The Daily Iowan is a private, not-for-profit student newspaper that is entirely supported by student fees. The newspaper covers local, national, and international news and features, offering a platform for students to express their opinions and engage in democratic discourse. The Daily Iowan is published by the University of Iowa and is available online and in print to the university community.

In this issue, the newspaper contains articles discussing the importance of education and the role of students in society. It highlights the sacrifices made by student leaders and the need for continued support and engagement in the university and broader community. The newspaper also features articles on local events, such as the Dance Tournament, and advertisements for various services and products.

The Daily Iowan promotes an active and engaged student body, encouraging students to participate in various activities and initiatives. It serves as a crucial source of information and a platform for students to connect with each other and with the broader community.
