IOWA STUDENTS ORGANIZE NEW DRAMATIC CLUB

Eight Campus Organizations Join In Associated Enterprise

Foster Better Productions

Various Societies Elks Representative to Board of Governors—National organizations in the University Union Theater, to Realize Cooperation, have been organized on the campus. A small number of the college of governors who is concerned in the work of one or more of these organizations that cooperate in the work of the college is now being organized and will be in charge of the new organization, which is called the Associated Dramatic Clubs.

There are plans for the Associated Dramatic Clubs to cooperate in the work of the college. The Associated Dramatic Clubs will be open to all students, with the exception of in-eligible students. The Associated Dramatic Clubs will be open to all students, with the exception of any students who are not members of the Associated Dramatic Clubs. The Associated Dramatic Clubs will be open to all students, with the exception of any students who are not members of the Associated Dramatic Clubs. FRATERNITY GRADUATES

Editor of the Daily Iowan

Some fraternities on the campus, because of a low average in grades, are in danger of losing the privilege of initiating men, if the present provision for fraternity averages is enforced. The situation here might be greatly improved either by a change in the present ruling, or by the adoption of a plan by means of which men who have only been in the University a short time.

About the best method of handling this situation is the solution that is used in many of the larger Universities of the country, instead of absolutely prohibiting a fraternity from initiating if its grading is average, they allow it to initiate only those men who have grades above the average required for fraternization. This not only prevents the chapter grades from growing lower, but in most cases it means that they will get men who will be a material help in raising the average and also prove a distinct gain to the fraternity itself.

Another method, which is more of a preventative than a cure, is the rule that a man must have been in the University at least one semester and have successfully kept his work above a certain required average before he is eligible for membership in a fraternity. This method is admirable in the sense that it is getting a man who is in good standing, and who will not be a distinct gain to the fraternity. A man with a thin half-sole stands by a lamp post. The light is shining, but he thinks himself from one thin side to the other. "They think they are having a good time. He must be wrong. Most men in that room in front of me are not having a good time, their noses are down, and over another black or two the river is playing real music, and the air is springing with fresh promise.

The racing stop. The perspiring philosophers. Perhaps the help of a little refreshment is due. "Look at the poor fellows there, climbing by a lamp post. Must be a horrible life. No good times, no pleasures. Poor fellows." Poor fellows.

PLAY ATTRACTS SMALL NUMBER

Not Enough to Complete Cast Try Out for Senior Production

Tryouts for the senior play, "A Successful Calamity" by Clare Kem­

Drake, to be given May 25, have been extended to Monday afternoon when they will be held from 1 to 4 o'clock in the Irving-Dine room in the Old Main. The tryouts have been extended because yesterday afternoon not enough persons had tried out to make the cast of the play provided that each was given a part, according to Miss Gladys Powers, director of the dramatics.

The play is a romantic comedy with two acts and offers a great variety of parts. The cast is composed of eight men and women and the colors of the play are all included and parts for which a person can qualify with but a little experience given dramatics work.

The plot of the play is worn around the neck of the millionaire, Henry Who, and his second wife, who in young and not so young society. Mr. Whiff's time of being at the bloom of his career is a while in order to test the affection of his wife and the fidelity of his friends. She then apparently runs away with Peter, an Italian peasant painter. Soon, however, she returns, we are told, but Peter, who cannot be found, to spend his time in the old country. She has, however, again returned and Peter, we are informed, has brought her jewels and her only ready to start the affection of his wife. The play is to be given May 25 and on a Tuesday and Thursday night at 8 o'clock.
The announcement of the marriage of Helen Richer Angle of Des Moines and Paul Stagner of Ankeny was more than a little to that was received by several members of the family of Mr. Richer. The announcement occurred at the home of Mr. and Mrs. I. Richer on January 7, 1921. Mr. and Mrs. Stagner are members of the Alpha Delta Pi sorority, but are not registered this semester.

Syrus Delta Chi Initiation
Syrus Delta Chi, honorary journalism fraternity, initiated Chas R. Rains of Ankeny, Frank Russell, Al of Crawfordville, and Frank E. May of Seymour this afternoon at 4:30 at the Iowa Law office. The ceremony will be held at the Hotel Iowa tonight following initiation.

Club Initiations
W. S. Tinner, A of Kedron, Ill., and Harold Taylor, A of Ottumwa, were initiated into the Kappa Delta Chi honorary organizing organization, Thursday night.

T. W. Conference Games
Estate games of the State Conference at the Delta Delta house were the game of Margaret Z. Young, A of Delta Delta, at the Alpha Xi Delta house. Theda Spicer and Marie O'Bohlen of Corrington were the guests of Helen Angle of Bottle at the City Glee house.

Herman Austin, Austin Faculty, and Mabel Fisher of Bosworth were the guests of Joe Boan of Kappa Delta Chi.

Anna Laura Palmer and Ruth Marie, A of the guests of Helen Sloan of Alpha Delta Chi, Theta.

Haunted Seating of Cos was the guest of Viola Lake Angle of Iowa City. E. Adolph Cornell was the guest of Elmer Young Angle of Chico.

LEADING WOMAN SWIMMER SAYS THAT SHE STARTED WHEN THROWN INTO DEEP WATER

"Any poor fish can swim." This was the epigrammy reply given by Gladys Roden, the smiling swimmer who won the celebrated swimming meet held by the Sire's club in the woman's swimming pool Friday evening. April 3. Miss Roden, who is a second year student at the State Teachers' College, made twenty-five of the twenty-six possible points made by that college. Her team was awarded a silver trophy as winner of the meet. Miss Roden, an individual winner of the meet, was awarded a silver trophy as winner of the meet. Miss Roden, an individual winner of the meet, was honored a bronze medal. "Anyone can learn to swim," Miss Roden said. "I don't mean any person with a natural bent for swimming, but if you want to learn to swim, you first have to try. I never swam until I was sixteen and then it was thrown into the deep end of the swimming pool at East high. The water was rough, and I fumbled around some. I had quite a struggle with my instructor, Father Neptune, but he taught me well," she said, "but I learned how to swim in the right way.

PROGRAM ARRANGED FOR WOMEN'S ANNUAL GLEE CLUB CONCERT

The program for the concert of the University women's glee club will be held next Wednesday in the natural science auditorium has been definitely arranged.

Following are the numbers on the program: "Spring hascome" Thomas Scott; "Angels ofEternity"Bruges by Helen F. Garrison A2 of Afton, and Martha H. Larson A1 of Burlington, who are second year students. "Talking of the College" by Frances Wilkins A2 of Chicago, and "Kings A1 of Sanborn, Helen Garrison A2 of the past quarter's work.

The first song No.1 and Gypsy song No.2 by Professor Craig, the head of the department for all student officers.

We hope the right man will see this advertisement. A man who has had experience in canvassing and handling other men. To such a man we have an unusually meritorious offer to make him.

He must be able to see a big proposition and hold down a job this summer that will guarantee him $1,000.00. In reply give full details of previous experience in canvassing or selling. We do not want a canvasser. We want a man who has had experience in canvassing and can organize a sales force of college men. We prefer a man who has had experience in selling household utensils.

997 POINTS ARE MADE BY TEAM

Phillips Wins First Honors in Outdoor Meet of Season

Iowa’s rifle team finished their first meet of the season yesterday with a score of 997 out of a possible 1000 points. Illinois score has not yet been received, it is probable that the Illini team will count more than the Hawkeyes did for this is not their first meet of the season. The meet of yesterday numbered. John Phillips of Alburna won first honors in the Iowa team by scoring 186 points. The other men of the team and their scores were: George J. Farrell of Iowa 125 points, Glen W. Williams Al of Galva and John A. Beall Al of Center Hall in 284 points, L. S. Sorenson Al of Iowa City, 165 points, and Forrest J. Ford Al of Osceola 164 points.

The different positions and the total score for each made by the Iowa team follows: Number of bullets scored in sitting 282, and prone 241, Phillips placed first in the sitting position with 69 points. The possible score in each position is 50 points for each man. Phillips also placed first in the kneeling position with 40 points to his credit. Ford was first in the kneeling position with 46 points. Phelps and Fabes tied for first in the prone position with 45 points to each one.

JESSUP APPROVES PLAN FOR PHONES IN QUAD ROOMS

The plans for installing telephones in each room at the Quadrangle were announced by President Walker A. Jessup, the first of the week, and the phones will be installed this summer. The plans call for 200 telephones, each with direct connections to the city exchange. The plans call for 200 telephones, each with direct connections to the city exchange. At present no definite plans have been made for the hanging of the wires, but it is probable that a charge of $1 per month will be made for single rooms, and 50 cents a month for double rooms. As the contracts must be signed for a full twelve months’ service and the rent must be paid by students who reside in the Quad only nine months, the charges will be slightly higher than they would be otherwise.

The plans for the installation of the phones will be drawn up under the direction of the Secretaries of the University, and the work will be carried out through the offices of Secretary W. W. Bates, acting upon the recommendation of the Quadrangle General Council. The plan is now being hung for some time on account of a controversy with the telephone company over an old contract, but the company recently offered to install the system under this old contract. Otherwise it would have cost the University over $100 to make the separate arrangements, and the rent per month would have been much higher. According to Secretary Bates, University representatives in Des Moines were influential in securing such favorable terms from the telephone company.

The Quadrangle is the only dormitory in Iowa of any great size, and perhaps one of the few in any western university, that has attempted to get a telephone in each room. This step was taken only after the Quadrangle voted down a buzzer system, or any permanent system of runners.

ANNOUNCEMENTS

Men’s and women’s glee clubs will hold a joint rehearsal and important business meeting at 4:10 which tomorrow night at the school of music.

W. E. Harris, director.

DELTA SIGMA RHO HOLD MEETING OF STATE DELEGATES

Stanley Hurst of Minneapolis, national president of Delta Sigma Rho, honorary forensic fraternity, will be at the University, Wednesday, April 27, to attend the state convention of their organization. Three chapters of Delta Sigma Rho from Ames, State Teachers’ Colleges, and Iowa, will be represented by one or more delegate. Kenneth S. Wagner of Ames and Eugene S. Bowers of Cedar Falls will be two of the outside representatives. Karl W. Wells of Sigourney, president of the local chapter of Delta Sigma Rho, announced yesterday that the business meeting of the convention which starts at 2 o’clock Wednesday afternoon at the Pappajean ice shop will be largely devoted to the question of expansion into smaller colleges and of reorganization into districts over the United States.

A banquet will follow the business meeting at 6 which will be attended by the outside delegate and the local members of Delta Sigma Rho, both active and inactive. Wells will preside over a short program in which Prof. Edward C. Hinkle, acting head of the department of public speaking, Glenn M. Merry of Iowa City, Henry Wagner, and Lynch will speak.

Delta Sigma Rho is in nearly an entire crazy organization in which only those who take part in intercollegiate forensic are eligible to membership. Iowa was represented at the meeting in Chicago, April 15, 1926, at which the national color was rededicated by Professor Treadwell. Its chapters are confirmed to large institutions and at the present time there are fifty local chapters in the United States, being represented in practically every state. According to Wells, there are about seventeen active and eight alumni members in the University.

IOWA STUDENTS BEGIN NEW DRAMATIC CLUB

The officers of this organization shall be a Board of Governors composed of representative from each of the chapters which compose the membership except the University Chapters. Those who shall have two representatives. The Board of Governors may elect a chairman, a secretary and such other officers and committees as may from time to time be necessary.

V. The Board of Governors shall have power to make such by-laws as will aid in carrying out the purpose of this organization.
