FROSH FOOTBALL STARS READY TO DON UNIFORMS

One of the greatest frosh football squads ever assembled at the University will take the field Monday afternoon for their first practice. Such a large number of new men have registered that the frosh will probably be divided into two teams and play against each other.

The star of the frosh this year is William F. Blake, 19, who was captain of the Minneopa team last year and was a member of the state high school track team. Blake is four years ahead of his age group and will probably be one of the stars of University football.

The other star of the frosh is John H. Pew, 21, who was captain of the Tarkio College track team last year and is now a junior at the University. Pew is a member of the University track team and is one of the fastest men on the campus.

ONE OF THE BIG THINGS

The philosopher who asks "What is life?" and "What is the meaning of life?" may find that the answer to these questions, if there is one, is almost as much a mystery as the answer to the question of whether there is a God. The mass officially and specially provided by the Rt. Rev. Bishop of the Diocese for the Catholic students of this University is said every Sunday morning at six which is in St. Patrick's church, situated three blocks south of the post-office. The reservations given of this mass are adapted to the special needs of the student body.

Proper spiritual guidance and supervision will be invariable unless every student attends as often as possible this special mass. For this reason our ministers should look upon attendance at this mass in preference to any other as a matter of serious import.
