HAWKEYES SMASH IRISH PLANS FOR WESTERN CHAMPIONSHIP

NOTED PIANIST TO PLAY HERE ON OCTOBER 19

Harold Bauer to Make First Appearance at Iowa

SELF MADE MUSICIAN

Prominent Position in Musical World an Own Efforts

Harold Bauer, who will play an important role in the musical life of the University of Notre Dame this year, is a musician who has made his own way in the world of music. Bauer was born in Waukesha, Wis., on October 12, 1889, and began his musical education at the age of ten. He received his education at the University of Notre Dame, where he studied under the famous composer and conductor, Dr. James McCracken.

Bauer's first public performance was given in the University's music department, and since that time he has given many concerts in various parts of the country. He has made a name for himself as a pianist, and has been invited to perform in many of the leading concert halls of the country.

Bauer's playing is characterized by a great deal of technical skill and a deep understanding of the music he plays. He has a fine command of the keyboard, and his playing is always tasteful and imaginative.

Bauer's music is based on a solid foundation of traditional forms, but he is not afraid to experiment with new ideas. His compositions are original and innovative, and they are always well-received by audiences.

Bauer is a member of the American Music Association, and he is a frequent contributor to music journals. He is also a teacher, and he is very interested in the education of young musicians.

Bauer's concert will be held in the Music Hall of the University of Notre Dame, and it is sure to be a memorable evening for all music lovers.
I was in the middle of a research project and needed to type up some notes. I was sitting in my home office, surrounded by books and papers. My fingers were moving quickly on the keyboard, as I typed out my thoughts and ideas. Suddenly, I realized that I had left the last letter off my name. I quickly corrected it and continued typing. It was a small mistake, but it made me realize how easy it is to make errors when typing quickly. I made sure to proofread my work carefully before submitting it.
COMMITTEE TO CHOOSE COACH

Wrestling Instructor Will Be Appointed in Few Days

"We will be able to announce the new wrestling coach in a few days," said the statement made yesterday by Edwin G. Schroeder, head of the department of physical training, who is the committee appointed by the student council to control of athletics to make a new coach. "The interest in this sport is tremendous, and the success of the past has made it imperative that we have one of the best coaches to head us. We are considering names of national and state reputation and will not be able to announce the name of the student council and the intangible aura present on the campus Monday morning, members of the professional staff and all citizens have turned their eyes toward the coming wrestling season, so that the committee's decision, which is in everyone's interest, may be the best.

Many of the old men are working in the gymnasium including Captain Kennedy, 145 pounds; Van Wie, 138; Ney, 125; and Allen 125 pounds. Hunter in the 158 pound class is choosing one of the new wrestling coach in a few days. This will make the last year of competition for Captains Kennedy, Van Wie, Smith and Hunter. All of these men are expected to be big winners this season.

PLEDGE NUMBER OF PRIVILEGS TO BE PUT ON SALE MONDAY

With the pledge number of Privilege in the hands of the committee manager, and ready to make its initial appearance on the campus Monday morning, members of the professional staff and all citizens have turned their eyes toward the coming wrestling season, so that the committee's decision, which is in everyone's interest, may be the best. Several places in the magazine for editorial assistants are open, and order to make the humorous publication more generally expressive of the love campus, the present editors are particularly desirous that students who are interested especially to enter competitive trials for the staff before coming Monday. Contributions to Frivol should be mailed, or left in the Privilege office in rooms 4 and 5.

PHILIP WITH FIRST CROSS COUNTRY RUN

H. Phillips II of Downers Grove won the seven miles one mile run yesterday morning covering the course in 58 minutes, 30.7 seconds. H. E. Murray DI of Buffalo Center took second place coming in about three yards behind the winner after having had the lead throughout the race until the last fifty yards. Richard and F. Foster AL of Mason City, took third place coming in about fifteen yards behind the winner. Snug winter conditions made the race a good test for the expected two mile run November 9th.

The freshman and three sophomores started at the corner of Madison and Eastrue Street, going around the course once and turning back along the Broad Street in the City Park and return. Twenty men entered the race and all finished excepting one. The order was: H. Phillips IL, H. E. Murray DI, R. E. Foster AL, T. D. Boegesberger AL, J. W. Scott, H. L. Murray, H. A. Rhine, H. H. Murray, A. D. Foster DD, and R. Wiggins.

Next Saturday another cross country run covering two miles and three fifths miles will be run. The race will be run in the same manner as the one to be run this year. The order of the race will be: H. Phillips IL, R. E. Murray DI, R. E. Foster AL, T. D. Boegesberger AL, J. W. Scott, H. L. Murray, H. A. Rhine, H. H. Murray, A. D. Foster DD, and R. Wiggins.

The Catholic’s first onslaught of the second quarter was the second time Iowa took the Hawkeyes by surprise. They failed to get a first down and were forced to punt. Later in the second period, Iowa made a first down, but of the two yards. Locke was injured. The playing of the latter was the outstanding event of the Hawkeye campaign. When going for a touchdown, Locke was tackled. The playing of the latter was the outstanding event of the Hawkeye campaign. When going for a touchdown, Locke was tackled. The playing of the latter was the outstanding event of the Hawkeye campaign. When going for a touchdown, Locke was tackled.

**ANNOUNCEMENTS**

There will be a meeting of the Student Volunteer Group at 3 p.m. A drawing room at 7:00 o'clock this afternoon.

All freshmen in the University who are not on any branch of athletics or intend going out for any branch will meet at the gymnasium Tuesday at 1:00 p.m. Talk on athletics will be presented by some of the coaches and the general athletic program for the year will be outlined. Refreshments will be served.

Columbus, O. — Men’s Student Council will standardize the headgear for participation as a supply of caps and hats is available.

The caps and hats worn by apprentices will be the same as those worn last year—a gray cap with a black button for the entrance, a dark blue cap with a gray button for the entrance, and a black felt hat for the seniors. The seniors will be the only students to wear hats.

An inventory of the stock of caps and hats left from last year showed that a small number remain. This is to be replaced to supply the demand.—Ohio State Leaders.
