GIE CLUB WILL MAKE ANNUAL TOUR DURING VACATION

Central and North Central Pass of State to Be Made for First Time.

SEVERAL TO LEAVE AFTER TRIP

Last Year's Four Successful One-Club Wins High Honors.

The University Glee club will make its usual tour this year through the state beginning at Adel on Thursday, Dec. 27, the musical outing having been extended to the northwest and finish twelve days later at the State Normal school in Marshalltown.

The Glee club expects to visit all the towns in the central and north central part of the state. This year, however, every possible town in Iowa will be visited.

Numerous persons, including station agents, the directors, and accompanists, will make up the organization for the Holiday tour. Approximately sixty persons, some of whom have never been on tour before, will be invited to entertain the students in the halls of the Red Cross.

While three or four of last year's members have been lost by graduation and to war service, it is believed that the quality of the Glee club this year will be equally as great as last year. While in the Twin Cities Iowa singers were in competition with us, the competition was in no wise an element which will impede the progress of the Glee club. On the contrary, the trip will be greatly enjoyed by the entire organization as a whole and the entire trip will be believed to have been well spent.

HONORARY SOCIETY IN ANNUAL AFFAIR

Phi Beta Kappa Holds Luncheon at Berkeley-Weston and Dunlop Glee Clubs.

The anniversary luncheon of Phi Beta Kappa honorary scholarship society was held at the Berkeley hotel last evening. Fifty to sixty persons were present to enjoy the occasion.

Immediately following the luncheon Prof. George W. Stewart, president of the local chapter, called upon Mr. Weldon and Mr. Dunlop for the toast on the society, "The Phi Beta Kappa," and Mr. Weldon immediately went to the foot of the table and related a splendid story of the society. The toast on Phi Beta Kappa was then given by two seniors who explained the fact that the election of Phi Beta Kappa has been a very difficult task for the society. They had not been in existence for six months, but for the society to have initiated so many, they were considered to be "a Legion of Honor," but possessed of no peculiar qualifications, as was not uncommon in such an institution.

Mr. Dunlop then addressed the audience, saying:

To conclude the evening, Mr. Patrick, Mr. Weldon, Mr. Dunlop, Mr. Griswold, and Mr. A. Coogler gave brief, informal remarks.

Cowment of All New Contemporary students of University High to Pub-lish Weekly Paper.

Another contemporary for The Daily Iowan soon will come into existence if the plans of the students of the University High school are fulfilled. The student paper representative of the high school has been announced as the only paper to be published under university supervision, is the aim of the Fine pressed paper.

The editor-in-chief of the paper will be chosen from the senior class, subject to the approval of the faculty. The business manager will be elected from the junior class. The editors will be held responsible for the paper. They are given permission to publish the plans along the lines of the one thousand fifteen students of the University High school. Little advertising matter will be made use of the paper.

DAILY IOWAN Thursday, December 6, 1917

THE DAILY IOWAN, STATE UNIVERSITY OF IOWA

WANTED NO SATURDAY CLASSES

Miss McClenahan is interested in organizing Saturday morning classes in the major subjects. She believes that students will be more alert and will do more serious work on Saturday mornings than they will do on their own time after class hours. She is planning to have classes in English, Mathematics, and Science. The classes will be held in the old academic building and will be taught by the regular faculty members. The classes will be open to all students, regardless of their major field of study.

The College World

A service fee of 50 cents per student will be charged for the service of the college union. This fee will be used to defray the cost of the services provided. The union will offer a variety of services, including study halls, lounges, and recreational facilities. The union will also provide a variety of social activities, such as dances, parties, and concerts. The purpose of the union is to provide a comfortable and enjoyable environment for the students to study and socialize in.

SORORITIES HELP LOCAL RED CROSS

Girls Do Their "Bit" by Making
Surgical Dressings.

The sororities are doing their share
on the local chapter of the Red Cross. All have signed up for a cer-
tain amount of work.

Experienced sororities have their own
place for doing this work. The Al-
pha Chi Omi girls spend Thursday
morning at the Red Cross rooms.
The Kappa Gamma's do this on Wed-
nesday evening. The girls of the
Athena sorority each pledge them-
selfe to one hour a week in the Red
Cross rooms.

The Beta Phi and Alpha Delta
Phi have formed auxiliaries to the
Iowa City chapter. Phi Phi has set
aside Thursday evening for unus-
ual work and will spend every other
Monday in making surgical dress-
ings to be sent to the Red Cross shop. Alpha Delta Phi devotes Monday evening at thei-
ir chapter house in the work.

The ladies in charge say they are
very anxious to have more University
Girls help them. They have pledge-
ved three thousand surgical dressings
and five hundred bandages once a week.
Monday and Tuesday evenings are
for all volunteer workers. The Red
Cross room is now in the city hall.

"DEAD" HANDS LEAVES

Stanley Haas, formerly city engi-
neer of Iowa City, and a member of
the varsity squad several years ago,
has left for Bar Harbor, Calif., where
he will enter a aviation training school.

CHEMISTRY CLUB MEETS

The Chemistry club held its regular
meeting last night. Mr. Howard
read the paper.

The United Alliance will meet
with Mrs. H. F. Rushbrooke Pitcher,
December 7, at 2:30. Miss Wardall
will give a talk on "Food Conserva-
tion" and work will be done for the
Red Cross.

William Rybicki a former stu-
dent in the University left for Al-
natza, Austraia, Thursday evening.
Thursday evening.

A. A. Herrick, John Ovens and
Alan Shannon of the Ames House,
got together in Chicago as business
clients.

Donald McCo, Delta Chi, spent
Sunday and Monday at his home in
Hampton.

Charles Smith and Richard Cecil
who have been attending the train-
ing camp at Ft. Snelling, will spend
the weekend at the Delta Chi house.

GENERAL ELECTRIC COMPANY

Twenty-five years ago the General Electric Company was founded.

Since then, electricity has won its toil through the whole structure of life.

Eager to turn wheels, to lift and carry, to brighten dark, to gather heat, to brighten
voices and thought across space, to give the world new life for new work—
electricity has been man's will.

Throughout this period the General Electric Company has held the great
responsibilities and high ideals of leadership.

ACHIEVEMENT

It has set forth the spirit of research.
It has given tangible form to invention.
Inagination to adventure of science processes
and gigantic power.

And it has gone forth, re-operating with every industry, to continue this innova-
tion and its forces and live up a serve all people.

By the achievements which this com-
pany has already recorded, we may feel
be judged the greater end of its future
shall occur, the deeper wisdom it
yet shall add to electrifying men and
more of the world's work.

WILL HAVE PLACE FOR TECHNICAL STUDENTS of engineering. He said that Dean Hadley was at present in New York for the purpose of learning if engineers might be exempted and that definite information on the subject would not doubt bring about a more settled state.

Liberal arts students can also be considered technically trained students to a certain extent, according to Dean Robert E. Bowstern. “It is the opinion that men who have completed work on their major are in a position to be of greater service in different lines of work than those who have not had college supervision, and that men will be given an opportunity to serve their country in the way in which they are best fitted.

PLANS XMAS PARTY FOR CRIPPLES

University People Interested in Happenings of Little Ones.

A Christmas entertainment for the crippled children of the University hospital is being planned by Mrs. Mary C. Eastman of the University and Miss Hauser, superintendent of the Iowa training school. According to W. T. Graham, superintendent of the University hospital, there is wide spread desire to give pleasure to these unfortunate. To prevent depletion of gifts this year, the Christmas activities will be systematized and the design of entertainment carefully worked out. Mr. Graham states that last year the gifts and electric circle took a particular interest in the Christmas festivities for these unfortunate.

Y.M.C.A. IS AN ABSOLUTE RED

American Soldier Writes of Y.M.C.A. Work in Honolulu.

“The Y.M.C.A. is an absolute Red.”

American Soldier Writes of Y.M.C.A. Work in Honolulu.

“You must have a Red Y.M.C.A. work in Honolulu.”

It’s with great pleasure that I write to boast that the Y.M.C.A. is an absolute Red. Last December I was called to Hawaii to organize a Branch for the Y.M.C.A. The Army and Navy Branch in particular. Honolulu would be dull indeed if it were not for the T. ’T’ is necessary to a city as the yard is to the bread. It is a home one loosely, truly one turn to when in a strange country. It furnishes amusement to too numerous members. Among the pleasures one to be enjoyed is bowling, skating, billiards, games and rest.

The Y.M.C.A. in Honolulu has established numerous state clubs for the benefit of soldiers away from home and in a strange country. The clubs are a great amusing link for soldiers and civilians.

Some of the more billiarders of these different clubs are sensible, patient, courteous and honest. Writing with the Progressive Expedition as a scout I came to see the work the Y. M. C. A. was doing. They held free moving picture shows for soldiers. Wouuld like to suggest that the Y. M. C. A. in the States take this idea as a means of help to those boys get acquainted.”

An American soldier in Honolulu.

Miss Margaret Taylor, formerly a student in the University of Edinburgh, will come to this country November 15 to take up research work in the department of bacteriology.

$2.25

Will bring to your door, six days a week for the rest of the year

VOL. XV
ALUMNUS PAPER

For Club Life at Ames

University Social and Will Be for

The University of Iowa is preparing to give a social to alumni to be held on campus in the Memorial Union Sunday afternoon, February 1st. At this social the new building of the Memorial Union will be dedicated.

Also advertised will be a party serial under the title of “Plant the Clover.” The plot will be that of English My leading young lady has been coming to me of late and asked me to take her to a “Theatre.” I was told to “Bette’s” which is a pretty good place in other words the “Bee.”

The most notable advantages of the building of the new Memorial Union is that it will be self supporting. The building is high class and will be for the use of all classes.

The Daily Iowaon is a daily newspaper of the University of Iowa. Its offices are in the Union. The Daily Iowaon is published Tuesday to Saturday. The Daily Iowaon is published by the Daily Iowaon Committee of the Student Council.

The Daily Iowaon is also the official organ of the University. It is published daily and is distributed free to all students and faculty members of the University.

The Daily Iowaon is a 16-page newspaper with a circulation of approximately 2,000 copies. It is printed on high-quality paper and is designed to be easy on the eyes.

The Daily Iowaon covers all aspects of university life, including sports, news, and events. It is written by students and edited by a faculty advisor.

The Daily Iowaon is funded by student fees and advertising revenue. It is an important source of information for the university community.

The Daily Iowaon is available online at dailyiowan.com. It is also available in print at the union, student centers, and other locations on campus.

The Daily Iowaon is an important part of the university community and is a valuable resource for students, faculty, and staff.
