AMERICA'S CHANCE IN CHINA SUBJECT OF Y. W. C. A. WORKER

MISS PAXSON TELLS MID-WEEK MEETING OF HER EXPERIENCES IN CHINA

Says That There is an Exceptional Opportunity for Missionary Workers in China at the Present Time

"America's Opportunity in China" was the subject on which Miss Ruth Paxson addressed the regular mid-week meeting of the Y. W. C. A. Wednesday afternoon. To the large number gathered at Close hall to hear an old member of their association, it seemed that the appeal which she made was brought down to a more personal basis.

"We are living in a critical period, a time of world-wide disasters," Miss Paxson said, "and still, out of all this turmoil there is rising a recognition of a new internationalism. Nowhere is the call to America for this spirit of brotherhood more insistent than in China.

"Those who use their sense of sympathy as well as their physical senses, see in China a stalwart people helplessly struggling through the infancy of their republic. I hold that China's centuries of stagnation and superstition are due to the fact that she has never known a Christian religion.

"I have seen three distinct changes in Chinese life,—the growth of a republic, the upheaval of the system of education, and a new physical patriotism. In the plastic state in which China now stands, she offers exceptional opportunity to the American student missionary to help mold and develop the best that is in her."

GYM TEAM MAKING RAPID ADVANCES

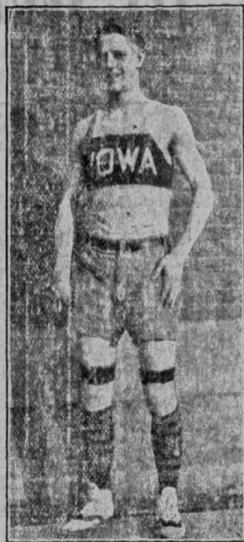

IS GETTING DOWN TO DETAILS IN PREPARATION FOR MEET AT GRINNELL

Hard and more strenuous work is now the schedule for the University gym team which is rapidly advancing into form under the direction of F. L. Wheeler of the physical training department. Captain Frank Kriz is recovering from his injury which he received in the Minnesota game and is able to meet with the team and take a light workout.

The preliminary exercises have all been completed and Coach Wheeler is putting the men to work on the horizontal bars, the side horse, the flying rings, and tumbling. These are the five events in which the team will compete at the state meet to be held in Grinnell. For the Western Inter-collegiate meet to be held here next March Captain Kriz is practicing to take part in the Indian club swinging contest.

Iowa has for several years put out a very successful gym team. In 1912 they took second in the state meet, being defeated by one and one half points. In 1913 an easy victory was registered for Iowa, who won over all the other contestants by twenty points. Ames took first in the meet held there in 1914. Iowa lost championship in 1915 to Luther college of Decorah only because of accidents which put the local team behind in the number of points. After the first fall the team was set back twenty points but these were all made up by the other men on the team and Iowa took second place in the meet.

LEADS BASKETBALL TEAM THIS WINTER

ED G. BANNICK

PROGRAM TODAY BY MUSIC STUDY CLUB

WILL INCLUDE REPRESENTATIVE SELECTIONS FROM WORKS OF HANDEL AND HAYDN

The lives and masterpieces of two of the world's greatest composers, Handel and Haydn, are to be studied at the next meeting of the music study club at the home of Mr. Walter Pratt today at 10 o'clock. The numbers selected to be given are very representative of the good things of the masters. The program is as follows:

- Ten minute talk Miss Swisher
- Voice, Weeping Forever (from Rinaldo) Handel
- Mrs. Beeson
- Organ—Concerto in G. minor (two movements) Handel
- Mr. Pratt
- Voice—Where'er You Walk Handel
- Mrs. Ballantyne
- Organ—Sonata No. 1 Allegro Haydn
- Andante
- Voice—Spririt Song Haydn
- Mrs. Boyd
- Voice—With Verdue Clad (from the Creation) Haydn
- Mrs. Albright

CONFERENCE ON IOWA LAWS HERE THIS WEEK

A conference on methods of statute law-making in Iowa will be held in Iowa City, under the auspices of the State Historical society, on Friday and Saturday of this week. The society is about to publish a book on statute law-making in Iowa, which is being prepared by the instructional staff of the political science department under the direction of Prof. F. C. Shambaugh, head of the department.

W. C. Ramsey, of Belmond, who was chief clerk of the House of Representatives in the last general assembly, will attend the conference. Tom Watters, of Des Moines, who was secretary of the Senate in the last assembly, will also be present. Mr. Watters was formerly connected with the parliamentary staff in the House of Representatives at Washington D. C., and is now city solicitor for Des Moines.

REGISTRAR TO FIND OUT HOW VACATION IS SPENT

Cards are being sent out from the registrar's office to the instructors on which the students will be asked to indicate where they spent their Thanksgiving vacations. The figures from these will help to determine the length of future vacations.

ELWOOD DAVIS WILL LEAD THE FOOTBALL TEAM NEXT SEASON

WAS UNANIMOUSLY ELECTED BY COACHES AND "I" MEN AT MEETING YESTERDAY

His Consistent Ground-gaining Ability, All-round Good Playing, and Extraordinary Drop-kicking Make Him a Star of This Season

J. Elwood Davis of Correctionville, the starriest member of the Hawkeye football backfield, was unanimously elected by "I" men and coaches yesterday afternoon to be captain of the 1917 eleven.

Davis will be a popular and able leader it is believed. He was this year one of the most consistent gainers on the team. In spite of the fact that he is rather light in weight he hits the line hard, and is particularly effective in off-tackle smashes. Davis has great ability at grabbing forward passes and toward the last of the present season he was also learning to hurl the ball.

All these accomplishments would earn him fame were it not for his crowning feat of all. Davis is one of the most wonderful drop-kickers ever possessed by an Iowa team. This year he scored an average of one goal from the field in every game, making a total of seven. Minnesota was the only team against which he failed to score, and against Northwestern he booted two goals. His greatest performance of the season was in the Nebraska encounter, when he dropped over a perfect goal when standing on the 42 yard line. This was the longest goal he has ever made in a game.

Davis is a natural leader. On the campus he is very popular with the student body, and on the platform at mass meetings this year he won great favor. He is a junior in the college of liberal arts and a member of Phi Zeta Epsilon, a local fraternity.

Two years ago "Stub" Barron, the Iowa leader in 1915, was another man who claimed Correctionville as his home town.

Maurice Canada, who has been in the hospital for six weeks following an operation for appendicitis, left today with his mother for his home in Elkader.

CAPTAIN-ELECT FOR 1917 FOOTBALL TEAM

J. ELWOOD DAVIS

CONROY DISCUSSES COPPER INDUSTRY

TELLS HOW BY-PRODUCTS ONCE WASTED ARE NOW UTILIZED

At the meeting of the chemistry seminar yesterday afternoon, E. H. Conroy, a former student in chemistry in the University, told of the methods used in separating copper and sulphuric acid from the ore. Mr. Conroy is in the employ of the Ducktown Copper, Sulphur, and Zinc company of Ducktown, Tennessee.

In this mine they have to secure the metals from low grade ores, so a chemical laboratory is always maintained. There are several other chemists with that company, and Mr. Conroy is the chief.

Owing to the increase in prices due to the war, it has been worth while to utilize the by-products of these mines, which had formerly been allowed to go to waste.

Mr. Conroy told of some of the legislation and restrictions placed upon the mines by law, and also of the special problems met in this type of work. After his lecture, the audience asked questions about his work.

ARE YOU GOING TO HELP THE PERKINS LAW KIDS?

The spirit of Thanksgiving is being carried on in the proper manner in Iowa City, and on Turkey Day the crippled children in the Perkins ward at the University hospital will receive man serviceable gifts from people of Iowa City and the University.

There are 110 of these little children in the hospital at the present time ranging in age from babies to boys and girls 16 years old, practically all of whom are sorely in need of stockings, shoes, underwear, and other articles of clothing. These little kids come from homes over the state where it has been impossible for them to receive proper medical care, hence many of them lack even proper clothing to cover their maimed bodies. Persons desiring to help may leave their offerings at the office in the hospital.

WILL GIVE Y. M.-Y. W. MIXER FOR STAY-OVERS

The Y. M. and Y. W. C. A. will hold a mixer Friday evening at the Close hall gymnasium for all students who will be here during vacation. There will be games, stunts and a short program. Miss Gladys Kuhn and Allan Herrick are in charge of the program.

IF HE LIVES THE REST OF THE WEEK HE MAY LIVE A YEAR

GENERAL FEELING, HOWEVER, THAT TURKEY'S LIFE IS IN GREAT PERIL

Many Freshies Will Go Home to Celebrate the Joyous Funeral—Entertainment Planned for Those Not So Fortunate

Gobble, gobble, gobble. That is what the turkeys do for the last time that day preceding Thanksgiving, and it is what we do every time on the day itself.

University students and professors may perform these last sad rites over their turkeys at their own homes if they are not too far distant, for the University catalogue announces that Thanksgiving recess begins at noon, Nov. 29, Wednesday.

Eager freshmen have only one more day to check off the calendar until they will be home for the big family dinner, where they can converse in a superior manner to the relatives.

Nor are those unfortunate who are to spend their vacation about the campus. Numerous dances, parties, dinners, and general good times have been planned for them. It is a safe surmise that not many notebooks will be brought up to date during the five days allotted to give thanks for our blessings.

Blessing, No. 1, in the official count made by the students will surely include the fact that the University of Iowa has five holidays at this time instead of Thanksgiving day only.

Several sorority and fraternity houses will close during vacation, giving their members who remain over a chance to eat as irregularly as they please.

It is also a well known fact that University rules are off during this period. This will make a sharp ascent in the electric light curve, if the landlady is efficient and plots out graphs, representing the upkeep of parlor lights.

NEW OFFICERS OF "I" CLUB ELECTED

COACH JONES CHOSEN HONORARY MEMBER—WORK FOR YEAR PLANNED

Officers of the "I" club elected for the coming year are: A. R. Kirk, president; L. J. Story, of Cedar Rapids, vice president; I. J. Barron, secretary and treasurer.

Coach Jones was elected an honorary member of the club. At its meeting of a year ago the club chose as honorary members Max Mayer, Jack Watson, T. A. Waner, Nelson A. Kellogg, Jesse B. Hawley, and John J. Chalmers.

Among the problems discussed was discipline in athletics and ways in which athletes in school might be helped. The men also determined to get out reports to alumni on the conditions in athletics, telling them what the teams are doing and why things happen as they do.

Track work will from now on receive attention from "I" men although hitherto they have considered football almost exclusively. They will try to get men out fro track and do what they can to keep up interest in that work.

Edward Bryan, liberal arts student, left for Chicago last night, where he will spend his Thanksgiving vacation. While there he will visit the Art Institute, where he means to study next year.

CROSS COUNTRY LETTERS

With the cross country schedule completed, the men will now turn their attention to spring track work, which will soon begin. With a view towards getting more men out for cross country next fall and thus raising the standard of the cross country and track teams which has not been very high in the past few years, it has been proposed that a revised "I" similar to the "I 2" be given to the men making the cross country squad. This added incentive together with the dual meets which will be scheduled should result in a record breaking number turning out for cross country work, which is the greatest developer of track men of any line of athletics, and considered by track coaches as an almost essential part of the training of the spring track man.

This plan has been tried out at Ames with the very best results, Ames having had winning teams since the beginning of this system. Every man on the Ames team formerly received an A with a circle around it, and this has been modified until a regulation A is now given to the men making the squad. The success there in winning five out of the last six Missouri Valley Cross Country meets, and ranking high in the Big Nine conference meets, bears out the success of this plan. Whereas at Iowa men come out the first or second year with the hope of avoiding military training, or some other motive, and then stop trying for the team—a heretofore thankless position. At Ames men try for the team all through their college course. Beanblossom, a member of their track team of this year, has been trying out for the team for three years, and has finally won a place and his coveted letter. This same plan at Iowa would mean the turning out of ninety men for cross country where we now have twenty five and the consequent development of track teams so that the same standard be upheld in this line of athletic endeavor that has been maintained in other sports.

Iowa's football teams are always good, her basketball squads, wrestling teams, and baseball teams the same, but our track and cross country teams in the past few years have not been up to the standard. The remedy for this, a large cross country squad brought out by the added incentive of a chance to win an "I" in this line of sport, and the consequent development of a winning track team has been suggested. It is not worth careful consideration?

L. M. H.

Mr. H. Schmidt of Elkader visited over Sunday with his daughters Marie and Helen.

Professor A. C. Trowbridge went to Chicago Sunday night to attend a meeting for the discussion of the religious education at state universities.

TAGORE LECTURE MONEY TO CRIPPLED CHILDREN

Among the Thanksgiving gifts received by the crippled children at the University hospital was a check for the proceeds of the Tagore lecture.

This fund will be used to buy material for the kindergarten room of the school being opened in the orthopedic department. Special textbooks which have been arranged for this work were received at the hospital this week.

All the sororities have been asked by the Pan-Hellenic council to contribute something to the crippled children as their Thanksgiving gift, and some have already responded.

PHYSICISTS ATTEND MEETING

Eight members of the University faculty will attend the meeting of the American Physical society in Chicago, Saturday, December 2. They are Prof. G. W. Stewart, Prof. L. P. Sieg, Prof. F. C. Brown, Prof. H. L. Dodge, P. S. Helmick, W. E. Tisdale, L. E. Dodd, and Elmer Dershem. Each one will give a paper before the society.

ATHLETIC TRAINERS ALSO TAKE VACATION

Trainer Jack Watson will spend Thanksgiving day at Grinnell with friends. He also plans on spending the week end in Des Moines.

Director E. G. Schroeder and instructors Frank Wheeler and Pat Wright will spend their vacation in Iowa City. D. A. Armbruster, life saver at the men's pool, will spend his vacation in Mt. Pleasant.

W. D. Shipton, assistant in geology, has been ill for the last few days.

E. R. Tipton of Iowa City is today assisting in the office of Charles R. Berry, clerk of the district court. He is a student in the senior law class. He will probably act as regular assistant during the school year.

Lulu Gray, Tri Delt, will spend her vacation in Boone as a guest of Betty Gaston.

TAU BETA PI INITIATES

The honorary engineering fraternity, Tau Beta Pi, initiated five new members at a banquet at the Hotel Jefferson Monday night. They are George Heistermann, John V. Moses, Paul H. Lorens, Frank M. Kolar, and Guy Thomas.

NOVEMBER 30

Society and Personal

President Walter A. Jessup will go to Des Moines Wednesday at the invitation of Mrs. Warren Garst to speak before the meeting of the Des Moines Women's club.

Charles F. Kurtz of the extension division addressed the monthly meeting of the Commercial club at Marshalltown Monday evening. He spoke at Jefferson yesterday and will be in Council Bluffs today.

Mrs. Frances Haynes Sondrol, who has been visiting at the Alpha Delta Pi house, returned yesterday to her home at Clear Lake.

Judge Edward R. Meek, law '89, of Dallas, Texas, a Federal court judge will represent Iowa at the inauguration of the new president of the University of Texas on November 30.

Loteta Carpenter, Tri Delt, will spend Thanksgiving at the home of Professor Beggaman of Cedar Rapids.

Beatrice Beam is in the Mercy hospital with an attack of appendicitis.

Genevieve Evans, Tri Delt, will spend Thanksgiving with friends in Kansas City, Mo.

Mary Moss, Pi Phi, will spend the vacation with Alice Hoffman at her home in Des Moines.

Dorothy Strong will visit Helen Rowe at her home in Ottumwa over the vacation.

Miss Anna Burkley entertained the girls at Svendi hall at a formal Thanksgiving dinner last evening.

Florence Taylor Horton, who has been a guest at the Alpha Delta Pi house, will return to her home in Talassee, Florida, today.

Mrs. Mary Eldred, chaperon of the Alpha Delta Pi, will leave today for Oxford Junction where she will spend the Thanksgiving vacation.

John Bodenseck of Wartburg seminary in Dubuque will visit during the vacation with his sister Anne, a student here.

Nelle Dugan will spend the vacation with Agnes Kingsbury at her home in Tipton.

Miss Mary Andersen, Y. W. C. A. secretary, has gone to Hudson, Wisconsin, where she will spend Thanksgiving vacation. Before returning she will attend the national conference of the Y. W. C. A. at the University of Minnesota. The office is in charge of members of the advisory board during her absence.

Miss Gail Stahl, graduate student, left Saturday for her home at Ollie, to spend Thanksgiving vacation.

Dr. W. T. Graham, superintendent of the University hospital, is spending several days in Chicago on business concerning the new isolation hospital.

The men's gymnasium will be open all through the coming vacation, according to Director E. G. Schroeder. The use of the swimming pool will be restricted to the hours of 4:30 to 5:30 o'clock daily.

Prof. I. A. Loos read a chapter of his book on "Economic History," before the history conference Monday afternoon.

Gail Lewis, sophomore, will leave Wednesday for Minneapolis to spend the vacation at the home of her sister.

The Humanist society met Monday evening at the home of Mr. and Mrs. C. R. Aurner, 615 North Dubuque street. Dr. Ingebrigt Lillehei read a paper on "Landasmal," which is the national language of Norway.

The Saturday morning lecture in the series being given by Dr. C. H. Weller will not be delivered this week.

Professor C. H. Weller has been appointed by President Jessup to membership on the summer session committee of the University.

NEWSPAPER CONFERENCE WAS VERY SUCCESSFUL

Ninety-five, not eighty-six, newspaper men had registered at the newspaper conference by Saturday afternoon.

Officers of the University in charge of the conference are well satisfied with the attendance at the conference. The number of bona fide newspaper men from outside Iowa City was this year considerably larger than a year ago, and it included some of the biggest men in the state. It was noticeable that the big dailies were represented more largely than they had ever been at a newspaper gathering at the University.

VACATION LIBRARY HOURS

Thanksgiving day will be a holiday at the University library. No student, however industrious, will be permitted the use of the library.

On the remainder of the vacation days the following hours will be observed: Friday, December 1, 8-12 a. m. and 1-5:30 p. m.; Saturday, December 2, 8:30-12 a. m. and 1-5:30 p. m.

Send the Iowan home.

"The Little Girl Next Door"

IS YOUR
DAUGHTER
SAFE?
EVERY FATHER
AND MOTHER
SHOULD SEE
THIS GREAT PLAY.

"LITTLE GIRL NEXT DOOR" SHOWS PERILS OF THE CITY

The producing company did not have the proverbial kid gloves on when handling this sociological play, "The Little Girl Next Door." For here everything is treated with absolute frankness. And it is the kind of frankness that means sensationalism in a picture of this kind.

The production was based on the reports of the Illinois vice commission and aims to show the existence of vice and immorality at our very doorstep. It really has no plot. It is merely a recital of the lives of several unfortunate girls, how they were trapped, and, in some cases, rescued, and in others forced to lead a life of shame.

There is an elopement. In a strange city her winsomeness attracts the harpies in human form, and she is separated from her boy husband, drugged and delivered into the pit.

A girl answers an advertisement of an elderly woman who desires a companion. The woman is a white slaver and the girl is sold into a hideous bondage.

Then there are others—all of them drawn from life and from actual experience as related to the Illinois state senate vice commission, and it fulfills well its task of driving home the lessons of the dangers that lurk in city streets, and in a girl's desire for adventure and thrills, and in a meager wage.

The film shows the commission in session in the Hotel La Salle, and shows the witnesses who come to tell of their experience and to name a remedy for the evils that exist. There are Arthur Burrage Fa'well, Virginia Brooks, Judge Hopkins, Champ Clark, Dr. John Dill Robertson, Mrs. Alice Phillips Aldrich, Mayor Thompson, Chief Healey, John Dill Robertson, Corporation Counsel Ettelson and Alderman Lawley.

Lieutenant Governor Barratt O'Hara and Senator Beall are the principal narrators of the stories that developed as a result of the investigations, and the incidents they relate are enacted by professional actors.

No one under 16 years of age admitted to "The Little Girl Next Door"

CADET UNIFORMS READY SOON AFTER VACATION

The recently ordered cadet uniforms have arrived and will be taken out by the students soon after Thanksgiving vacation. Mr. Haller, the manufacturing company's representative, will be in Iowa City on Monday to examine and fit the suits.

Drill will be in uniform as soon as all the suits are fitted, and Captain Mumma states that it is his intention, if the weather remains good, to have at least two dress parades in the near future. He is confident that the regiment will make a good showing.

FORMER IOWA PRESIDENT WILL HUNT WITH MUMMA

John G. Bowman, former president of the University and now director of the American College of Surgeons in Chicago, is expected to visit his friend Capt. Morton C. Mumma through Thanksgiving recess. Both are enthusiastic hunters, and as Captain Mumma has just received word that his new pointer will be here tomorrow it is altogether probable that much ammunition will be used by them within the next few days.

ALUMNI ENJOYED THE IOWA FAMILY DINNER

INTEND TO MAKE IT A REGULAR FEATURE OF FUTURE PROGRAMS

Perhaps the most enjoyable feature of the Fifth Annual Homecoming, which has just passed into history, according to officials in charge, was the Iowa Family dinner which was held in the men's gymnasium Friday evening. Interviews with many alumni indicate that the event was most popular with all and that it will become in the future one of the regular features of the time. Aside from the dinner, popular favor seemed most universally accorded to the "speech fest" which was held in the Triangle club rooms the same evening.

The only disappointing phase was the smallness of the attendance, but the fact that the attendance was so much smaller than last year's is explainable in many ways. Many of the alumni were more interested in the Ames game and had attended that the week before. The bad condition of the roads also kept many away. One town which sent sixty-four last year had but one representative this year.

"The fact that our largest homecomings are at the games with Ames," said one prominent alumnus, "indicates that alumni would be unwilling to accept the suggestion of the Educational Survey that athletic relations between the two schools be severed. The idea that there is a bitter rivalry between the alumni of the two schools is a mistaken one. The attitude is merely one of friendly rivalry."

KELLOGG WILL REFEREE THANKSGIVING CONTEST

Athletic Director Kellogg will referee the football game between Columbus Junction and Washington at the former town Thanksgiving day. His wife will accompany him to Columbus Junction and after the game they will go on to Chicago where there is to be a meeting of the conference directors and coaches.

Coaches Jones and Kent will also attend the Chicago meeting.

MUMMA WILL SERVE AS GOVERNMENT INSPECTOR

Dubuque college has made application to the government for a unit of the Reserve Officers Training corps, under the new defense act, and Capt. M. C. Mumma, commandant of cadets at Iowa, has been requested to make an inspection of the facilities and conditions there for such a corps.

Captain Mumma has written to the president of the college inquiring what will be the nearest convenient time for the inspection, and he expects it to take place some time during the week following vacation.

The beautifully illustrated lecture by MARIE MAYER

MONDAY, DECEMBER 4

will be one of the most notable events of the year. Many have written and spoken about the wonderful drama of Oberammergau

THE PASSION PLAY

This is an opportunity to hear the charming story from the lips of one of the four leading characters in the play. Miss Mayer was Mary Magdalene in the play of 1910, and she played also in the years 1900 and 1890. No other participant in the Passion Play has ever lectured outside the picturesque little village where the play is held. This is
