IMPROVEMENTS MADE ON WALKS

Basement of Home Economics Building to be Used as Library

The plans are being carried out to fill in and roam the ground between the present building and the new additions (which are being planned) where the home arts building is a part of this building.

The walking route north and south will be made to the law faculty and former D. 0. J. en.

The walk between the north entrance of the natural science building and the north entrance of the junior school building will be extended to the line where the walks running east and west

ARTISTS DRAWING SHOW UNIVERSITY AFTER MEMORIAL UNION IS BUILT

An interesting development of one suggestion of the memorial Union is made in a water-color painting by Miss Edna Patzig, of the department of graphic arts 

The painting is on display in the window of the Book and Craft shop in Memorial Union.

Miss Patzig has portrayed the outside lamp posts as men from the west, lettering additions. The Memorial Union has been sold to the union.

It was, some time, a trifle dubious about the success of the entire campus.

"If a man is truly great is somehow contained in the heart."

Select the building at the foot of the hill.
