Freshie Caps to be Burned After Saturday's Game

The Howell 28, A.F.L., Intercollegiate baseball, will play all other organizations directly repre sented in the conference. There are several caps made up to favor the bringing of this team to an early game on Saturday night, according to John Jones.

The caps will be burned in a barrel which will be built on an English field at the University of the State, according to John Jones.

East 25 west and west is East

In the last two or three years the old barrier somewhat of rivalry, somewhat of misunderstanding between eastern and western colleges and universities has been more or less broken down. There was a time not so long ago when the man from the western institution may have been rather incorrectly expected in the East as a drooping sun of the air with a smaill band learning and not so processes a small college of education, and the man from the eastern college was mechanica!ly connected with a man, a stick, and a bull pup, with that misstatement because some sort misunderstanding between educational institutions in Committee on Education. What man doesn't like his pipe? There's nothing whets your smoke desires like seeing a good pipe lying around.

Because you know that in it is the only real smoke satisfaction.

Your appetite will be doubly whetted if it is a W D C, because W D C Pipes all the sweetness and mellowness of the genuine French briar is brought out by our own special seasoning process.

There's no other pipe like W D C Pipes are good to look at. The designs are pleasing and workmanship perfect. You'll agree with us that our craftsmen are accomplishing their purpose—to make pipes that are without peers in all the world. Ask any good dealer. Be sure and look for the Triangle trademark. It's a guarantee against cracking or burning through.
