Bigelow Attributed Blow to Late-
ness of First Conference Game

To be Played at Iowa

- Twenty-four Conference en-
terprises are guaranteed this year, whereas last season
they numbered eight. Twenty-four Conference en-
terprises are guaranteed this year, whereas last season
they numbered eight.

The winning team, however, is in a position to
prove that the football band
will be the best of the
season, and it will be
the first football game to be played at Iowa
Field since the previous
year, its date having
changed.

The exciting spectre of the clas-
sic game between the
Iowa and Illinois teams is
an element that makes
the first week of the
season appear as
typical of a college
football game.

The excitement is
produced in the
fanaticism of the
students who
are not likely to
be left out of the
football band.

The students
are expected
to make a
showing here, as
they did last year.

Miss La Sha, New York Enterprise Student Social and
Business Affairs at Party Last Night

The purpose of the dinner, which was held in the
home of Mr. and Mrs. J. H. Sha, was to
celebrate the anniversary of the
inception of the magazine, which
was organized in 1910.

The guests were entertained by
the Grillers, who performed a
number of songs and dances, and
by the Quartet, which
played several popular songs.

The evening was a
success, and the
company enjoyed
themselves.

REGISTRATION SETS MARK

Enrollment Figures Pass Total

Registration in all colleges has now passed the total mark set
by the University last year.

The total enrollment is 4,500
students, which is a growth of
200 students over last year.

The increase is due to
the increase in the number of
freshmen, who now number
1,200.

The increase in the number of
freshmen is due to the
inability of the University
to admit as many students as
were expected.
