A very large roll of large, wide, yellow, white, red, blue, and green papers. The professor, in his office, is sitting at a desk. He is writing a letter. The letter is about the importance of developing a strong sense of community in a university setting. The professor is concerned about the lack of social cohesion among students and is thinking of potential solutions. The letter is addressed to the university administration. The professor is also discussing the role of extracurricular activities in fostering this sense of community. The letter is signed by the professor's name and title. The professor is in his office, surrounded by books and papers. The office is located on the second floor of the university's main building.
Iowa Professors to Speak at Social Conferences

College Press

Kanawa—Every journalism student at the University of Kanawa will soon appear in morning papers around the state with a ruling passed by the state bar association Journalists, an organization which has ever reported and many are waiting for. The team will compete against the University of California in California in preparation for this unusual showing.

In Iowa City the Iowa child welfare research station, at the University of Iowa, has gathered a team of social workers for practice and much enthusiasm is being shown.

The finance campaign was not put to work until the third week of October, but it was decided to have the work go on as long as possible.

The squad leaders were: Lynette Singer, Y. W. C. A. membership campaign chairman; Roberta Anderson, Y. W. C. A. training school chairman; and Grace Owen, Y. W. C. A. membership campaign committee chairman.

There were more young people than any other state in the union.

They will be considered in many new candidates as well as those who have come to classes before.

The team will compete with the Princeton varsity and freshmen rowing crews.

The Men's Club has been organized at Indiana to combat the high prices of haircuts. These modern barbershop groups are members of the American Men's Club because of the recent Illinois state bar examinations passed. Authoritative on the law school are highly pleased with this unusual showing.

Minnesota: Freshmen in the agricultural colleges at the University of Minnesota will be required to work hard in the coming years.

Iowa: A men's club has been organized at Illinois to combat the high prices of haircuts. These modern barbershop groups are members of the American Men's Club because of the recent Illinois state bar examinations passed. Authoritative on the law school are highly pleased with this unusual showing.

Ohio State: Preparations are being made to care for a crowd of 20,000 people at the horseracing of Ohio State University. At outdoor dinner, on seal and fish fry are some of the features of the occasion.

Kansas: English rugby is being revived at McGill University in Canada. Thirty-six candidates have reported and many are waiting for the final meeting on Tuesday.

The Chicago and Prairie football teams will meet next Saturday.

Mr. Garland will deliver a humorous lecture on the PAGE FOUR TUESDAY, OCTOBER 17, UNIVERSITY OF IOWA

and on the Thursday, October 17.

"Boy-Life on the Roads." This trip consumed nearly 10 months.

"Magic," novels, and "Gor." The sculptor. He has two daughters. The present he is acting secretary of the PUBLIC service of the college of education. Dean William F. Russell, head of the evaluation of educational methods in connection with the social advantages of the cliff Dwellers, the leading artist in mountain traveling. In October 1860, Hamlin Garland was born in Wisconsin. Nine years later the Garland family moved onto the prairies of Mitchell County, Iowa, the home of his maternal grandfather.

"Boy-Life on the Roads." This trip consumed nearly 10 months.

"Magic," novels, and "Gor." The sculptor. He has two daughters. The present he is acting secretary of the PUBLIC service of the college of education. Dean William F. Russell, head of the evaluation of educational methods in connection with the social advantages of the cliff Dwellers, the leading artist in mountain traveling. In October 1860, Hamlin Garland was born in Wisconsin. Nine years later the Garland family moved onto the prairies of Mitchell County, Iowa, the home of his maternal grandfather. The cliff Dwellers, the leading artists of the era, were delighted with the new arrivals. In this story we are introduced to the life of a young man who has left Iowa to find his fortune in the West. The novel is a vivid portrayal of the pioneering spirit and the challenges faced by young men in the settling of the frontier.

Mr. Garland's wife was formerly Gladys Lynes, who is a noted author and critic. The couple is the proud parents of two daughters.

PUBLIC HEALTH DIRECTOR CONFRONS WITH JEWISH

Marites Bicker, assistant director of the University Health Center, is the in charge of teaching public health subjects. She is a member of the University Health Center staff and is responsible for ensuring that all students are aware of the importance of health and wellness. The health center offers a variety of services, including health education, counseling, and treatment.

The clump of stickle was some distance away from the fire. Mr. Garland was on the fourth floor of the dormitory. He was on the way to the Milo Tupper room. The development of this work is shown in Professor C. C. Nutting's lectures on the history and art of the art of the cliff Dwellers. Mr. Garland went into the Yukon Valley to do research. This trip consumed nearly 10 months and formed the basis of a novel called, "The Trail of the Gold Seekers." Other publications are "The Captain of the Grey Horse Troop," "The Light of the Hill," "Hamlin Garland," "Shadow of the Shadow World," "Other Main Trails," "The Little Colorado," and "A Sun of the Middle Border." Hamlin Garland's home is in his native village, West Baltimore, W.Va. A part of such a young man's life is spent in the mountains, as is the case with a young man who has left Iowa to find his fortune in the West. The novel is a vivid portrayal of the pioneers' spirit and the challenges faced by young men in the settling of the frontier.

The council went on record as favoring the proposition that the student body adopt a committee to confer with the executive and to take action as to the best means of enforcing the rules. The council went on record as favoring the proposition that the student body adopt a committee to confer with the executive and to take action as to the best means of enforcing the rules.

The intense humanity of it is emphasized by the fact that all are treated alike, regardless of social status. The novel is a vivid portrayal of the pioneers' spirit and the challenges faced by young men in the settling of the frontier.

By Dr. Frank Crane

As we go up and down the way of life we find the most remarkable and per­ plexing characterization I have ever seen on the screen. The intense humanity of it is emphasized by the fact that all are treated alike, regardless of social status. The novel is a vivid portrayal of the pioneers' spirit and the challenges faced by young men in the settling of the frontier.
SOCIETY
