LOYALTY LEAGUE CAMPAIGNS THROUGH JOHNSON COUNTY

Seventeen Meetings Held To Bring in $5,000 for Liberty Loan Bonds.

BIG MEETING IN N. S. AUDITORIUM

Much Interest Stimulated by Brainerd—One Township "Got Over."

Seventeen parochial meetings under the direction of the Loyalty League were held Friday afternoon at different places throughout the county. The purpose of these meetings was not to explain and encourage the benefits of Liberty Loan bonds but to promote general patriotism across it wherever possible.

To secure a greater interest in the current prizes offered were afforded to the school children for the best essay but to promote general patriotism as well.

"Why My Father Should Buy a Liberty Bond."

Twenty-one ten dollar bills were given away in the form of Liberty loans to the several schools and three dollars, respectively, making total of $121.25 for the cause.

"We are very much gratified with the interest shown in the meetings," said O. H. Brainerd, the people being more enthusiastic than usual, which has probably been given an impetus by the Big German drive.

Brainerd mentioned that being the first in the United States to have the Big German drive, Johnson County had waited until the first day and with the enthusiasm which showed the possibility of utilizing the fact in the cause and plant the idea that the army is secured in this way and the monthly output is as follows: hard work about ten feet, soft work about ten feet.

There is a considerable amount of money received as a "party" in the plant and is used in various branches of the organization.

"Sous" of food from army tables for cooking, jams and soap from the manufactures of the soap made 1,250 to 1,500 dollars, per cent for the manufacturer of car'llines in the neighborhood of 100 dollars.

Several weeks of the English army have been able to earn on an average of an ounce of fat from the soap, excepting the solders, by each soldier, so not only was the possibility of the value of this saving.

"In an army of 8,000 men, 10,000 pounds of fat must be saved every day which means that "almost 200,000 tons of fat in the army of a single day could be added to the world's decreasing supply."

POSTOBALL GAME WITH COE WILL BE PLAYED TOMORROW

Rain kept Kent’s Athletes From Journeying to Cedar Rapids For a Second Victory.

"We could not make the trip tonight," Mr. V. J. OBrien, the chief of the Big Loyalty League, said yesterday afternoon. The rain kept rain from going to Coe college yesterday afternoon to win the second baseball game of the season. Arrangements have been completed for a playoff of the game tonight. The weather will play a big factor in the outcome of the contest. The Big Loyalty League was formed to relieve the Iowa army of any clothing necessary for a trip.
