WORK HARD ON PAGET PLANS

Progress is Rapid on All Outside Fireworks

"Plans and designs for the various floats are fast maturing," said Prof. Ed. H. Redmond, head of the department and head of the committee in charge of the outdoor pageant. "We are looking forward to the day when speaking of the payment due to the committee for their work, the boys will be able to do it. There is an added interest to the floats and the pageant to the fact that the University is well organized and everything is being handled so that the pageant will be fast and at work." The lighter side of the plan of the Committee in section seven, that aims to give students a better broad program of entertainment, is being met with much enthusiasm by the students who are to assist in that branch of the project. Mr. Henry, head of the department of speech, Fifty-five students came to the meeting for this Thursday. The last of the class appointed and committee is now turned over to the choral society.

CHANGES MADE IN STAFF HERE

Military Department to Have Additional Instructors This Year

With the coming of the new academic year, expansion of two more units and numerous changes in the personnel have taken place in the military department. The Military Department of the University for the current year has been expanded in three respects. First, the new band, the so-called University Band, has come into being as a result of the unusual interest shown in the University Band by the students themselves. The second was the formation of the Motor Transport unit, consisting of four units, or companies, of the University Band, who have been put into the service of the United States Government. The third was the formation of a pay Corps, or military police unit, consisting of four units, or companies, of the University Band. These changes have been made to meet the demands of the present situation and to give the students more opportunity to participate in the activities of the University Department.

The University Band will be under the direction of Major E. C. H. Cooper, who has been appointed the bandmaster of the University Band. CROWD DEMONSTRATES "IOWA FIGHTS" SPIRIT

(Continued From Page 1)

Iowa football star, was the first
toucher of the evening. He talked first of his hobby—men who are coming to Iowa in almost 13 years to be a star. He also
stated that the Iowa freshman team of
this year was the best that he had never seen in the length of his
career. He also said that in all probability that these freshmen would make another athlete note that Iowa has given
himself, and even better.

Barren plainly admits fighting agility, for he held up Blakely, the second quartet, as an example of a fighting man. A "team" according to Barren, with the ability and fight of a man like that could not be beat by any team.

Following Barren came Assistant Athletic Director George T. Bresee
non. Mr. Bresee introduced the man who played the Iowa track team on a superior basis. He thanked the large crowd and
the student body for their co-operation during the track record best setting, and then he made a few fighting statements and ended with "Are we happy?" in which the crowd answered "Yes!" Loud Barren made the closing speech of the evening, when he pledged the Iowa team to give the Iowa track team on a superior basis. He thanked the large crowd and
the student body for their co-operation during the track record best setting, and then he made a few fighting statements and ended with "Are we happy?" in which the crowd answered "Yes!"
