IT IS a common mistake to think that a house has been the cause of thousands of years of trouble and suffering. According to the American Printer, the one that got into the wrong place cost the government two million dollars.

The fatal bill in which the mistake occurred provided that "for sign fruit plants," and so forth, should be admitted free of duty. The purpose was to encourage the cultures of high-grade varieties of fruit trees and grapesvines in this country. When the bill was printed, foreign fruit plants, and so forth, and, as a result, oranges, grapes, peaches, bananas, and the like came in free of duty for a year.

MARGARET ANGLIN

PRESENTS “BILLIYET”

Talented Actress Comes Monday in Play Full of War Spirit and Good Comedy.

Margaret Anglin, who will appear in “Billiyet” at the Englert Theater Monday night, May 20, began her illustrious career by coming into the world as the daughter of the speaker of the House of Commons at Ottawa, Canada. She had early ambitions to enter theatrical work, meeting with success as an amateur reader, and when only seventeen, she went to New York City against the wishes of her parents to enter Nola Wheatcroft’s dramatic school.

Her theatrical career began after a public performance at this school, at which Charles Freiman had promised to engage for the Bijou Theater stock company the four whose acting was most creditable. Miss Anglin’s acting so pleased him that he engaged her for the part of Magdelena West in “Madonna,” in which she made her first professional appearance at the Academy of Music in New York City in the fall of 1914.

Miss Anglin has since played leading parts in many company plays with Charles Freiman company as Olympia in “Handel,” as Julie de Mortemart in “Rinaldo” and Ophelia in “Hamlet,” and as Rosalind in “As You Like It.” In the role of Donna Elvira in “Don Giovanni,” and as Cherubino in “The Marriage of Figaro.” Miss Anglin’s acting was most creditable. "INSUFFICIENT FUNDS"

Every day the local banks have returned to them by other banks checks which are marked "Insufficient Funds." The collection of these items is always costly and troublesome. The drawing of checks without funds to cover them is bad business particularly nowadays, when merchants and men and bankers are minimizing profits and giving all their energy to the winning of the war. THE IOWA CITY CREDIT BUREAU urges every one to help by keeping their credit good on the records at the office of the Bureau. All persons making a practice of writing checks without funds to meet them are reported to all members of the Bureau.
