COLORED BOYS WILL APPEAR IN PIE RACE AT ARMORY TONIGHT

Stunts by Gym Team, Swimming Meet, and Peanut Scramble Features of Party

EVENING OF SURPRISES

Guests Will Trail Through Armory Out on the Iowa Field to Roast Marshmallows and Apples—Band Will Furnish Music.

An evening of surprises is promised for all who attend the first, and probably the only, big University party of the year, which will be held at the armory this evening, at 8 o'clock. All University students and faculty members are invited, and admission is free to all.

Beginning at the front door of the armory the guests will progress from one booth to another, until they have passed through the armory, out of the back door, and across to the athletic field, where fifteen big bonfires will blaze away and furnish heat for roasting the 150 pounds of marshmallows which the committee in charge says will be on hand. Five barrels of apples will be there, too, awaiting consumption.

Pie Races Promised

Pie races participated in by several little colored boys will constitute one of the many unusual stunts in this evening of surprises. The gym

Y. W. C. A. BANQUET AT COMMERCIAL CLUB

Membership and Finance Campaign Opened Thursday Morning

A banquet at the Commercial club rooms Wednesday evening was the big send off for the opening of the Y. W. C. A. year. All preparations were completed for the membership and finance campaign, which opened Thursday morning.

The tables were spread for fifty girls, leaders in the present campaign. After the dinner, Eula Van Meter, chairman of the membership committee, introduced the speakers. Miss Winifred C. Wygal, Field Secretary, explained the meaning of the initials, "Y. W. C. A.," "They mean Young Women's Christian association, not tatting club, sewing circle, or Shakespeare study group, but Christian association, emphasis on the 'Christian' " she said.

Mary Anderson, Y. W. C. A. president, told of the Y. W. C. A. activities. Helen McAlive, chairman of the publicity committee, boosted "The Association Monthly," the Y. W. paper.

Miss Mary Bash, general secretary, and Clarice Knudson, chairman of the finance committee, explained the details of the campaign. The entire city is divided into districts and one or more girls placed in charge of each. It is not the plan that girls are to wait until they are invited to join Y. W., it was explained. The Y. W. C. A. room is open to receive new members and new pledges any time.

The campaign is now on and will last one week. Everyone is invited to get into the spirit the Y. W. C. A. wishes to set forth, Miss Bash said.

FIRE PREVENTION DAY CELEBRATED WEDNESDAY

Iowa fire prevention day, celebrated Wednesday, is a timely reminder. At least three times in the history of the University, fires have destroyed or seriously damaged its buildings. In 1901, old South hall was burned to the ground. In 1916, the Iowa Union, situated on the present site of the University book store, was destroyed, together with the personal property of many students living there. Only last year a fire seriously damaged Close hall, and deprived the Y. M. C. A. and the various literary societies of their place of meeting. Gov. W. L. Harding says, "Every fire that destroys property in your community is a loss that the individual living there must share." The posters on the campus bulletin boards contain some pertinent reminders as to how fires may be prevented.

1921 HAWKEYE PLANS ARE WELL UNDER WAY

Complete Staff Will Be Appointed Soon

COLLEGE LIFE FEATURED

Fred A. Steiner is Editor-in-Chief, and Arthur K. Walling is Business Manager

The 1921 Hawkeye bids fair to be the largest annual ever published by the State University of Iowa, if the registration figures can be taken as a criterion.

Already work is being pushed toward an organization to insure an early appearance of the book. Fred A. Steiner, editor-in-chief, and Arthur K. Walling, business manager, are busy completing the details of the organization. Both of the men arrived on the campus early for that purpose. With every college taxed to its limit for space and in some cases overflowing, this year presents great prospects for the first post-war Hawkeye.

Forget War

This year ,however, Editor Steiner plans to get away as far as possible from the military regime that has for the last two years dominated all walks of life, and to return again to the purely college and social activities of the campus; to get back to the old basis of "being" and help men forget those days of war.

Again, a new system will probably prevail, whereby the juniors of all colleges will be placed under the main junior section, each college being alloted space for its third year men. This arrangement will furnish a complete representation concerning its administration, organization, field work, and history. In the feature section some "rare treats" are promised and every college will be alloted space for its ideas of student life.

Select Staff

News of a complete staff is not yet ready for publication, for the editor works on the basis that time spent in securing a well-balanced staff always pays in the end. At present the lower floor of the physics building, south end, serves as the office of the Hawkeye, but the management is looking for a more desirable location.

On the whole, it looks like the banner year for the Hawkeye, the management declares.

SENIOR SOCIETIES IN JOINT PARTY

Staff and Circle and A. F. I. Entertain at Mrs. Aurner's Home Last Evening

A. F. I., honorary senior society for men, and Staff and Circle, honorary senior society for women were entertained at the home of Mrs. Nellie S. Aurner, dean of women last night. Dean and Mrs. G. F. Kay, Robert E. Rienow, dean of men; and Mrs. Evans, Dean Rienow's sister, were among the guests.

The joint meeting is the first of its kind. Plans to further the work of the student council and to develop self government on the campus were discussed.

Members of Staff and Circle are Margaret Hayes, president, Kathryn Dayton, Mary Anderson, Florence Strub, Elizabeth Dorcas, Eula Van Meter, Helen McIntosh, Helene Blattner, Bess Goodykoontz, Mabel Turner, Marjorie Boyd, and Grace Altschuler.

Don Nasby is president of A. F. I. Other members are Dwight C. Ensign, Robert Aurner, Edward Chamberlin, Ralph E. Overholser, Arthur G. Pyles, Fred Lohman, Lawrence A. Block, Leo D. Nicolaus, Roy D. Burns, Leon Brigham, and Hugh Rosson.

SET TRYOUT DATE FOR FIRST DEBATE

To Pick Twelve for Final Try for Place in Clash With Illinois and Minnesota.

Try-outs for the Intercollegiate debates will be held Monday, October 13th, in the natural science Auditorium. According to W. E. Hutchins of the public speaking department participants will be given an opportunity of speaking for five minutes.

Of the contestants twelve men will be selected for the final tryout Wednesday, Oct. 15th, on which date six men are to be chosen for the two teams which will debate Illinois and Minnesota.

The question which will be debated at the final tryout is this: "Resolved, that Organized Strikes Should be Prohibited by Law." The question to be debated between Iowa, Minnesota, and Illinois December 12th, will be announced later.

LAWS TO ELECT OFFICERS FRIDAY

The law students' association has two vacant offices to be filled for the rest of the term, made vacant by the absence of Craig M. Arbuckle, treasurer, and Miss Evalene P. Babcock, secretary. The election will be held Friday, October 10, at 10 a. m., in room 105 law building.

CATHOLIC MIXER OPENS NEWMAN YEAR

About 350 Catholic students attended the mixer given under the auspices of Newman club at the Majestic hall Wednesday evening.

Luke Linnan, president of the club, presided.

Judge Martin J. Wade of Iowa City and the Reverend Father W. P. Shannahan, student pastor; L. Kerrigan, assistant student pastor, and

(Continued on page 3)

MID-WEEK DANCE IS IN HIGH DISFAVOR

Discouraging mid-week dances is a problem which again confronts the social committee. The issue was fought to a finish several years ago and the custom was killed. Today, as then, the faculty is against the idea. Moreover, the women's student council disapproves.

Disapproval is generally based on the theory that mid-week dancing parties encourage mid-week dating, and that mid-week dating results in low scholarship.

House chaperones were requested by Nellie S. Aurner, dean of women, to inform the students that attenddance at the park Tuesday night would be met with disapproval by the social governing bodies.

AMES SHIFTS MEN FOR GRINNELL GAME

Cyclone Backfield Too Light for Big League Football Say Aggie Coaches

LEFT GUARD BADLY HURT

Coe Game, Played in Mud Ankle Deep, No Basis for Estimate of Ames Strength.

Ames, Ia., Oct. 8—Special: More weight in the backfield is the goal of Coach Mayser's efforts in preparing the Cyclone team at Iowa State College for next Saturday's game with Grinnell college.

Lack of punch in the pinches in the Coe game last Saturday is attributed by Coaches Mayser and Berryman to the fact that the back-field of the Cyclones averaged only 142 pounds. "That average," says Coach Mayser, "won't do for big league football. We must have heavier men back of the line."

Coaches Strengthen Line

To remedy this shortcoming, the coaches are shifting some of the heavier, speedy linemen to the back field in the practice this week. They are also going carefully thru the big list of candidates for men with weight and backfield ability. Monday's practice saw Tanda and Lichtenfelder, husky linemen, both of whom worked against Coe, in backfield positions. While this arrangement is something of an experiment it indicates the effort that is being made to put greater driving power into the Cyclone offense.

Met Coe on Muddy Field

The injury to Young, left guard, whose hand was badly fractured in the Coe game, leaves a big hole on the left wing of the forward wall. How long Young will be out, is not yet known.

The Coe game, fought on a field ankle deep in water and mud, furnishes small basis for a close esti-

(Continued on page 4)

STUDENTS SHOW INTEREST IN PLAN FOR MEMORIAL

Are Asked to Assist in Campaign By Doing Clerical Work—Crone Gives Figures

ORGANIZATION PERFECTED

Congressional Districts Being Organized with Workers in Each County—Will Canvass Former Iowa Students in Large Cities

Are you willing to do your part in the campaign to secure a $1,000,000 memorial building for the University?

If you are, fill out the coupon below and send it to the Iowan office.

Then all you have to do is to appear at 2 o'clock in the afternoon of Wednesday, October 15, at the Iowa City Commercial Club rooms. Two hundred students are needed to address, seal and stamp 30,000 envelopes, with pamphlets enclosed, which will tell graduates of the university of the gigantic plan to raise $1,000,000 for the new Memorial union.

Is Big Task

Already the campaign committee has received many indications of interest from students, regarding the work which they can do to help in the campaign, according to Frederick W. Crone, who is in charge of the details of the canvass.

"We expect this appeal to the loyalty of students to be met in the way Iowa always receives appeals of that sort," said Mr. Crone. "They will realize how big a project this is, and how much it demands from each. The Iowa spirit will move them to help put it across."

With the average office force, it would take four weeks to complete

(Continued on page 3)

22ND IOWA REUNION CLOSES WITH BANQUET

Officers Elected for Ensuing Year At Meeting In Court House

Veterans of the old twenty-second Iowa are separating after the convention which marked the fifty-fifth anniversary of their regiment.

The reunion closed last night with a banquet at the Congregational church. Thirty-three fighters in the war of rebellion exchanged reminiscences, impromptu, over the tables.

At a meeting in the courthouse yesterday morning the convention elected as its officers for the ensuing year: T. D. Davis, Iowa Ciy, president; George W. Brown, Iowa City, and E. J. C. Bealer, Cedar Rapids, vice presidents; and Samuel C. Jones, Iowa City, secretary and treasurer.

WANTED—200 STUDENTS

Are the students of this University loyal enough to volunteer their services in behalf of their alma mater next Wednesday afternoon? Is there any one who is not willing to come out and do his bit?

The Iowa Memorial Union must send out 30,000 information pamphlets to former Iowa students, by the evening of October 15. They are attempting this in their effort to raise $1,000,000.00 for the Memorial building to be erected in memory of the sons and daughters of Old Gold who served their country in our wars. This is a huge task but if 200 students give up one afternoon, they can address the envelopes, insert the pamphlets, and send them out in a very short time.

A part of your share of this work is to help send out the publicity matter. Is there any one willing to admit that he does not care enough for the former Iowans who served their country to give up one afternoon for this work?

Save next Wednesday afternoon from 2 until 6 o'clock for the Iowa Memorial Union. Be an Iowa booster and push this over the top. Upper classmen, show your spirit, and the right kind of enthusiasm for your University, and the Freshmen will follow your example. Everyone should do his bit and volunteer.

A DEMOCRATIC PARTY

"An evening of surprises.'

This is the slogan for the all-University party to be held at the armory and on Iowa field tonight. Besides surprises, other diversions are promised in sports, games, and contests, both humorous and serious. Refreshments, too, lend no small inducement for the guests.

A University party is the one big expression of democracy to which all students and faculty are invited once a year. It has a three fold purpose, to furnish amusement, to link the students into a closer union, and to foster a democratic spirit. Legion friends and a democratic spirit make for a greater University.

The aim of the party will be attained if you fulfill the opportunity which is yours tonight.

And now the campus is wondering who put the H--- in Pan-Hellenic.

Gary, Indiana, and Washington, D. C. are running a rare race for headline positions.

THE LISTENING POST

One is inclined to believe that President Wilson's condition would not be nearly so alarming were he just plain John Smith.

—

The high price of shoes is no great surprise on these cool October mornnigs. Ex-army aviators and ex-army aviators' sweethearts put leather on their backs nowadays as well as on their feet.

—

Which may remind you of a bit of sarcasm a "medicine man" spread many years ago. He had worked his audience up to the point of buying a bottle of cure-all at one dollar per cure, you remember, when an automobile passed his open-air stage, the motorist blowing his horn violently as he went by. The medicine man paused, and with a grin, said, "Just because a man owns a yachting hat it is no sign he owns a yacht."

—

One never can tell. It may be that way in the case of the leather coats.

—

"Kamerad!" Cry of Reds, shouts a Chicago Tribune headline. That means the Bolshevists of Russia, not Mr. Moran's collection of baseball stars.

—

"Now I will stop talking and say something." Add bright sayings of witty professors.

—

Another crisis passed in Iowa City Tuesday morning. The restaurants put sugar bowls back upon the tables.

—

While sixty industrial leaders of America are holding a parley regarding the problem of unrest, the strikes go merrily on. It looks like another case of Love's Labor Lost, minus all of the affectionate stuff.

—

The White Sox call him M'Eller.

—M. V. M.

team will entertain with some of its characteristic acrobatic stunts, and there will be a swimming meet, a girls' athletic event, and a peanut scramble as a few of the many stunts.

Strains of music emanating from the instruments of the University band will lighten the footsteps of the students as they pass along in their progressive trail from the front door of the armory to the back, and romantic music, coupled with moonlight scenes, is guaranteed to carry the freshman back to the good old times in the home town, when such things as homesickness and the rush of studies in the University were unknown. Upperclassmen and faculty members as well are not promised immunity from the spell.

Everybody Invited

Invitations to this event have been sent out to faculty members and to freshmen, but because of the difficulty in securing correct addresses at this time of the year, the committee fears that some may not have received their invitations. Those who did not receive these written notices, may be sure of a welcome at the party.

Boosters claim that this affair will be bigger and better than any of the big events which have been held at the beginning of each school year. Arrangements are in charge of Magdalene Grimm and J. H. Van Law.

political science and economics at St. Ambrose college at Davenport, gave short talks. Father Cone was a resident graduate student here last year and is still carrying on his graduate work by special conferences at regular intervals when he returns to Iowa City for that purpose. A social hour was followed by the serving of refreshments.

Wednesday evening, October 22, was set as the date for initiation of new members. This meeting will also be held in Majestic hall. After that, regular bimonthly meetings on the first and third Wednesdays of every month will be in the K. C. hall.

STUDENTS SHOW INTEREST IN MEMORIAL UNION

(Continued from page 1)

the work which 200 enthusiastic students can complete in four hours, he declares.

Make Plans Now

The organization throughout the state which will actually conduct the canvass for funds is being rapidly built up. Campaign committees in each congressional district are being appointed, with workers apportioned to each county.

Outside the state, in communities such as Chicago, New York, and Minneapolis, where numbers of former Iowa students may be found, publicity regarding the campaign which will raise a memorial to the sons of Old Gold who have served in the world war, the Spanish-American, and the Civil war, is being spread.

The campaign will culminate in the eight days immediately after home-coming, from November 21 to 29. In those days of intensive effort, the result of the campaign will be known, but the groundwork for these last days is being laid weeks in advance.

Y. W. C. A. IS SISTERHOOD

Field Secretary Defines Association at First Meeting

The Y. W. C. A. held its first meeting of the year Wednesday afternoon. Mary Anderson, president of the association and a senior in the University, presided at the meeting and conducted the devotional exercises.

Miss Bertha Cooper of the School of Music sang, "Still to Thee" by Hall.

The field secretary of the north central district of the United States, Miss Winifred Wygal, was the speaker of the afternoon. Her subject was "The Meaning of the Young Women's Christian Association." It was a vigorous message and to the point. "The Young Women's Christian Association," said Miss Wygal, "means a world wide sister-hood. Do the girls of the University want to be connected with it?" The speaker sighted several instances of direct work of Y. W. secretaries.

Miss Wygal completed her talk by telling the girls how to become democratic citizens. She said, "First search yourselves. The talents you have, the world needs. Find your place with reference to other people. Get out of yourself and apply your talent. Set a goal ahead and keep at it, and be ideal citizens."
