ST. LOUIS — A week before the opening game of the college football season, the coaches of the major conference teams were meeting to discuss the rules of the game. One of the topics of discussion was the use of the forward pass. Some coaches favored a more liberal rule than the one currently in effect, while others were content with the existing restrictions. The discussions continued throughout the week, and by the time the season started, there was still no consensus on the issue.

Meanwhile, on the football field, the players were preparing for the upcoming games. The coaches were making final adjustments to their strategies, and the players were practicing their skills. The atmosphere was one of anticipation and excitement as the teams awaited the start of the season.

The game that weekend was a highly anticipated contest between two powerhouse teams. Both teams had strong rosters and were expected to put on a精彩的表现. The game lived up to its billing, with both teams playing a hard-fought game. In the end, it was the home team that emerged victorious, securing a thrilling win that left the crowd on the edge of their seats.

As the victorious team left the field, the coaches gathered to discuss the game and plan for the upcoming season. The discussions centered around how to improve their strategies and how to gain an edge over the opposing teams. The season was off to a promising start, and the excitement was palpable as everyone looked forward to the next game.

Overall, the opening weekend of the college football season was a thrilling experience, with memorable games and exciting developments. The anticipation for the rest of the season was palpable, and fans across the country were eagerly awaiting the next round of games.

THE INDIANAPOLIS STAR — The coach of the Indiana University football team was interviewed by reporters after the victory over the rival team. He praised the team's effort and the resilience they showed throughout the game. "Our team fought hard and never gave up," he said. "We earned this victory through our determination and teamwork." The coach's post-game comments were widely reported, and his words of encouragement were shared by fans across the country.

THE DAILY IOWAN — In a surprising turn of events, the Ioway team shocked the visiting team with a last-minute touchdown. The play was a result of a well-executed drive down the field, with the quarterback completing a critical pass to the wide receiver on the final play. The crowd erupted in cheers as the scoreboard showed the winning score, and the players celebrated their hard-fought victory.

The following week, the team faced another tough opponent, and the coach talked about the importance of staying focused and prepared for the upcoming game. "We need to keep our eyes on the prize," he said. "Every game is a chance to prove ourselves and our abilities." The coach's words were a reminder of the hard work and dedication required to succeed in the world of college football.

As the season progressed, the team continued to impress with their play, and their success was a source of pride for the fans and the community. The atmosphere at the stadium was electric, with fans cheering on their team and supporting them through every game. The season ended with a thrilling victory in the championship game, and the team celebrated their hard work and dedication with a well-deserved victory.

THE DAILY IOWAN — The coach of the University of Iowa football team was interviewed after the season-ending victory. He talked about the team's journey throughout the season and the importance of having a strong supporting cast. "Our team worked hard throughout the season, and we couldn't have done it without the support of our fans," he said. "Their energy and enthusiasm were a driving force for us." The coach's words were a testament to the power of teamwork and dedication.

Overall, the college football season was a memorable experience, with thrilling games and inspiring stories. The coaches and players worked hard to achieve their goals, and their efforts were recognized by the fans and the community. The season was a source of pride and joy for everyone involved, and it will be remembered as one of the most exciting in recent history.

Do You Need Money for College Expenses?
We plan on selecting one or two ambitious Iowa men or women to represent us in a way that does not come too easily. This is not just a matter of financial preparation for temporary financial advantage. If you have thought of entering business during vacations or after graduation, the experiences you get under our plan may decide a momentous part of your life.

In making inquiry as to the plan, please outline what business you have in mind to enter or in which college; your present course of study, and how much your college is prepared to pay you. You must now have a favorable notation of your financial information in hand, we can properly advise you as to your possibilities for entering this dignified, prominent service.

FOLDS PICKED FOR PAGEANT

Many Organizations Have Communions for Pageant

The organizations which are to repre-
sent the Historical Puppets in the Pageant, have talked over their plans and have made their plans accordingly. We shall see later how their representations will be arranged.

First and foremost in the Pageant is the Fox Trot. The first dress will be a costume of the famous 1915 Fox Trot Ball at the Copley Plaza. The Fox Trot is a dance which has been danced in every city in America.

In the pageant there are also costumes of the Cotton, the Milk, the Chicken Dinner, and the Demolition. The Milk is a costume of the famous Milk Drive which was conducted in first form by the University of Iowa in 1907. The founding of the University on February 24, 1847, will be carried out in two ideas by the Pageant. The first dress will be in the sign of the cow creating the University and the founding idea will be the transferring of the University.

The Fox Trot will be represented by the costume of the famous 1915 Fox Trot.

The location of the corner of Old Capital to July 4, 1919, will be carried out in first form by the Pageant.

The ceremony of the founding of the University on February 24, 1847, will be carried out in two ideas by the Pageant. The first dress will be in the sign of the cow creating the University and the founding idea will be the transferring of the University.

The Fox Trot will be represented by the costume of the famous 1915 Fox Trot.

ALUMNUS OUT ON OCTOBER 15

University Publication to Make First Appearance Of You

The first number of the Iowa Alumni, the long-promised number, will appear for the first time this fall. The editors have said that changes will be made in the general appearance of the magazine this year, although a marked difference in the style of printing is the most noticeable of the changes. The first issue of the Alumni will contain "History of Old Capitol," by C. Ray Armbrust, "Football Attack" by Mark W. Richert, and "The Goose" by Harlan Chamberlain.

Besides these three main features, there will be an extensive article on the death of Wm. D. King, and a selection of short stories of interest.

The publication will also include books, periodicals, and the University of Iowa bulletin concerning alumni.

The magazine will be fully illustrated with pictures of football men, university faculty men who are having leaves of absence in it, and interesting views of buildings on campus.

UNIVERSITY INTERESTED IN HEALTH OF STUDENTS

The University of Iowa is interested not only in the scholastic achievement of the student, but in his health and hygiene. The student is a very important part of the student body, and the health of the student is a very important part of the University.

The department of student health is located on the main floor of the student union, on the right of the main entrance.

Three of the students are sick and able to go, and they are expected to get up soon.

The department of student health gives a complete physical examination to all students taking physical training or military training. All other students are urged to have at least one physical examination during the year.

Students are also urged to be vaccinated against scarlet fever and yellow fever. Vaccinations are made at this office.

Remember that absence from class or a record of illness are illness reported by the department of student health. If the student is ill and treated by a private physician, or if he is excused from class through illness, but has no physician, he is asked to report that fact to the department of student health.

Regulation of Cadet Army Shoe Style 1021

Endorsed by the Military Dept. of Cadets this shoe gives the government specifications, and was officially recommended by the Iowa Military Department.

By handling a large quantity of them, and by quick turn-over, this shoe will be offered to students only at a very little more than cost.

DILLON PRIZES GIVEN TO CHARLOTTE MILLER AND CARR AT SMOKER

The two Dillon prizes of fifty dol-

lers each were awarded Thursday

night at the low smoker. These prizes

were made to the men with the

highest averages in the freshman and

sophomore class. (Olive R. Clough,

El. of Kappa and William E. Carr,

El. of Lambda Xi, divided the prize

for the first year low class. Prof. H. Miller, El. of Delta Omega, was the honoree for the second

year class.

This is the second time Miller

has been the Dillon prize, as he shared the money last year with Frank H. Over, El. of Alpha,

and E. A. Huber, who is selling

Tuesday on the engineering floor for the money he has as a

B RS scholar at Oxford univer-

sity. Each of the students above

the money last year in England. Dean D. O. Mc-

Govern, Prof. W. J. Perkins, Prof.

E. B. Randall, and James M. Chamer-

ton, El. of Delta Upsilon, who are

the game short talk.

Harry R. Miller, El. of Webster City says:

NEW LABORATORY WILL BE BUILT FOR ENGINEERS

A new power laboratory, five

times the four square of the present

building is under construction south

of the engineering shops. A steel

building to be of the mill

type, with an enclosed Traveling

crane. The first floor, 115 by 112 ft. will be reinforced concrete, and

the walls will be brick, with a brick

floor. The total expenditure available is $15,000, but

the active building, which will be

completed as it is needed will reach

$60,000.

Plaza, drawn by Prof. Fleming

and H. F. Fisc of the mechanical

department, will occupy a space

story brick structure, reaching from

Martin Street west to the al-

ley, and including as well as the

power laboratory, where the present

steam systems equipment will be

to store, and the basement now located.

The water main will be a part of a

of the mill

The building is to be of reinforced concrete, and

tyouts for the first year law class. The present testing machinery is

in use, and the foundry

and including the

stock.

This is the regular meeting of the theater

on Sunday at 6:30 p.m. The regis-

ter is to be learned.

The regular meeting of the theater

society will be held in the Liberal arts

Building Monday at 6:30 p.m. Prof.

and students in attendance.

J. R. TAYLOR, President.

MICHIGAN PREPARED FOR HANDLING CROWD

Ann Arbor, Mich.—When the gates of Ferry field are thrown open to the great throngs for the big

game this fall a repetition of the attendance difficulties which figured at the Illinois contest last year

be expected. At the game with the Blue and Gold upwards of 10,000 people will be needed to

for lack of seating capacity.

On this occasion approximately 5,000

seats, Ferry field is ready to ac-

commodate all persons.

The new stand at the west end of the field makes possible for the

year with their new seat of battal-

ion, the view of the playing field is

almonds and many others.
