ELEVEN STUDENTS TO BE ACTING DEAN OF WOMEN

LOIS B. BURGER WILL BE ACTING DEAN OF WOMEN

No Change in the General Policy

Mrs. Burga, who succeeds Miss Ruth Beldin, has been appointed as acting dean of women according to Professor Walter A. Stewart, dean of men, who announced the appointment yesterday afternoon.

"Miss Burga will continue to be the dean's social secretary, in charge of the general policy of the office of the dean of women will be carried out in the same way as by Mrs. Aurner, the retiring dean of women, and it is expected that the change will be little noticed in any way."

In an address made to the student body, Miss Beldin said it was a sad day for the men when the news of the change was broken, but that it was in the best interest of the university to have a man with the ability and experience of Miss Burga in the office of women's social secretary. It was announced that Miss Beldin has been appointed as social secretary to Dean Burchard, who succeeds Mr. Stewart in the office of social secretary. Miss Beldin will not be at the University during the summer session but will return in the fall. No social secretary for the summer session has been appointed.

From Now On

We'll make our own weather!

Sounds a bit conceited doesn't it?

We have just completed the installation of a 30 inch suction fan at the back of our dining room.

The advisability of ordering corn flakes in the rear booths is questioned.

In fact even soup is highly doubtful.

But no matter what the weather we'll be able to cool you off.
