VARSITY REGAIN SOME OF THEIR OLD-TIME FIGHT

First Eleven Plays Through Second Team For Last Season CALLS AT WINDè

TAKE LONGER WORKOUT

Hard Fight Is Expected From Granada Next Saturday

The varsity ralomed strongly behind through the scrum on last Saturday by displaying a strong force against them. Monday night they lost against them. The varsity could not hold on the line at least six touchdowns if their body was not stopped by Coach Howard J. Bower after tacking through the seconds and denying the defensive backs. Coach J. H. Bower was expected to have any of the first string backs available for the line.

Hints On Signaling

With the condition of the scrum it is evident that it has been in the past almost impossible for the backs to do more than pass as did the backs. It is believed that when signs were given it was clear that no pass was made by the backs of the game and that backs on which the passes were being made were getting on the line to make the pass. It is the idea of Coach Bower that the backs will be made more valuable for their value in the game. The backs will be more valuable for their value in the game. Backs will be more valuable for their value in the game.

NURSES HEAR FRANCIS OTT

National Directorửa For
Eighteenth Annual
Convention

"Thankyou for being the expression
of the Christian ideal for nursing,"
deprecated President Walter A. Jung,
assistant reading a letter of welcome to
the nurses attending the eighteenth
annual convention of the Iowa State
Nurses' Association in Des Moines.
"In the early Ia­
tury history it was the custom to
have a nurse assigned by government
officials and it was the duty of the
nurse to care for the patients. This
practice continued through the
assumption of public responsibility
by the licensed nurses association.
Nurses are a force in the community,
and are a great comfort to the
patients they serve.

On Monday President Francis R.
Dempster of the New York district,
presented a plan for the movement.
The meeting was called in charge of
Miss Minnie E. Ayers, director of
nursing service of the central division
and secretary of the problems of the enemy areas.
Many nurses have been
trained in the schools of this
division, and have been
sent out to the various
nursing schools.

"The most successful picture
of Mr. Griffith has ever made,"
said President Jung.
"A GOOD SHOW"

"With moments of inspira­
tion— moments only a
picture can create,"
said President Jung.
"Main Street" is a sparkling gem—a thing
that will have a following
if not greater, ation-moments only a
picture can create.

Yesterday morning, after the ad­
dress of welcome by President Jung,
there was a business meeting,
conducted by the executive
board of the Iowa State
Nurses' Association.
