WILBUR ADDRESSES STUDENT ASSEMBLY ON FOOD PROBLEM

ALUMNI OPENS SAVING CAMPAIGN

Students and All Urged to Sense Vitality of Average National Situation.

That the recent defeat of the Italian army was not due to the lack of food for the Italian army, was the statement of Dr. Harold I. Stearns, junior university, before a meeting of the alumni of the English department.

"We have not yet begun to realize the seriousness of the situation. How do we know what the future will bring?"

When Russia went out and occupied Finland, it took over her food, as we do our neighbors, how many Americans realized just what it meant? It is the most vital consideration of our lives.

"Germans, in planning to starve the Allies, are planning to starve for us."

Now that we have a real idea of what the Allies are doing for us, we must prepare to meet the need, in a large measure.

Dawson.

This morning I also saw the President, Mr. Herbert Hoover, was introduced to the assembled audience.

DENTAL COLLEGE LOYAL

The dental college may truly be said to be doing its bit. From a report obtained yesterday every professor, science, artist, and craftsman, and, in fact, absolutely everyone of the faculty, has pledged his support to the Red Cross.

TEN YEAR OLD

The Ten Year Old is a small boy who can be engaged to do odd jobs around the house. He can wash dishes, sweep floors, and do other tasks. He is very helpful and enjoys doing chores.

Iowa Speakers

Are in Demand

President Jessup Assists Loyalty
Work of Council of Defense in Patriotic Campaigns

Another day can be added to the service flag of the University to the graduating class of 1918. A speaker's bureau has been established under the Iowa counsel of defense, the purpose of which is to invite speakers for all patriotic movements, such as the Liberty Loan and Red Cross campaigns.

President Jessup is one of the speakers who has been asked for over the state to speak in various communities. (Other speakers in demand are: Garret Strong, Librarian Young of the Des Moines Capital, Judge M. A. Wahl, and Professor Blumenkamp of the department of botany.

To facilitate better this work two additional information books have been prepared by the extension department. "Professor Plan" of courses in the department of history has compiled one, Professor Polier of the same department another.

For some time Professor Merry has been preparing speakers' addresses in English, History, Wnshington and Polk counties.

French Speaking in Leu-

The Second Semester

Prof. Ferdinand Haldensperger of Columbia University will give a series of four addresses at this University for the second semester.

In speaking of Professor Haldensperger, Professor Bards said yesterday that he is the first Professor of French ever to be invited to speak before the University. He will talk on four generations of French students, beginning with his own and continuing in 400 years to the present day. The second lecture will be given in French. The subject will be "Libertarianism and the War." The second lecture will be delivered in English.

New Courses for Next Semester

Several of the new courses beginning next semester have been announced by the department of English:

- (1917-18) - The Newspaper 3 hrs. Thayer.
- (177-178) - Journalism Writing. 1 to 5 hrs. Thayer.
- (178-179) - Professor Blumenkamp.
- (181-181) - Interpretation of news. 3 hrs. Thayer.
- (182) - Professor of psychology.
- (183-184) - Professor of political science.

= (185-186) - An extra session in course 2 hr.

The department is open to extension students.

Society and Personality

President Robinson will sponsor a square dance Friday night. C. G. P. Frazer is in the Des Moines doing inspection work.

Edith McCreery of Burlington is a guest at the Kappa house.

Special trailers and cars will be added to the regular trains going out of Iowa City after 10:45 Friday night.

Eleanor Fiskett is ill in the University Hospital as the result of a fall on the sidewalk.

Wesley Shinkle, '17, who is now working in the Brooklyn children's league, is spending the Christmas holidays at his home in this city.

Before returning to his work he will make a trip through the west in collect materials for the museum.

RED CROSS YARN NEEDS

The new supply of yarn for Red Cross work has not come, so many girls will be obliged to do "knitting-ology" during the Christmas season. It can be done from these red chapter rooms. There is still plenty of yarn which students may try to work in.

The women of Johnson County are now forming the other 2,000 chapters. 35,000 yarns and 400 sweater makers. The women in charge of the Red Cross chapter rooms here say that those few are already very much needed. The chapter rooms have been very faithful to their work.

YOUR RED CROSS NEEDS YOU

All you need—a Heart and a Dollar

The demands of your Red Cross are constantly growing. Where we have been sending bountiful amounts of food and hospital supplies—we must send more. Where we have been sending hundreds of warm articles of clothing and dresses—we must now send thousands.

We can all help. We all must help. It is not only each person's duty to join the Red Cross and send a membership-dollar on its errand of mercy—it is every one's right.

Perhaps a dollar won't seem very much to you. Most of us are used to think of that amount in cuts of "bookkeeping"—trifles and nicknacks. Yet, a dollar invested in Red Cross membership will help your Red Cross, Your Army

WHO IS BEHIND YOUR RED CROSS

President Wilson heads it—
Congress authorizes it—
The War Department audits its accounts—
General Pershing in France approves it—

And every one of us—man, woman and child—must support it with at least our membership if the Red Cross is to lighten the hardships, guard the health and bind the wounds of our Boys and our Allies.

Go to the nearest chapter. Join the Red Cross today! $1.00 Membership—it entitles you to display the Red Cross Service Flag in your window.

"Ten Million New Members by Christmas"

President Woodrow Wilson wrote us that: "Our conscience will not let us enjoy the Christmas Season if this pledge of support to our cause and the world's weal is left unfulfilled. Red Cross membership is the Christmas spirit in terms of action.

6 to 12 Blocks, 1 passenger—$0.25
Each additional passenger—$0.15
12 to 20 Blocks, 1 passenger—$0.30
Each additional passenger—$0.15
20 Blocks to city limits—$0.35
Each additional passenger—$0.20

Distance counted from the Johnson County Bank Block, which for this purpose, is considered the center of the city.

All will agree that the old rates were unfair, in that long and short trips cost about the same. Our records kept for four years, showing earnings and expenses of the service, prove the old rates are inadequate.

Investigation shows the basis to be on the long trips. In other cities, charges are made according to distances, and these new rates, compare very favorably to the average where taxi meters are used. It will be our constant aim to give prompt and efficient service in the future as in the past, and to improve equipment as fast as business will justify.
