ALUMNI MAINTAIN PARIS HOTEL FOR FORTHER STUDENTS
Club Life for College Men is Aim of American University Union in Europe

UNIVERSITY OF IOWA IS A MEMBER
Social and Educational Activity Will Be Fostered By Union for Men in Service

The University of Iowa is now a supporting member of the American University Union in Europe. The purpose of the union is to provide at moderate cost a home with the privileges of a college life for American college men and their friends through Paris or Furtwangen.

As an information bureau, writing newspaper room, library, dining room, laboratories, baths, social facilities, business and legal agencies, and with the resources of the union's central office in Paris available, headquarters for the numerous branches already set up in various European cities, including one in Paris, a branch of the union is also provided for in London.

Will Serve All Men Students

The union will be helpful in leisure time, reporting on excursions, sending out the weekend and working advice, and serving as a means of communication between American students and the University of Iowa men in France. Arrangements have also been made with the officers of the Union for the continuation of the University of Iowa and its constituent branches in the Royal Palace Hotel on the Place du Theatre Français. Charges are reasonable, so that the military men of any rank may have access to these quarters.

Alumni Society

Activities planned by the union are partly social and partly educational. All branches will be open to former students who are in Europe for military or other service in the cause of the Allies.

The union is supported by representatives of American universities, colleges, and technical schools.

UNIVERSITY PARTY SATURDAY

The next all-party University meeting will be on Saturday evening at the Y. M. C. A., the only place where the American college men will be able to play the social game of the day.

The regular meeting of the University will be on Saturday evening at the Y. M. C. A., the only place where the American college men will be able to play the social game of the day.

The meeting will be held in the main gymnasium and the auditorium will be set up for a large audience.

A meeting of the athletic managers of the different classes in all the colleges of the University will be held at the Student Union Tuesday night at 7:30. It will be held in the main gymnasium and the auditorium will be set up for a large audience.

The question as to whether draft or exclusion on the National Guard has been under consideration since the last meeting of the committee and it is hoped that all the questions may be answered by the committee at this time.

The All-Round Man's Drink

We all want a drink that isn't flimsy. The stable, sober and hard-working student must have the drink that stumps good and keeps him stood up.

Beer is just that. It is working and refreshling—beneficial as china cream and assorted flower boys can make it—a pretty dull drink—esoteric and beneficial against consumption.

Served at foot-clap restaurants, hotels, cafes and soda fountains everywhere, the old-fashioned beer is the drink that stands up.

For Good Cheer

I'll soon be time for gift-giving, boys—and for gift-getting. Don't forget to say a good word for Bradley—where it will do you the most good.

You can't go wrong with a Bradley, because if it's a Bradley, it's right. There's style in it, there's warmth in it, there's comfort in it, and there's wear in it.

A Bradley chums you for years. See the many styles and color combinations at the Bradley Dealer in your city.

No Junior Pictures after Dec. 20

This is the decree of the Hawkeye Staff Announced Yesterday.

"No junior pictures after December 20," is the decree of the board of trustees of The Hawkeye, Inc. And this ruling, announced for the first time yesterday afternoon at Frederick C. Boux, business manager of the newspaper, will be rigidly enforced this year. The trustees composed of both faculty and students are firm in their opinion that there has been too much unnecessary delay in handing junior photographs in the past.

In other years the various Hawkeye managers have made similar announcements, only to break down the ruling and announce another "final" date. This year the Hawkeye editors are backed by the faculty and the representatives of the student body.

The profession contends that there have been more prompt in going to the photographers than the students in liberal arts, according to Mr. Cus. Fifty per cent of the L. A. juniors have not been to the staff photographer.

There are twelve days left in which to cooperate with the Hawkeye editors.

To MOTHERS HOSPITAL UNIT

Another Iowa City military organization will be mustered in tonight, Soldiers and Sailors of the U. S. army will be here for the formal formation of making the Polk Hospital corps No. 7 Iowa National Guard, a part of the regular army. This local hospital unit was organized by Dr. F. L. Love of Iowa City.

FOREIGN VOTES WERE AGAINST AMENDMENTS

Results of Suffrage and Prohibition Amendments Affected

By Foreign Element.

The influence of foreign vote in this state in relation to the equal suffrage amendment and the prohibition vote has been worked out by Ruth Gallagher of the political science department.

An inspection of the vote in various counties of the state reveals some interesting peculiarities in this pluralitarian vote she declares. For example in the four river counties Clinton, Iowas, Dubuque, and Scott, where there are 17,000 foreign-born, thirty per cent being Germans, the entire vote was 10970 more against equal suffrage than for it and 17,000 against prohibition. Were it not for these four counties both amendments would have carried.

Of the forty-five counties having a larger number of foreign born, instructed citizens or born of foreign parents, 19 gave a majority against both equal suffrage and prohibition, while 26 gave mixed amendments.

In the 84 counties with more native-born and trained voters, the vote for equal suffrage was 104,005 while the total vote against it was 94,023 with even larger majority in favor of prohibition.

Amaria will contain with a dance at the house Saturday evening. Mr. and Mrs. Frank Thayer will be the sponsors.

A POSTAL GUIDE STORY

"The people who vote for the privilege of sending telegrams, are the people who know how to send telegrams." This was said by the Congressman and Senator, William Evarts, who was the inspiration behind the electric telegraph service.

The first telegraph was invented in 1837 by Samuel Morse, and it was not until 1865 that the first commercial service was established.

The telegraph has been an invaluable tool for businesses and governments, allowing for quick and efficient communication across vast distances.

Despite its importance, the telegraph has also had its fair share of controversies, with some people concerned about the invasion of privacy and the potential for misuse of the technology.

As technology continues to evolve, it is likely that the role of the telegraph will continue to change and adapt to meet the needs of society.

WOMEN STEPPING OUT IN MASCHULINE ATTIRE

"Hey Bill, gate home?" called a male voice to an object clad in a sembly hall.

"Who don't you wait for a fellow?"

The voice of some fair one as a rooster was emerging from under a collar.

The wayfarer struck dumb by the warp, and not the least hallucinations experienced by the University must.

As all things have a result, consequently they have a cause. The cause is a search for warmth. The result is that heavy sleep lined coats have been donned by some of the feminine part of the University population.

INTEREST IN GYMNASIUM GROWS

Various Teams Prepare for Trips, Track Begins Next Semester.

Members of the wrestling team, gymnastics team, and swimming team, and men interested in the phases of athletics open to competition, are working hard this week for the tryouts. Unusual interest is being shown this year. Many men who have never been out to a meet before are trying out for different teams.

Track work will begin soon after Christmas vacation and will continue from then until the end of the school semester. More interest in the events on the track schedule this year is also anticipated because of the physical requirements it gives to the men who are liable to the government's call at any time.

TO PLAY CAMP DOODGE

"Waddie" Davis, Greenwood, Reed, and Huenzlen, Iowa varsity football stars, will take part in an all-Iowan football game with the Cedar Bridge eleven, according to a Daily Iowa news story. Coach Jones will select the officers in order. As an interesting feature of the game is to be that "Chuck" Look will oppose two old rivals.

TARGET PRACTICE FOR WOMEN

The University of Washington is rapidly assuming the nature of a large military training camp with military organization as its nucleus. Nearly 760 men are wearing the olive drab, and 60 are listed in the naval, training unit. For women of the University are "fighting their bit" by turning out target practice every afternoon from 4 to 5 and once a week for military drill.
