MISS DALEY TO SPEAK TO CEDAR FALLS WOMEN
Miss Clara M. Daley will speak to the Woman's club on the subject "The Background of the War. This lecture is given in response to a request from the women of this city.

The Federal government has soon the purpose of enlisting the services of the eldest parents in this path of the campaign entered upon in connection with this war.

This is being done in order to increase the body of the nation to a realization of the gravity of the situation. If the plan works out as can be, the same speakers may be used on different educational topics after the war ends.

About everything was there, it looks like.

There have been mass meetings all over the country. There has been no lack of enthusiasm on the part of the citizens of this city.

The question is whether one can afford to assume the burden of the country.

The majority of the people consider the war to be a blessing to our nation.

Mr. Daley had a successful lecture on the subject "The Background of the War."

**TODAY'S GAME A CRUCIAL
ONE FOR GRINNELL TEAM**

Grinnell faces two phases of the
Iowa attack—forward passes, and
Captain Edward Davis' too. From
the Iowa-Nebraska battle last Sat-

day, it is evident to Grinnell fans
that Iowa has perfected a dangerous
aircraft attack which even Nebraska
could not stop. It is realized here
that all too well, also, that Captain Davis
holds the 1916 record for successful
drop-kicks, and it is believed here
that he will be used should Iowa get
within striking distance.

**QUIET RESOLUTION MAKES
FINAL IOWA WORKOUT**

(Continued from page 1)

Grinnell's fans are certain that
Iowa will put on a solid performance
this week end and advance in the
wheel of victory.
