Plans are now practically complete for the big celebration tomorrow morning. Although the entire team and the dance halls will be the scene of excitement, it is probable that the thrill of the day will come from the time Coach Howard H. Jones and his assistant, Coach O. E. Tabor, enter the hall at 10:45 a.m. No one who is going to the mass meeting will be touched off shortly after 10:45, when the grand gathering will be gathered in the center of Clinton and Washington streets, and at Clinton street to the interval station to await the arrival of the present. The crowd will be packed in 1000. The band will be on the street and will be in position of situation until the car comes.

The band and the crowd will then go down to the armory, and the mass meeting will begin promptly at 11:00 a.m. at the mass meeting hall, 1113 West Washington Street. Nicholas, First Football Captain, will talk.

JONES RETURNS AT 1:20

Music and Halls for the Dancees are All Donated

Coach Jones will be invited to speak during the mass meeting and the band will be asked to play at the mass meeting. Nicholas, All-American fullback, is expected to be present.

The chairman of the mass meeting committee, Mr. Rockwood, will preside over the meeting, which is expected to be held this year.

The dance committee will have charge of the decorations and the sign of the gymnastics.

Fellow Students:

Our football team deserves our commendation for the work they have done this year.

Therefore, let’s make Monday the biggest holiday we have ever had—bigger even than Homecoming.

Let’s make that noise that will be heard in every school in the Conference.

And then with that same spirit of loyalty to Old Gold—loyalty to the team that represents Old Gold—let’s turn out en masse for the team that meets Illinois in debate, on December 9th, at 8:00 P. M.
