MICHIGAN WINS BY BIG MARGIN

Iowa Unable to Keep Initial Lead — Fielders Play A Good Game

Iowa field has been the scene of many bombardments in its existence as a spoke in the Big Ten baseball wheel, but few which surpassed yesterday's diamond fracas between Michigan and Iowa. For two solid hours the new diamond was shelled under a cannonade of Michigan hits which made Iowa fans groan. When warfare had subsided the Michigan tribe was celebrating their second scalping of the season over Iowa and Iowa followers were more gloomy than ever. The cold statistics were 10 to 2 with Michigan on the heavy end.

The Michiganites led by Klein, Vick, Karpus, Perrin, and Wentz furnished an epidemic of hits in full bloom over the new diamond in a manner which could not be repulsed. Two thousand Iowa fans journeyed to the field for the express purpose of cheering their idols on to victory and gloating over the Michigan teams downfall. They were disappointed.

One homerun crashed over the field with a sprinkling of doubles, triples and a downpour of singles, all of which totalled seventeen. Liverance worked the full game for Michigan, while Becker, Dyke, Nye, and Voltmer did the box duty for Iowa. There was nothing scintillating about any of the pitching although the Michigan man had the best of the argument. Locke contributed two of the three Iowa hits, a triple and single, both of which figured in the scoring.

For five innings the game was either teams' but in the sixth, seventh, and ninth Michigan garnered enough runs to tuck the game away and the Iowa cause was hopelessly lost so far as the particular game was concerned. It mattered not that Liverance was less effective than the hit total would indicate, Iowa bats just simply could not get started on a victory rampage. Starting with a one run lead, for two innings things resembled normalcy but after the fifth was history abnormalcy was the aspect.

Iowa played good game in the field with Michaelson and Draper pulling down balls that were slated for hits, however, Draper and Anderson had a "you first my dear Gaston" in the fifth on a liner by Wentz while he was completing the circuit for a homerun. Shimek played his usual steady brand of fielding at second and Hurlburt had a good day at third. No one made any brilliant plays while at times the game was lacking in pepper, due to the game becoming too one-sided in the late innings.

Iowa scored the first run in the first when Anderson got on by Karpus' error, reached second on Draper's sacrifice and tallied on Locke's single. The second and last run came in the ninth on Locke's triple and Vick's passed ball. Michigan hit in every inning except the first, their runs all being earned by timely hitting while their fielding was marred by only two errors, Iowa committing the same number. This game drops Iowa one more notch in the race, having won one and lost seven, which Michigan and Illinois continue undefeated in the Big Ten. Following is the score:

Michigan	0	0	1	0	1	2	4	0	2	—10
Iowa	1	0	0	0	0	0	0	1	—	2

Home runs—Wentz: three base hits—Vick, Perrin, Locke; two base hit—Klein. Sacrifice hit—Draper. Stolen bases—Wentz 2, Karpus, Klein.

Hits—off Liverance 3 in 9 innings, off Becker 8 in 5 1-3 innings, off Dyke 2 in 2-3 inings, off Nye 4 in 2 1-3 inings, off Voltmer 0 in 2-3 inings. Struck out—by Becker 4, by Liverance 6. Bases on balls—off Liverance

HAWKEYE IS OUT TODAY

Annual Will Be Distributed this Morning at 8 o'clock

The 1922 Hawkeye, the yearbook of the University, will be distributed this morning at 8 o'clock on Old Capitol steps.

The annual will contain four different sections divided alphabetically in order to facilitate the handling of the annual, according to Dwight G. Rider, L1 of Waterloo, business manager.

Everyone should call for his or her Hawkeye as soon as possible and should bring his receipt to save time. Those who have mislaid their receipts will receive Hawkeyes but will have to wait until their name is looked up.

The remaining \$3 payment on the Hawkeye must be made on receiving the annual, according to Rider. Checks should be made out to the 1922 Hawkeye and everyone should be made out in advance, said Rider.

There will be no extra books for sale at the stand.

A. Carlton Ernstene A3 of Nebraska City, Nebraska, is editor-in-chief of the annual. He has been assisted in his work by a staff selected from the junior class.

NEW SORORITY IS INSTALLED

Local Law Sorority Becomes Chapter of Kappa Beta Pi Sunday

Lambda Sigma, local law sorority, was installed Sunday as a chapter of Kappa Beta Pi, national legal sorority, at the law building. Installing officers were Miss Lillian Leffert, assistant secretary of state of Des Moines, and Miss Mable Elwood, an attorney of Cresco. Dinner was held at the Pagoda tea shop following the installation, with Dean and Mrs. D. O. McGovney as guests.

The following officers were elected: dean, Iva G. Baker L2 of Boone; vice dean, Gladys R. Yeaman L1 of Sioux City; registrar, Jennie E. Hance L1 of Iowa City; chancellor, Grace G. Larson L1 of Iowa City; and marshal, Rosamond Reed. The other initiates were Margaret Dolliver L1 of Fort Dodge and Consuelo Hanna L3 of LuVerne, the latter being the retiring dean of the local sorority.

Kappa Beta Pi was founded in Chicago in 1908 and has over fourteen chapters, including Yale, University of Chicago, Northwestern, University of Michigan, University of California, and Washington college of law. It stands for high scholastic achievements and numbers of its ranks many women of national prominence including: Gail Laughlin of California; Janet Bates, who is assistant attorney-general of Illinois; Annette Adams, assistant attorney-general of the United States; and Kathryn O'Laughlin, a Chicago attorney, who is grand dean of the sorority.

MRS. MAYER INVITED TO NEW YORK BY WOMEN VOTERS

Mrs. Max Mayer will leave the latter part of May for New York City to meet with a committee of the league of women voters to help them establish a Women's School of Citizenship there such as was conducted here in Iowa by her.

Mrs. Mayer is in charge of the School of Citizenship for the extension division, and when attending the national convention of the League of Women Voters, was asked by Mrs. Caspar Whitney, chairman of the education for the New York League of Women Voters to come to New York to help establish such a system as is carried on in Iowa.

DEAN OF WOMEN RESIGNS POSITION

Mrs. Nellie S. Aurner Will Resume English Work After the Semester's End

Mrs. Nellie S. Aurner has resigned from her position as dean of women in the University to take effect at the end of the present semester. She will continue as an instructor in the English department next year. The dean of women for the coming year has not, as yet, been appointed, according

MRS. NELLIE S. AURNER

to President Walter A. Jessup. Mrs. Aurner has held this position for three years.

Mrs. Aurner resigned her position as dean of women in order to continue her work in English. She received the degree of Ph. D. in 1919. Since receiving her doctor's degree Mrs. Aurner said that she had no time for research work in English.

This year Mrs. Aurner has been teaching beginning Anglo Saxon English and freshman English. She will continue with these courses and will also teach early English fiction. Much of her time next year will be spent in personal English research. Mrs. Aurner will spend the summer vacation in Chicago where she will do research work.

RALPH H. FLAXON TO GIVE TALK AT THE PAGODA TODAY

Ralph H. Flaxon, secretary of the Des Moines chamber of commerce, will speak to a group of students of the school of commerce at a luncheon at the Pagoda at 12 o'clock today.

Mr. Flaxon has been secretary in Des Moines for five years and is a member of the executive committee of the national chamber of commerce. The subject of his talk has not been announced, but he will probably speak on plans for securing cooperation in the industrial interests of the community.

The school of commerce has brought several men here during the year to speak on various problems which are of interest to students. This talk by Mr. Flaxon completes the year's program. All who wish to attend the luncheon should notify Charles F. Glasgow or Ray A. Sands before 10 o'clock this morning.

FRESHMAN SQUAD TO HAVE TWO TELEGRAPHIC MEETS

Coach Jenkins has scheduled two telegraphic track and field meets for the freshman squad, one with Northwestern for Thursday, May 26, and another with the Wisconsin freshmen for Thursday, June 2.

According to Coach Jenkins, it is probable that each Iowa man who wins a first, second, or third in any one event will be awarded a 1924 numeral.

PLAY TO BE STAGED

Dramatics Class Will Present "Behind a Watteau Picture"

The following have been chosen for the play "Behind a Watteau Picture" to be presented by the class in educational dramatics: Esther E. Sharpe A3 of Hampton, a guide; Bernice M. Brimm A2 of Blairstown, Marquise; Ethyl M. Perry A3 of Forest City, Marquis.

Helen Wylie A3 of Keokuk, poet; Margaret C. Elliott, Pierrot; Maurine Wallace A3 of Des Moines, Harlequin; Marcia McKee A3 of Denmark, Miss Sharpe, Genevieve Cleary A4 of Waterloo, Ervaline Curtis A4 of Red Oak, Lantern Bearers; Elise C. Schmidt A1 of Battle Creek, and George L. Stout A4 of Winterset, Grave diggers; Phillis Sanborn A3 of Sioux City, Columbine; and Marjorie C. Gailey A3 of Iowa City, a melancholy Pierrot.

The date for the final production has not been determined.

HAWKEYE BOARD PICKS OFFICERS

Raymond Peterson is Editor and Stuart Short is Business Manager

Raymond Peterson A2 of Council Bluffs was elected editor-in-chief of the 1922 Hawkeye. The University year book, and Stuart W. Short A2 of Council Bluffs was elected business manager at a meeting of the Hawkeye board of trustees yesterday afternoon. They will assume their positions at the beginning of the academic year next fall.

Peterson has for the past year been circulation manager of Frivol, the University humorous magazine, and Short has been working for the 1921 Hawkeye as assistant to Dwight G. Rider L1 of Waterloo, business manager. Short did not hold an official position on this year's staff because only juniors are eligible.

"The editorial staff will be selected the first thing next fall," said Peterson, "and an attempt will be made to keep up with events as they happen in order that as much material as possible will be ready for the printers by the end of the first semester."

"The 1923 Hawkeye will be about the same size as this year's book and will not carry any advertising," said Short. "Plans are not definite as yet but we want to get an earlier start next fall. It is possible that some new means of handling the subscription campaign will be adopted."

SENIORS SCORE HIT IN ANNUAL CLASS PLAY LAST NIGHT

The seniors presented their annual class play, "A Successful Calamity" at the Englert last night to a house only about three-quarters full. The weather was exceedingly hot, which possibly accounted for the few vacant seats.

The leading part was creditably carried by Fred A. Steiner L1 of Corydon, who represented Henry Wilton a tired millionaire. The other characters were Elena Patton Moffet A4 of Iowa City as Mrs. Wilton, C. Leroy McDowell A4 of Davenport as Eddie Wilton, Genevieve Cleary A4 of Waterloo as Marguerite Wilton, Kenneth Shumaker as John Belden, Charles C. Bowie A4 of San Benito, Tex., as the family butler, George L. Stout A4 of Iowa City as Pietra Raffello, Harold J. Richardson L1 of Marshalltown as Dr. Broodie, Mark K. Tapscoff A4 of Lamoni and Edward B. Pfeffer A4 of Corwith as a young society man, Eleanor F. Talley A4 of Sioux City as the fiancée of the millionaire's son, and Miss Lucienne Frobert as the French maid.

EIGHT WOMEN ARE ANNOUNCED

Representative Women, Chosen for Iowa Spirit, Appear in Hawkeye

The "Iowa Girl" section of the 1922 Hawkeye, issued this morning, contains pictures of the following eight women:

- Dorothy Banks
- Margaret Dolliver
- Lucille Everett
- Thelma Graves
- Lue Prentiss
- Jean Spiers
- Alvaretta West
- Ada Yoder

The representative women were chosen by the staff of the 1922 Hawkeye upon the recommendation of prominent faculty members. Only juniors and seniors were chosen. These women were selected on the basis of their Iowa spirit.

Dorothy Banks A4 of Burlington is president of the 1921 Staff and Circle. She is a member of Hesperia literary society, Kappa Phi, W. A. A., and the Delta Zeta sorority.

Margaret Dolliver L1 of Fort Dodge is a member of Erodolphian literary society, Women's Forensic club, and University players. She was a member of the Student Council, of Staff and Circle and Delta Gamma sorority.

Lucille Everett A3 of Iowa Falls is a member of Hesperia literary society, University Players, Gamma Epsilon Pi, honorary commerce sorority, and was elected to Staff and Circle for next year. She is a member of Gamma Phi Beta sorority.

Thelma Graves A4 of Clarksburg, West Virginia, is a member of Erodolphian literary society, Theta Sigma Phi, honorary women's journalistic sorority, Phi Lambda Delta, Geneva club, the women's forensic council, and the University orchestra. She was Y. W. C. A. chairman of the student volunteer convention. She has also played in the orchestra for four years.

Lue Prentiss A3 of Iowa City is president of women's association, a member of Erodolphian literary society, W. A. A., O. I. C., and Staff and Circle for next year. She was elected to be the University's typical girl in the Des Moines Register contest. She is a member of Kappa Kappa Gamma sorority.

Jean Spiers A3 of Reinbeck is the newly elected president of Staff and Circle, president of Whitby literary society, the retiring president of W. A. A., and of O. I. C. She is a member of Delta Zeta sorority.

Alvaretta West A4 of Iowa City is a member of Erodolphian literary society, Kappa Phi, and the Y. W. C. A. sib-cabinet, and Staff and Circle. She was a member of the freshman commission, and belongs to Pi Beta Phi sorority. She was one of the eighteen seniors recently elected to Phi Beta Kapa.

Ada Yoder A4 of Iowa City is a member of Erodolphian literary society, Pan-Hellenic council, women's glee club and the Alpha Xi Delta sorority.

A PAYING SUMMER JOB

Book companies, manufacturers of aluminum ware, dealers in Ford accessories, and all the rest are making their annual bids for the summer services of live undergraduates and promising big return on time and labor. We wonder why some curious statistician has not figured out the pay which a college man or woman can earn by sticking to his regular job of getting an education. Not long ago some investigator figured it out very plausibly that a high school boy earns ten dollars a day for every day he stays in school. One might infer that a college student is making several times that amount while pursuing his studies. Quite probably he is, reckoning the added capacity which he is gaining daily by faithful work. We should like to think that we are making fifty dollars a day.

Be that as it may, it is very doubtful whether the college man or woman can do better in summer than keep on in college. The summer session these days offers so extensive a choice of courses that a student can get practically as good opportunities as during the rest of the year. In some ways the summer offering is superior, for classes are not so large and in general the instruction is given by the maturer professors. At least that is the case at Iowa. By and large, the average student can get far more out of summer college work than from any other pursuit, certainly more than from loafing through the summer. The tradition of a nine months' year for college work has become little more than a ghost. If getting an education is worth while, it would seem to be worth a real year's work. Not the least consideration is it that through the summer session one may legitimately shorten his course and get into active life just so much sooner. The four years' course may easily be accomplished in three years. So the registrar says, and not a few are doing it. A year is a year.

THIRD AND LAST TIME

No more will the annual convention of the Undertakers union find that New York is the logical point at which to meet. No more will middle-aged farmers find that business calls them to our eastern metropolis. No more will the fraternity man save up his pin money in order to make the annual trip to Gotham. Because the year 2 A. P. (after prohibition) has witnessed the regrettable demise of that most democratic of institutions, the Ziegfeld Follies.

Nobody knows what will become of the poor working girls that Flo in his indulgence used to support. The bush league drummers will cease to look like traveling sultans. The days of the Arabian Nights entertainment are over.

The world becomes saner. It is discovered that one could do on four cocktails in the name of the joi de vivre, the drinking of four glasses of ice water spoil utterly. In short the Ziegfeld Follies has been drowned.

CLUB TO MEET

C. H. Kirby A4 of Sioux City will present the subject, "Non-partisanship," for discussion tonight at a meeting of the Social Science club in room 226 liberal arts building.

SWIMMING PARTIES TO BE CHAPERONED DEAN AURNER SAYS

Following comment on unchaperoned swimming parties in the Iowa river, Mrs. Nellie S. Aurner, dean of women, made the following statement yesterday afternoon:

"Swimming parties composed of men and women students or women students alone must be chaperoned according to the social regulations of the University. This regulation was made two years ago following a large amount of criticism which was brought about by men and women students participating in unchaperoned swimming parties."

The University social regulation pertaining to swimming parties is as follows:—"It is the sense of the social committee that if any swimming parties are planned to be participated in by men and women students or by women students alone, or if swimming in the Iowa river is planned to be a part of other picnics or parties, notice of the same shall be filed with the dean of women, and proper chaperones provided."

The usual warm weather has brought about a large amount of swimming in the Iowa river. Usually, this recreation is limited largely to the students attending the summer session. Last weekend hundreds of students were swimming. Both Iowa City park beach and the city bathing beach are provided with chaperones and life savers.

NEW NATIONAL FORMED HERE

Pharmacy Colleges of Minnesota, Nebraska, and Iowa Form Sorority

Kappa Epsilon, a new national sorority for women in pharmacy, has been formed here. Representatives from Nebraska and Minnesota met here with the members of the Crucible club about a week ago and completed the organization. The representatives were: Verle Bryan and Margaret Woods of Minnesota and Hazel Hahn of Nebraska.

The sorority plans to confine its extension to institutions of university rank. The women in pharmacy in these three schools have been planning on this organization for three years, but, on account of the war, have been unable to proceed on account of the unsettled conditions arising out of the war. The idea is the outgrowth of a recommendation made by the committee on activities of students and alumni of the American conference of pharmaceutical faculties in 1918.

There is only one other sorority of women in pharmacy in the United States. It is Lambda Kappa Sigma. It differs from the new organization in that it admits chapters from small colleges, and institutions not ranking as universities.

The charter members of Kappa Epsilon are: students; Mabel Newquist P2 of Essex, Naomi Kenefick P2 of Eagle Grove, Marie Meyers P2 of Sac City, Ethel Evers P2 of LeMars, and Mildred Boyle P2 of Dubuque; graduates: Mrs. J. E. Switzer of Iowa City, Miss Maude Wieland of Iowa City, Miss Florence Peterman of Yale, and Prof. Zada M. Cooper of the college of pharmacy; associate members: Mrs. Emil L. Boerner, Mrs. W. J. Teeters, Mrs. R. A. Kuever, Mrs. R. B. Wylie, Mrs. L. C. Rayford, and Mrs. J. N. Pearce, all of Iowa City. Miss Wieland is treasurer of the national organization and Miss Kenefick is secretary.

Kiwanis Club Wants Accompaniment to Three New Songs

Prizes amounting to \$500 are offered by the Kiwanis club, international, to any person in the United States for musical accompaniments to the words of three songs which were awarded prizes by the club in recent competition. Dr. T. L. Hazard, presi-

dent of the local Kiwanis club, who announced the opening of the competition yesterday, has copies of the songs ready for composers at his office above the Golden Eagle clothing store.

First prize is \$250, second \$150, and third \$100. Doctor Hazard said that compositions must be in his hands by Thursday, June 9. The songs will be introduced at the international Kiwanis club convention to be held at Cleveland, June 11 to 15.

Michigan—A tournament, in which nine linemen and fourteen backs and ends took part, closed the spring football practice here for this year. This is the first time any thing of the kind has been attempted, and it has attracted much attention from the

other Big Ten schools. The tournament consisted of tackling, punting, falling on the ball, place and drop kicking, passing the ball, carrying the ball for speed, and other common events. regular football game. Points were awarded for each event, and ribbons were given to the winners of the various events.

Indiana—A batball tournament, in which teams picked from each of the women's gymnasium classes were held during the past week. Batball is a combination of baseball, volleyball, basketball and tennis. It is played with ten on a side, with seven innings constituting the game. Baseball rules govern outs and home runs, tennis rules govern the serving, basketball rules govern the running with the ball, and the game is played with a

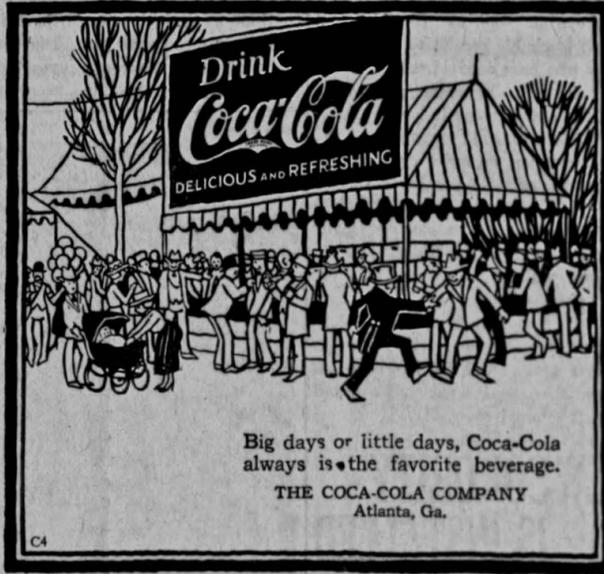

volleyball.

Ohio—According to the plans of G. P. Ward, director of swimming, an intramural swimming meet will be held here withing the next two weeks.

MEN PREEN FOR GOPHER MEET

Last Dual of Season Will Be Held at Minneapolis Next Saturday

After their decisive victory at the state meet, the Iowa track team began preparations for Minnesota yesterday. The Gopher meet, the last of the year, will be at Minneapolis next Saturday.

The showing of the Hawkeyes at the state classic was a compliment to the ability of Coach Bresnahan. The balance of the team was shown by the fact that Iowa scored in every event except the two mile and javelin. Three state meet records were broken by Bresnahan's men.

The sprinters accounted for six points in each dash. Wilson gave Paul of Grinnell a battle, but the Grinnell man's finish was too strong. Friedlander and Hill showed well by placing third and fourth in each race.

Crawford in the hurdles reached his top form of the season. He ran a perfect race in the highs, breaking the record. Belding gave him a race in the lows. Later Crawford ran a fast quarter on the mile relay team which took second. The Iowa man tied Paul for individual honors with 10 3-4 points.

In the half mile Noll ran his best race of the year to take third. Higgins of Ames who won the event in 1:57, Noll's time was around 1:59. McIntire in the mile ran in a record breaking race and took fourth. Grelek came in fourth in the quarter after being boxed around the first turn. He pulled up fast and finishing fourth, only a few yards behind Bretnall of Olympic fame.

The half mile relay team with Seiling, Hill, Friedlander, and Wilson, shattered the state relay record by two seconds, covering the distance in 1:28 2-5. Seiling the first man, gave the baton to Hill in third place. Hill outran Paterson of Drake and an Ames man and set Friedlander off in first place. Friedlander had several yards lead when he touched off Wilson. Grinnell pulled up in second place ten yards behind Iowa due to the running of Paul.

Hoffman was in perfect form in the high jump and when he smashed the state meet record by 3 1-8 inches and bettered the University record he set two weeks ago by 1-8 of an inch. The new mark is 6 feet 2 1-8 inches. Wilson and Barnes placed second and third in the broad jump which Vinsel of Grinnell won with a leap of 20 feet 10 inches.

Slater easily won two firsts in the shot and discus although neither mark was up to his best. The javelin throwers, Smith, Harding, and Jebens, had an off day and failed to qualify for

the finals. Aubrey Devine won the pole vault at 11 feet 5 1-4 inches. He tried to break the University record of 11 feet 5 1-2 inches but failed.

It's the Style you Want Plus the Quality you Pay for-

When looking for clothes, you don't want style without quality—or quality without style. Both are vitally important to you.

Pay enough to get them both—but be sure you are getting them.

When you buy Hart, Schaffner & Marx Clothes or anything else, you get the best. We're so sure of it that we give your money back if you're not satisfied.
