IOWA ANNUAL MEETINGS.

Four Members of Union University Return from Allentown for a Visit.

STUDENTS RECEIVE BEST OF CARE.

Four Members of Union University, who are members of the Iowa annu- 
ion for some years, have returned from Allentown to visit the Union. The 
students have been given the best of care while they were away, and they 
will be in Iowa City for as much as a week longer.

Three members of Iowa's own 

section have twice been ready to 
enroll at Allentown, but have both times seen fit to 
return home.

unit at Allentown, with about one thousand 

army men, has asked for

The Knights of Columbus Are Asking Money for Their War Relief Work

This work is identically the same as that done by the Army Y. M. C. A. at home and abroad. Of its absolute necessity there is not the slightest question. Many of you have donated to the Y. M. C. A. Give something to the Knights of Columbus also. The work of neither organization is sectarian in any sense. If you have not donated anything to war relief work as yet, do so now.
