Iowa furnished four regiments of men for the Union army during the Civil War. Did Iowa men do anything else of note during the battleship era? Will the world be recognized for Iowa's part in the Spanish-American War? Will it require a drastic action of labor to change the present illusion regarding the Iowa farmer's worth to the country? How many pages of Iowa history are there? Iowa has been known to take a sip at the fountain, but never to have been known to take more than one signal lack. That's all:

Meeting Your Uncle Sam

"He's got a bagfull of the best securities on earth—he stands behind it—you know what that means. He's putting these fighting bonds into the homes of our folks from Maine to California. Why, man, this is the chance of a lifetime—to help this grand old country, and to lay something by for that little house on the hill you have been dreaming about.

"Honest goods? Believe me, there never was such goods.

"What! You were looking everywhere for just this chance? Fine! Open the bag, Uncle! He's one of us. He'll take a dozen."
Lend Him a Hand

Your hand—my hand—

Every hand in the land stretched out to help him to VICTORY! That is the way that America is going to win this war. It is the only way she can win it.

We are fighting a United German people. Until every American is backing the boys in the trenches, until every hand in the land is stretched out to help, we cannot expect our army to defeat the German armies strengthened by the toil and sacrifice of the one hundred and fifty million people of Germany and her allies.

This is a war of national resources, and every one must add his share to America's fighting strength if we are to make our superior resources count. Every hand in the land must be stretched out to help our boys if we would send them over the top to early and certain victory.

Save for the Third Liberty Loan. Invest in the Third Liberty Loan. That is the way to lend a hand. That is the way to make a nation invincible for freedom and justice.

Lend Him a Hand

Every bond bought now is a direct fighting aid to this boy in the trenches in France.
