Iowa City Publications Merge and Appearance of the Iowa City Press-Observer, tomorrow afternoon, marks the conclusion of the two Iowa City dailies which have operated separately, the Press from 1841, the Citizen since 1891. The new publication will have the name of The Press-Observer, 218-220 S. Coral St., etc., the former publication office of The Iowa City Daily Press. Merging of the interests of the two papers, the Press, democratic, and the Citizen, republican will make the new daily independent of political parties it is announced. Three-fourths of the interest in the Press-Observer company will be held by S. E. Carroll, former owner of the Press, E. E. Johnson, Citizen owner retaining a one-fourth interest in the new company, but retiring from work. Negotiations for the merger were completed yesterday. The union was attributed to the solidarity of the two papers, the Press and other material advantages to the name under the increasing cost of print paper and other essentials of production. Incorporation of the newspaper company with that stock of $80,000 is expected soon. S. E. Carroll will be president and manager of the company, and M. A. citizen secretary and treasurer. Structures will be E. E. Johnson, S. E. Carroll and Dale E. Carroll. To willing from weekly work, Mr. Jackson announces that he expects to return soon to Iowa City.

The Best Amusement Organization Ever on Tour Coming to the Englert Theatre

Iowa City -- 1 Night
Tuesday, November 16

In announcing Gay States Post and his excellent company as the best amusement organization ever placed on our stage I am only expressing the opinion expressed by every theater manager where this magnificent attraction was presented.

When negotiations began to be heard by Post from UNIX, in the United States during the present season, our Manager, Richard Walton Tully, had already completed arrangements to have Mr. Post and his excellently equipped company appear in Mr. Tully's theater in London in both "Grand the "Theater of the World" in the former seasons and "The Masquerade," in which Post has been so phenomenally the past four seasons.

The Associated Theater Managers of the United States did not reply to the plan of having the two famous Dramatic Attractions Gay States Post and Southern Markham, both absent from America at the same time, and Mr. Post had not recently returned from a successful season in England and France. The Gay States Post company, however, was able to make a prolonged run in London and the English Province. The same excellent company that was here presented London will now receive the visiting cities of the United States, and, expecting fine times in Irish in the same company that is currently enjoying such a splendid success in the home country, and continuous review—of the same wonderful costume equipment—sufficient to maintain a double reviving stage, in two mechanical crowds—in triple electrical equipment and invaluable resources that require three mammoth ones to transport, will visit Iowa City, Sunday, November 15.

The stage of the ENGLERT THEATRE is large enough to accommodate any attraction that has ever visited this city, but the stage must be cleared of every vestige of house scenery and properties, to accommodate Mr. Post's massive production.

The box office will be open for regular sale of seats Saturday, November 15.

MAIL ORDERS will be filled in order received, when accompanied by check or Postoffice money order. Together with all additional stamp remittance. Uniform and money order on UNX.

The mail orders and advance sales are the order of the day, and will be handled by Mr. A. J. Busby. Manager Englert Theatre.

No one should telephone the box office. Postoffice 315

Mr. Post will only play Waterloo, Iowa City and Burlington in the state.

147 SCHOLARSHIPS GRANTED

Madison, Wis., Oct. 30—The University of Wisconsin committee on loans and scholarships has awarded non-resident scholarships to 147 out-of-state students. This means that Wisconsin has secured from tuition fees 167 men and women, representing nearly every state in the union, two men from China, and one from South Africa.

Scholarships are granted in a basis of need, worth, and good grades. The average required grade is good, with no failures, incompletes or conditions. This rule, however, is sometimes relaxed in unusual or case of students who may be needed the best, technically, in some way, but who can prove that they need and deserve such assistance.
