An open date giving the Hawkeyes squad two weeks practice in running and blocking. Coach Jones keep shifting his men especially in the backfield, saying he wants to make as many as possible as good as he can. For asymptote that can show the stuff that might not eat into them. He again played the halves and both lines together, giving them as much freedom, but the lines they will be running against will be the team against which they will face or the team in the week in which they will be faced. Rowley said, "At the line and the line, we have been given a chance to play in the game of the year.

Herbert L. Willett, who will give the address in Natural History, attended Sunday school.

HA W K E Y E CHIEF WARNING JUNIORS HURRY PICTURES

The rate at which members of the Junior classes of the various colleges are having their Hawkeye pictures taken must be speeded up, according to Carlton Ernstene, editor of the 1921 Hawkeye. Only 108 Juniors have had their pictures taken as yet. Every junior in every college on the campus must have his picture taken by November 25.

"The Hawkeyes in the publication of the Junior class and is to a large extent reflective of the spirit of the class," said Ernstene. "Without the cooperation of every member the annual cannot be made a great success.
