## Y. M. C. A. TO CHOOSE OFFICERS FOR YEAR IN MONDAY ELECTION

Every Member Eligible to Vote Under New Method Adopted By the Association

### TWELVE MEN ASK HONORS

Four executives and Two Advisory Board Members to be Named Tomorrow—Polls Will Be Open From 9 O'clock in Morning Until 5 O'clock in the Afternoon

Election of officers for the Y. M. C. A. will be held in the Y. M. C. A. building tomorrow. The polls will be open from 9 a. m. to 5 p. m. All members of the Y. M. C. A. are eligible to vote.

The nominating committee composed of Dean W. J. Teeters, Prof. A. C. Trowbridge, William S. Kelly '21, Allen H. Herrick '20, and Ray W. Clearman '20 have nominated the following men as candidates for officers of the association for the coming year: President, F. K. Shuttleworth and J. H. Van Law; vice-president, M. A. Conrad and B. M. Biersborn; recording secretary, H. C. Bone and William Goodell; treasurer, M. E. Sweazey and L. E. Anderson.

### New Method of Election

In former years the association officers have been chosen by the Y. M. C. A. cabinet in consultation with the advisory board. The method of election to be followed this year, in which all members of the association will be given an opportunity to vote, was adopted with the purpose of making the selection more expressive of student opinion. The nominees are making a vigorous campaign for votes.

The four officers to be elected will compose the Y. M. C. A. cabinet together with eight committee chairmen chosen by the officers. They will act in consultation with the advisory board and the general secretary, R. H. Fitzgerald. The cabinet is the official body of the Y. M. C. A. and transacts all business of the organization.

## WOMEN DEANS DISCUSS STUDENTS' PROBLEMS

Lillian Dimmitt of Morningside College is Named Head of Organization

Problems connected with the social life, democracy, government, and general welfare of the college student were discussed at the last session of the seventh Iowa state conference of deans of women held Saturday morning in the liberal arts drawing room.

The advantages and disadvantages of student government were reviewed by Dean White of Des Moines college in her report of a speech which Dean Kerr of Milwaukee Downing college gave before the National conference of deans of women, which was held in connection with the National Education association at Cleveland, February 23 to 27.

At a business meeting following the regular session, Miss Lillian Dimmitt of Morningside college was elected president of the organization and Miss Gertrude Madison of Cornell college, was elected vice-president.

## PLAY LEADING ROLES IN "COUNTRY COUSIN"

Arlen J. Wilson and Lucile Everett Will Head Cast in Annual Hep-Zet Play Wednesday Evening at the Englert

## FINAL CAST IS CHOSEN FOR LIT PLAY AT ENGLERT

Four acts of laughter and fun are promised the audience by the management committee when the curtain goes up at 8:15 o'clock on the "Country Cousin" the annual Hep-Zet play, at the Englert theatre Wednesday night, March 3. The leading parts will be played by Arlen J. Wilson, Phi Alpha Delta and Lucile Everett, Gamma Phi Beta.

Some changes have been made in the cast of the play according to Prof. Edward H. Lauer of the German department, who is coaching the players. Yesterday he gave out the final arrangement of the cast as follows:

George Reynolds III—Arlen J. Wilson	Lucile Everett
Nancy Price	Marjorie Peters
Mrs. Howett	Esther Sharpe
Eleanor Howett	Grace Altschuler
Maud Howett	Joyce Brady
Athalie Wainwright	Adele Kimm
Mrs. Kinney	George Short
Stanley Howitt	Clarence Fackler
Archie Gore	Warren Lawrence
Cyril Kinney	Glenn Thompson
Sam Wilson	Harold Ofelt
Blake	B. F. Kilgore
Pruitt	

William J. Wehrli, law '20, is managing the players.

Hubert Matt is conducting the ticket sale, and Harold Merry is acting as advertising manager.

## ADD STUNT RACES TO SWIMMING MEET

Minnesota Here Saturday For First Conference Tank Match Ever Held at Iowa

Several stunt races besides the regular swimming meet will be on the program at the Iowa-Minnesota swimming meet here next Saturday night, according to Coach David A. Armbruster.

Among the stunts are a night shirt relay in which each swimmer must swim the length of the pool twice in a night shirt then give the shirt to the next man who will repeat the performance, a game of bell tag in which all contestants are blindfolded and try to catch the man with the bell, and a potato race. Probably the freshman and varsity swimmers will have a water basketball game.

"This meet will be the first conference meet of its kind ever held here and the future of swimming at the University will depend on the interest shown," said Mr. Armbruster. "If enough students attend the meet swimming will be made a leading sport here as it is at Illinois, Northwestern and Chicago."

Bleachers will be made to accommodate 400 spectators and the admission charge will be 50 cents.

### FORMER STUDENT DIES

Word has just been received by E. M. Cook '22, Kappa Sigma, telling of the death of his sister Mrs. Walter A. Newport '16 at her home in Lake Andes, S. D. Mrs. Newport, who was formerly Ellen Katheline Cook, was a member of Phi Beta Kappa, honorary scholastic fraternity, and Delta Gamma sorority. Her husband, Walter Newport, was graduated from the college of law in 1915.

## MOVIE MANAGER GIVES GIRL \$10 FOR HER TROUBLE

Golden Sylvester, liberal arts student, who, on account of social regulations, was forced to cancel her agreement with the Strand theatre to spend one night in a coffin in the graveyard, has been awarded \$10 by Thomas A. Brown, manager of the theatre.

The offer of \$20 to any woman who would go through this ordeal is now off, as is the like offer to all others. "Since there would be no more publicity in leaving this offer open when Miss Sylvester has shown her willingness to accept, I have withdrawn the offer entirely", said Mr. Brown yesterday. "In order to repay Miss Sylvester for her time and trouble, and the censure which she has received from University authorities, I have made her this gift."

## JUDGE QUOTES FRIVOL IN CURRENT NUMBER

That Frivol, the University's humorous magazine, ranks with the leading university magazines of its kind, is evidenced by the fact that two of its jokes appear in the "College Wits" section of the February 21 issue of Judge, national humorous publication.

Although Frivol has been quoted in virtually all the best university humorous publications, this is the first time it has appeared in a national magazine so far as it is known.

### TO HOLD OPEN MEETING

Chi Omega sorority, in accordance with a national policy of the sorority, will hold an open meeting for the discussion of a special phase of economic opportunity for women at 8 o'clock tomorrow evening. All University women are invited to the meeting.

## MANY NUMBERS ON BAND PROGRAM TODAY

Fifty Pieces to Make Up Organization in First Sunday Concert This Afternoon

Fifty pieces make up the University Regimental band which appears in the first of a series of free concerts in the natural science auditorium at 4 o'clock this afternoon. The band will play a musical program of six numbers with encores.

All featuring numbers will be encores, Dr. O. E. Van Doren, band director, explained yesterday. Among these a saxophone sextet specialty and a novelty saxophone solo by Edwin Bohac L A 3, are announced.

The only novelty in the printed programs is a descriptive piece, "The Forge in the Forest" by Michaelis.

The number attempts to picture a daybreak scene, opening with night, then morning, introducing quail calls, birds, and animals, a brook, the cathedral bell, morning prayer, and thee forge.

To correct a prevalent impression that no person would be admitted after the first number of the program, Dr. Van Doren said that the only restriction on admission would be during the playing of any piece.

No date is announced for the next concert, but it is estimated that it will be played in about five weeks.

### SORORITY GAMES TUESDAY

The next inter-sorority basketball games will be held at the women's gym, Tuesday evening at 7:30 o'clock when Pi Beta Phi will play Delta Delta Delta, and Delta Gamma will meet Alpha Chi Omega. The games were postponed last Tuesday evening on account of the play, "Nothing But The Truth," and on Thursday because of the pageant given in the natural science auditorium, and the Pan-Hellenic dinner.

## FORTY STATE TEAMS TO FIGHT FOR IOWA 'PREP' TITLE HERE

Entries to High School Basketball Tournament Are Being Received Each Day

### VICTORS TO RECEIVE CUP

Winner And Runners-up Will Be Given Trophies by Athletic Board While Team Members Will Get Gold and Silver Charms—May Cancel Girls' Meet

At least forty Iowa school basketball teams will compete for the state championship title in the tournament to be conducted by the University here March 18, 19 and 20, according to Howard H. Jones, director of athletics. Coach Jones is receiving entry applications daily and the actual number of participants cannot be determined until after March 1, when the entries close.

Two loving cups will be presented to the winner of the tournament, one to be the permanent possession and the other to be held only as long as that school retains the state championship. If any school wins the title for three years this cup will remain a permanent possession of that school.

### Winners Get Charms

Each member of the winner team will be presented with a small gold basketball, suitable for a watch charm and members of the other team playing the finals will receive silver baskets.

The Athletic Board will pay the expenses of the eight teams that place highest in the tournament. Lodging will be provided for all teams, and meals for the men will be furnished at cost.

### Women May Not Meet

Marion R. Lyon physical director for women, and Coach Jones have not completed the plans for the proposed championship tournament for girls to be held at the same time as the men's tournament. Several schools have answered Mr. Jones' letters asking if they favored the plan and wished to send teams, but only a few have agreed to send teams. If more favorable replies are not received the tournament will be cancelled, according to Miss Lyon.

## MAT TEAM MEMBERS DEFEAT CHALLENGERS

Devine and Vana Retain Places On Squad, Beating Scott and Warren Hayes

Glenn Devine and Edward Vana of the 158 pound and 125 pound class respectively, retained their positions on the Varsity wrestling squad yesterday afternoon when they defeated Scoaa and Warren Hayes respectively, who had challenged them for a berth on the squad which meets Illinois March 6.

Vana won by a decision and a fall in 3 1-2 minutes from Hayes. Devine won by two decisions from Scott. Hewicker has challenged Francois in the 135 pound class which contest will come off Monday. Francois should have little trouble in defeating Hewicker, dopsters say. Horn and Scott are the only two men who have won a place on the Freshmen wrestling team thus far. Horn secured a fall and a decision over Wirth in the 158 pound class

**OLD FASHIONED COURTESY**

Comes now a class of undergraduates who have altogether freed themselves from any old-fashionedness in the matter of ordinary courtesy.

When Prof. W. F. Swan, of the University of Minnesota lectured in liberal arts assembly room last Wednesday evening some restless students displayed a very obvious lack of this quality by throwing one cent pieces upon the platform.

This procedure placed the good man in a humiliating position. It classed him with the beggar children of seaport towns who scramble on the wharf for cast off pennies of steamer passengers; it rated him with starved outcasts of oriental villages who dance in the dusty streets for almost valueless coins.

But it placed the careless student in a much less dignified position. They voluntarily ranked themselves with the unregardful savages who at the first impulse of restlessness or displeasure follow the path of least resistance, and display primitive emotions in a crude manner.

Granted that the Professor's lecture might have been less interesting than possible, and that the occasion offered marvelous opportunity to display one's free-handedness to the young women present, a little more evidence of old-fashioned courtesy would have looked better from an audience of university students.

**MORE AMES' SPORTSMANSHIP**

Iowan readers will be interested in the editorial below, reprinted from the Iowa State Student of February 25. Coach Howard H. Jones invites anyone interested in the veracity of the following statements to look up

the records at his office.

The editorial follows:

"Iowa will have two champion high school basketball teams if plans go through as they have been mapped out. Iowa State and Iowa University have both arranged tournaments and many schools have indicated their intention of attending these meets. Both schools maintain that their affair will determine the team which can rightfully be called the one and only champion on the high school basketball court. Both schools will give gold basketballs to the winning team and silver basketballs to the runner ups.

"In a story which recently ran in the Register, the Iowa City correspondent, would have his readers believe that Iowa was the first school in the state to offer a tournament to determine the champion prep school basketball team. This statement must have been made without investigation as it can be easily proven that Iowa State College was the first school to come to the front in offering a tournament. It seems that Iowa was caught napping and instead of admitting their defeat in the matter, they are attempting to 'steal our thunder' by staging a meet which includes any team that can scrape up enough money to make the trip to their institution.

"The teams that will play here will be of the highest class in the state as their records will be looked into before they are issued an invitation. This method of picking contestants is alone proof that the tournament is a championship affair. The winner here can rightly claim that they are peers of any five in the state. This claim can be further strengthened by the fact that the authorities that are staging a tournament at Chicago University have invited the winner and runner up of the Iowa State tournament to compete in Chicago. At this tournament the state cham-

pion prep team from about ten state will meet for honors of the middle west.

"It will indeed be an empty honor for those teams that are declared winners at Iowa City. They can hardly say that the teams that have been picked to represent the state at a midwest tournament are imposters."

Iowa State supporters need not worry over the calibre of teams that will perform on the local gym as most high schools will look at the matter in its true light and act accordingly."

# The Masterpiece

The highest point of skill, the greatest degree of perfection attained in the production of cloth is found in Hart Schaffner & Marx Evening Clothes. The fabrics, the cut and the finish give them the preference at the most elaborate fashion centers.

The chances are that you won't need a dress suit every week, but there are always going to be occasions when one will be demanded of you.

There's a great personal satisfaction in owning your own.

Remember that a dress suit is almost a ten year investment. In the long run, it is cheaper and better to buy than it is to rent.

# THE BIG EVENT?

There's a Raisin in it

## YOU'D BE SURPRISED

Have you ever been forced to make the supreme decision—the "Big event in your life?"

**THE LISTENING POST**

If suggestions are in order we have a simple plan for solving the question, "Shall the University adopt the Honor System?" Merely eliminate the examinations.

Some bright politician whose policies do not jibe with those of Mr. Wilson's might be able to compose a campaign song with a title "The President sleeps in his White Bed all day, while Mrs. Wilson Runs the Country."

"Suppose I invited you to a party and let you in by the kitchen door, but permitted you to go no further than the kitchen," asked Mrs. George Harnagel at the state democratic convention in Des Moines on Wednesday. If the food was in the kitchen it would be perfectly all right.

Only five more nights for the Junior Prom committee to lose sleep.

An observant printer caught this in some copy of The Organizer: "Be sure that your spelling and GRAMMER is correct."

The position which professors hold makes it easy for them to tell old jokes and get away with them. Students laugh at their efforts in order to remain in their good graces. This is psychology.

For instance, the other day a history professor cracked William H. Seward's remark to an unruly audience—you remember the one in which Mr. Seward pulls out his

watch and shouts, "It is 11 o'clock, I'm going to church; you can go to hell!" Really, that one can't be over sixty years old.

A prominent member of Staff and Circle remarked yesterday that "you felt awful foolish when you put these things on," indicating a cap and gown. We know a fine way to avert that feeling.

Since H. E. F. conducted this column last Friday morning, several requests have been made by students who aspire to be humorists. They want to write the Listening Post. They have our permission.

Now that the basketball season is over perhaps we'll hear something about the Pan-Hellenic bridge whist tournament.

Hint to University women, whose skirts are brief: Beware the winds of March! M. V. M.

**THE HONOR SYSTEM**

In stating objections to the Honor System at Clark College, Worcester, Mass., President Edmund C. Stanford writes:

"The chief arguments against the undertaking of the system here were, first, that we had a genuine Honor System already in operation, though an informal and unorganized one; second, that the requirement of any pledge at the end of examination papers and the like was something of an insult to honest men—like asking a reputable man to hang up a sign in his store that he does not use short weights; and, third, that it is no honorable student conduct to bring cheating of a fellow student to the notice of the authorities either in the student body or in the faculty.

"It is my idea that a good deal of what might be called cheating—for example, the transcription of notebooks when these must be submitted to the instructor, or the obtaining of translations by weaker students from the abler in the daily work—are matters which are determined in a large measure by student custom, and never raise the

question of conscience with many students honest intention who make use of them. In such cases the matter lies largely in the hands of the instructor, who usually can get the work done in the way he desires by making clear just what he wants."
