SURVEY CLOSES THURSDAY NIGHT

Committees Must Turn Cards in Even if Survey is Not Completed

With the first general survey of the student body to determine its attitude toward the Iowa Memorial Union, drawing to a close, it is found that a certain number of committees have made their report. Director Grassfield, commenting on the laxity of some of the committees, was at a loss to know how he was going to get the rest of them in this race.

"This is the last week of school," said the director, "and we do not let the students do a thing. Next week, in fact, we know that it is impossible to do anything. Even those who have not turned in their reports are now beginning to get busy and little work will be done.

"Chairmen C. C. Bower of San Antonio, Texas, of the college of liberal arts, and David S. Hiney of the commerce department, chairman, each chairman, is now the ex-officio, ex-officio chairman and request every individual to turn in his report by this Friday.

"Thursday evening is the ending of the first survey. It is the ending of the officers of the Union that every campaign report and turn in its report, whether chairman of the commerce or commerce.

"The program is to be the next one to make a final report on the results of the survey. The chairman of the commerce committee indicates that the results will have more than justified the effort of two weeks.

MADE FAST TIMES IN THE 440 METERS IN THE MEET AGAINST MINNESOTA
The rules state that only the time made in the regular season conference meet will be counted as a record. This should not worry Coach Bresnahan, for Wilson has two more years of interscholastic competition in which he will be given a chance to do even better. He also has a chance to do something in the conference meet next Saturday.

Andrews of Minnesota exceeded the conference record in both of the hurdle races. He ran the lows in :24 1-5 and the highs in :15 flat. The time in both of these events easily broke the University of Minnesota records.

Bill and Friedlinder did some fast sprinting, finishing the 100 and the 220 close on Wilson's heels, taking second and third in both events. Yet another Iowa man, ran the half mile in 1:59 4-5, winning first place. South of Iowa throw the javels 138 ft. 6 in. and Slater threw the discus 137 ft. 8 1-2 in.

Switzer of Minnesota, ran the mile in 4:20, breaking the Minnesota record. Parker won the 440 yard dash for Iowa with a sensational finish in 51 4-5.
