IOWA DEFEATS AMES 10 TO 0

HAWKEYES CRASH THRU AGGIE DEFENSE ON END RUNS AND FORWARD PASSES, CYCLONE BACKS MAKE SPECTACULAR RUNS

Parker Goes Over for Iowa's First Touchdown on Pass From A. Devine—Old Gold General Carries Ball for Many Iowa Gains—Boyd and Davis Tear Around Hawkeye Left Wing for Many Yards

Before a Homecoming crowd of 12,000 people, Iowa defeated Ames 10 to 0 on Iowa field, Saturday afternoon.

From the first whistle the Hawkeyes launched their attacks around the ends and aided by snappy forward passes carried the ball over the Cyclone goal line in the first quarter. Ames came back strong and long runs by Davis and Boyd carried the ball under the shadow of the Iowa goal posts where the big Hawkeye line held them for downs. Iowa was touted to win from the start but the red jersied men never gave up a white line without a stubborn fight.

Aubrey Devine made many long gains for the Old Gold and loomed up as the power behind Jones' offense. Captain Lohman hit the line hard and rang up many yards.

On Coach Mayer's eleven, Boyd and Davis, caused the Hawkeyes the most trouble by their ability to ramble out around the ends. In the forward wall Slater was responsible for many of the Aggie losses by continually breaking through the line and spilling runners for losses.

The Cyclones exhibited a surprising strength, forcing A. Devine to punt shortly after the kickoff.

The Ames backs opened up with a smashing offense and smashed through the Iowa team for many yards of territory before the astonished Hawkeyes could brace themselves. Iowa finally took the ball on downs and the mighty Old Gold backfield got under way. Long runs from punt formation by A. Devine coupled with forward passes, A. Devine to Glen Devine and to Parker brought the first touchdown before the first quarter ended.

The combination, A. Devine to Parker being responsible for the tally. A. Devine kicked goal.

On the kick-off A. Devine kicked to the Ames 16 yard line. White circled the Iowa left end for two runs of over 35 yards and these two spectacular gains placed the oval well in the Old Gold territory. Before Jones' men could stop the visitors they reached the Hawkeye's 3 yard line. Securing the pigskin here A. Devine immediately punted out of danger. A bad fumble took the punch out of the Iowa offense in the second quarter, A. Devine and Parker being the offenders.

Boyd, the midget Cyclone quarter, outdistanced A. Devine on punts slightly. Iowa made first downs twice as many times as Ames did during the first half. Parker's fumble was most costly for the Old Gold machine. He dropped the ball as Iowa was about to score for the second time.

Duke Slater, the giant negro, played a whale of a game in the first half and worried the Aggie backs by continually breaking through the line.

While the two teams were resting at the half the Ames and Iowa bands exchanged compliments. Bombs containing Iowa and Ames pennants were shot into the air and an unknown aviator circled low over the stands.

With a perfect football day and between 10,000 and 12,000 people in attendance the annual Iowa Ames game was called promptly on time.

Ames band of more than forty pieces appeared on the field at 1:35, with cheer leaders and an Ames attendance estimated at more than 1,000. Iowa cheer leaders and band playing Ramble followed soon after.

The crowd anticipating a rush at the gates assembled early, most of the temporary breachers and stand-

Wind from northwest. Observation tower at north end of field 25 feet high to take picture of the field and crowd. Every available space filled even to the trees and roofs of nearby buildings.

Ames team comes on the field at 1:50.

Iowa team comes on the field at 2:06. Iowa band plays Ramble and Iowa stand gives ovation.

Iowa won the toss and chose to defend the north goal.

Band played "Old Gold" and all arise for memorial ceremony to Fred Becker and Frank Grubb, old Iowa athletes who gave their lives for their country. Firing squad fires three volleys.

RIVAL ROOTERS IN BATTLE OF CHEERS AS CONTEST OPENS

Tingling November Weather Greet's Mammouth Crowd at Iowa-Ames Game

BANDS AID TEAMS' BACKERS

Old Gold Rooters Return Yells of Supporters of Cyclones—Enthusiasm at High Pitch as Affray Begins—Memorial Services Pay Respect to Becker and Grubb.

Tingling November weather greeted fans and players alike as the Iowa and Ames football teams trotted upon the field Saturday afternoon. Sunshine that had a bit of warmth to it touched off the gaily bedecked backers in the stands. The crowds began to arrive early and as the initial whistle sent the opposing elevens against one another, practically every bit of space was taken. Officials estimated the attendance at 14,000.

100 Ames Backers

Enthusiasm ran high in both sections of the stands. The Ames contingent, numbering approximately 1,000 students, backed by the band of sixty pieces let the Iowans know they were on hand. They sent out yell after yell and the volume was nearly as great as that evoked by the rooters of the Old Gold.

Is a Cheering Throng

In the Iowa section, a mass of chrysanthemums, worn by many of the spectators, presented a pretty scene. Iowa's cheer leaders worked the rooters hard. It was a nip and tuck battle in the cheering between the rival stands and the Old Gold backers arose to the occasion. Not once did they fall down on a yell.

The bands of the two schools won much applause before the contest and when they paraded during the intermission between halves, they again earned the plaudits of the fans.

Officials handled the big crowd in orderly fashion. Despite the rush there was but little confusion in seating the thousands who came to see the football classic of the state.

Memorial services held before the game in honor of Fred Becker and Frank Grubb, former members of the Iowa eleven who were killed in France, were very impressive. Bared heads in the stands, following the releasing of the American flag from a bomb high in the sky were evidences of Iowa's tribute to the two men who paid the supreme sacrifice for Democracy. The firing of a salute added impressiveness to the occasion.

TRI-CITY IOWA CLUB ORGANIZED BY STUDENTS

The Tri-City Iowa club was perfected and organized at a meeting held Thursday night at the Mad Hatters' tea room, where fifteen of the organizers met for their first official session. The club was organized for the purpose of furthering and promoting the interests of the State University in the tri-cities—Davenport, Moline and Rock Island—and several intensive campaigns are now being mapped out. It is also the aim of the club to promote a spirit of good fellowship among the residents of these cities.

The organization is to include men of the University. At the present time there are twenty-one members in the club. The officers for the organization, elected at Thursday night's meeting, are:

President, David N. Richardson; vice president, Robert Kauffman; secretary-treasurer, Louis Sears; manager, Carl Matthey.

BRIG. GENERAL BABBIT IS HOMECOMING GUEST

Brigadier General Babbit, West Point '84, was a guest of W. O. Finkbine during the Homecoming festivities. General Babbitt returned from overseas where he served with the fourth field artillery brigade last spring. Until recently he was commanding officer at Camp Dodge.

General Babbit is an enthusiastic supporter of athletics and is now on his way to the east where he will attend the West Point-Annapolis game next week.

FROSH DRUB SOPHS IN ANNUAL CONTEST

Johnson Plays Game With Two Broken Ribs—Two Thousand People Witness Fray

Shirts were torn, clothes were caked with mud, and noses were bloody before the Freshmen were able to down the Sophomores 2 to 0 in the pushball contest on Iowa field Saturday morning at 10 o'clock. Two thousand onlookers watched the battle which was hard fought throughout.

Stewart Short captained the freshmen in the first assault, aided by Ty Smith in the second. Alfred Ehrsmann, sophomore president, captained the Sophomores in both frames. Van Epps, freshman president, speaking of the sophomores said, "There sure put up a plucky fight, particularly in the last of the three sections when they were outnumbered two or three to one." One freshman, Arthur E. Johnson, went into the game with two broken ribs, claiming that he couldn't possibly keep out of it.

In the first half, the freshmen had things pretty well their own way and easily scored one point. The second half was fought with more determination by the sophomores. The second half ended disastrously for the sophomores. Two of the sophomores' mainstays were Walter E. Barnes and Nathan Smythe.

JUNIOR ENGINEER HAS NARROW ESCAPE

Vernor R. Muth, Member Student Council, Injured When Wire Short Circuits

Vernor R. Muth, a junior in the college of applied science and representative on the student council from that college, narrowly escaped serious injury or possible death electrocution yesterday morning.

He was helping decorate for the celebration dance given by the student council in the women's gymnasium Saturday night, when an electric wire short circuited and charged the steel beam on which he was working. He was unable to jump or fall from the beam and no one was in the room at that time.

The timely return of Arthur Rosenbaugh, another member of the council committee, and the fact that his efforts to get off the charged beam, broke the electric circuit in some way and shut off the current, saved Mr. Muth from more serious injury.

DIES BY ASPHYXIATION

Asphyxiation was responsible for the death of Mrs. Bertha Tibbitts Hilliard and son, Oran, at Richmond, Indiana. The husband, George H. Hilliard, was the former principal of the University's elementary high school, and is at present connected with Earlham college.

\$10,000 CLUB TO BE ORGANIZED AS PART OF UNION CAMPAIGN

Representatives from Every Section of Iowa Attend Conference of Campaign Workers

GIVE DETAILED REPORT

Finkbine of Des Moines Says Business Men of State Must Get Behind Movement—Cedar Rapids District Over in Week, Chairman Declares.

"Governor Lowden's contribution of \$10,000 to the Memorial Union is only a beginning," Rush Butler of Chicago, and chairman of the Union workers in that city, said at a meeting of the district and county chairmen held yesterday morning. "There ought to be formed a \$10,000 club."

W. O. Finkbine of Des Moines says he will give the big portion of \$10,000 and guarantees that friends of his will make up the amount. Carl Kuehne of Denison says he will become a member of the club by giving \$5,000 and getting a similar amount from a friend.

Will Put it Across

"It is a privilege to give to this Memorial campaign. We're going to put it across." This is the message to alumni of the University everywhere, which is being sent out from the meeting of district and county chairmen held here this morning.

Practically every county in the state was represented at this morning's meeting. Report of the organization which is ready to be touched off in ten days intensive canvass for the \$1,000,000 goal, was given in detail.

All Should Give

"We are going to put across the campaign in the Cedar Rapids district in one week," declared H. E. Spangler of Cedar Rapids, chairman of that district. "Everything there is ready to go."

"The business men of the state must get in on this big thing," said W. O. Finkbine of Des Moines. "Whether or not they are alumni of the University, they should be glad to give to something which will be for the betterment of the University and of Iowa."

F. W. Sargent of Des Moines, president of the University of Iowa Association and chairman of the campaign committee, Rush Butler of Chicago, W. O. Finkbine of Des Moines, William Franklin Moore, of Guthrie Center, Senator C. G. Saunders of Council Bluffs and Dr. Gordon R. Harkness of Davenport were among the speakers this morning.

A report of the canvass among the students, which is progressing satisfactorily, and which will reach every student of the University by the middle of next week, was given at the meeting.

FRESHMAN WOMEN WIN FIELD BALL GAME

The freshmen women won the field ball contest against the sophomore women Saturday morning on Iowa field with the score of 18 to 4. The game was played in four quarters of eight minutes each, with 2 minutes intermission, and with five minutes between halves. In the second quarter Wallace was substituted for White on the freshman team, but White was able to play in the last two quarters.

A large crowd remained after the pushball contest to see the game. There were but few fouls called on either side.

MEMORIAL LOCATION

Four locations have been suggested for the Memorial building, namely,—back of Old Capitol facing the river, on the corner of Iowa avenue and Clinton street where Unity hall now stands, on the West side of the river, and at the end of North Capitol street, about three blocks from the central group of University buildings.

It is hoped that those entrusted with the selection of the site will keep in mind the University, not as it is now, but as it will be at some future time. It is also hoped that they will give due consideration to an appropriate background or setting for the building.

To place this memorial at the foot of the hill back of Old Capitol would seem to belittle its dignity. So large a building as is being planned would appear rather awkward and out of place in that location. The corner

of Iowa avenue and Clinton street, while easily accessible, would afford practically no lawn. From the point of view of a beautiful setting, the West Side location would perhaps be most advantageous, since greater space could be secured and the elevated position would produce the desired effect.

But the consideration of utility should enter also. It is not probable the headquarters of the University will shift across the river. The present tendency indicates that it will expand along north Capitol street; two new buildings are to be erected on that street, a chemistry building and a botany and geology building. Thus in a few years, the site on North Capitol would not seem so far from other buildings as it now does. It would be favorably situated and easy of access. From the standpoint of setting, this site would be equally desirable, since greater ground space could be secured than in any of the other places except on the West Side, and the lawn could be terraced from the river.

If this building is to be all that is hoped for, its location should not be hastily settled; every effort should be expended to make it "a thing of beauty and a joy forever."
