**BALCONY SEATS ARE ALREADY COMPLETED IN THE NEW ARMORY**

The work of providing for the crowds at the basketball games is in full way under way, and everything will be ready in time for the first regular game. The balcony seats will be completed and ready for use at the opening of the winter season. There is nothing in the way of cornices, light fixtures or anything which will interfere with the use of the seats.

Temporary bleachers like those in the Armory will be used under the gallery, and it is expected that every seat will be sold under the gallery.

IF TEN PEOPLE DID THIS

If ten people buy $3.99 each out of the bank it means that $39.90 is being saved just by the fact that ten people who need a thousand dollar loan must go without the money and the interest it could have brought.

Your dollars are safe when deposited in the First National Bank, earning interest and are providing funds for someone who is entitled to a loan.

UPPER APPEALS FOR THE SPORTS FORCES OF FOREIGN NATIONS

"The future of the world depends on the character of men who are engaged in the universities, colleges and high school of the present. But don't forget Brody, before a board of the Atlantic City Y. G. C. at the Y. M. C. A. cabinet and the Y. W. C. A. council, Thursday evening, as an appeal to the students of Europe.

"The challenge of the hour," he said, "is how the students in the republics and universities of the Cross-roads will meet in conference with these needy students in the innumerable conflicts. All the world has common interests to create good will between nations, and all should help each other in the realization of these aspirations.

Helping Foreigners.

Mr. Brody is engaged in work among the students of the University of Gorka-Silvania, organizing them into Christian Unions unless such as the Y. M. C. A. and Y. W. C. A. in this country. He has been back in this country only two weeks and is now organizing the student Fellowship campaign among American students, for the relief of those in the condition of last year's students in the universities of Poland, Russian, Austria, Hungary, Germany, France, Lativa, and refugees from the countries of Russia and France.

"More Leaders are needed," said Mr. Brody, "and the only place to get the proper leaders is in the colleges and universities. The training of helping students in the European college is not a matter of shortage but of opportunity.

"Lack of economic adjustment since the war is the cause of all the complaints. Mr. Fiesler, president of Teachers' College, New York, Wednesday, October 18, 1928. All three members of the cabinet and the cabinet and the legislature are from other nations and urger.
