THIRD AND LAST TIME

No more will the annual convention of the Undertakers union find that New York is the logical point at which is met. No more will saddle

aged farmers find that business calls them to our eastern metropolises. No more will the farmer ever again on his trip to Gotham. Because the year 2 A. D. has been a year of prohibition, the farm has become a place of activity. If getting education is worth while, it would seem to be worth while to do some work. Not the least consideration is it that this will not be the last time but it will be the last until the next century. The four courses' year may easily be accomplished in three years. In the registrar says, and not a few save for doing it. A year or a year.

Men Preen for Gopher Meet

Last Dual of Season Will Be Held at Minneapolis Next Saturday

After their decisive victory at the state meet, the Iowa track team be­gan preparations for Minnesota yester­day. The Gopher meet, the last of the year, will be at Minneapolis Saturday.

The shaving of the Hakes at the state classic was a compliment to the Gophers of Cretin, Brooklyn. The balance of the team was shorn by the fact that Iowa scored in every con­test except the two-mile and javelin. Three state meet records were broken by Brooklyn's efforts.

The sprinters accounted for six places in each dash. Wilson gave Paulus of Grinnell a battle, but the Grinnell man's finish was too strong. Friedlander and Hill showed well by placing third and fourth in each race. Crawford in the hurdles reached his top form of the season. He ran a perfect race in the highs, breaking the record. Bolding gave him a race in the lows. Later Crawford ran a fast quarter on the mile relay team which took second. The Iowa men ran the Paulus for individual honors with 10.3 point

In the half mile Noll ran his best race of the year to take third. Hag­gie of Ames who won the event in 1:57. Noll's time was around 1:58. Miltz in the mile run in a record breaking race and took fourth. Greiken came in fourth in the quarter after being housed around the front turn. He pulled up fast and finishing fourth, only a few yards behind Bredall of Olympic fame.

The half mile relay team with fol­lowing: Hill, Friedlander, and Wilson shattered the state relay record by two seconds, covering the distance in 1:28. Hill leading the first furlong, gave the baton to Hill in third place. Hill covers Peterson of Drake and an Ames man and set Friedlander off in first place. Friedlander had seventy yards lead when he touched off Wil­son. Glenn pulled up in second position ten yards behind Iowa with the running of Paulus.

Hoffman was in perfect form in the high jump and when he scanned the state meet record by 2.15 inches and bettered the University record he set two weeks ago by 2.58 of an inch. The new mark is 6 feet 2.5 inches. Wil­son and Barnes placed second and third in the broad jump which Vincent of Grinnell won with a leap of 20 feet 10 inches.

Blake easily won 200 yards in the shot and discus although neither mark was up to his best. The javelin throwers, Smith, Harding, and Johnson, had no off day and finished to quality for the finals.

ASHLEY Devine won the pole vault at 11 feet 3 1/2 inches to break the University record of 11 feet 8 1/2 inches but failed.
