The surveyors for the IOWA MEMORIAL UNION are only human. Don’t expect them to do $100 worth of work to collect the $50 that will make YOU a Life Member in the best organization on the campus.

Meet your surveyor half way. You can find him just as easy as he can find you.

Whether you were in the big war or not show your fighting spirit and get behind the IOWA MEMORIAL UNION.

Lincoln Said of Grant:

"The great thing about him is his cool persistency of purpose. He is not easily excited and has the grip of a bulldog. When once he gets his teeth in, nothing can shake him off."

There’s the secret of success in it. He’s the man with few words. It’s the man with "persistency of purpose" who gets ahead in life. Show YOUR persistency in opening a Savings Account at this institution and adding to it regularly. Some day you’ll be glad you did.
