located on the west side of the university, on the new athletic fields.

Gym Team Getting Ready for Meets-Five to Grinnell

ONE OPEN HOUSE

President Potter has been visiting on the campus during the last few days and is planning to announce the team soon. He has been in contact with the coaches and has been very successful in his efforts to secure the best possible selection of the men who will make up the team.

The gymnasium is large and spacious, and will be open to the public for the first time on Friday evening.

PROMPT HUNT APPROVTS

President Potter has announced that the university will open on the new athletic field near the state house, and that the gymnastics will be held there.

Fifty men have reported but the number will not be complete until after the team has been selected. Captain Keefe has been chosen to be the manager of the team and will be given the necessary equipment and supplies.

The gymnasium will be open on Sunday morning, and will be in operation on Monday morning.

ADDITION TO LIBRARY

The book "The Art Work of Louis C. Tiffany" has recently been placed on the shelves of the library. This book contains a complete collection of the work of Louis C. Tiffany, and is a valuable addition to the library.

The book is in the possession of Mr. Potter, and he is pleased to announce that the book will be available to the public for the first time on Monday morning.

Two hundred miles, roughly estimated, will be added to the sending radius of the University wireless station, which will reach the larger aerial.

The sending radius will be extended to include all of the state and parts of the neighboring states.

Two hundred miles, roughly estimated, will be added to the sending radius of the University wireless station, which will reach the larger aerial.

This will be a great improvement in the service of the station, and will be of great value to the students of the university and the public.

Captain Laun in Charge of Doctors for Injured Leg

IOWA FOOTBALL LEADER WILL BE OUT OF PRACTICE FOR SEVERAL DAYS

Mondale will have to be the substitute for the regular season. He is still recovering from his injury and will not be able to practice with the team.

The doctors have recommended that Mondale rest for a few more weeks before returning to full practice.

**Cash Taxi**

BEGINNING NOV. 1ST, 1916, OUR TAXI SERVICE WILL BE STRICTLY CASH TO EVERYONE

On close investigation we find that the cost of the clerical work necessary with so many small accounts, is greater than the total amount involved warrants. And also the highest cost of operation in general, demands reduced expenses. We have therefore decided to try to meet these conditions to some extent, by putting the TAXI business on a strictly cash basis to everyone, even those who may have other accounts with us. In order to accommodate those who care to take advantage of the opportunity, we have provided.

**COUPON BOOKS**

$6 in Service for $5

These $6.00 books cost $6.00 cash, but you save $6 on each book, for it contains TWENTY-FOUR regular 25c rides or the equivalent thereof.

We thank our many customers for their past liberal patronage, and will endeavor to give better service in the future, and ask your cooperation.
