March 10 and 12 are announced for the dates at which the secretaries of the Iowa State League of Freshmen, under the leadership of John H. G. Stoddard, Burlington, will hold an election for the Fall term of the year. This program this year will be held in the Armory and will include the following:\n
\textbf{SOCIETY BIRD WOULD HAVE SOARED IN 1866} 

The secret bird that infests the flocks of the lakes of the State in the Spring might have soared in social circles in the years from 1866 to 1886 had it not been interrupted by the war. This is the conclusion reached by Dr. W. H. Dillingham, head of the Department of Economics at Iowa State University in 1886. The college that year was open for a limited period of time due to the Civil War, and the students were forced to remain on campus and develop their studies. The war broke out in 1861, and the university was closed for the remainder of the year. During this period, the students were unable to pursue their studies and had to develop their own way of life.

\textbf{SOFTBALL HAS BEEN A POPULAR SPORT IN IOWA} 

Softball has been a popular sport in Iowa for many years. The sport has been enjoyed by both men and women, and it has been a popular way to stay healthy and active. The game is played on a court with a net, and players hit a ball that is thrown over the net. The objective of the game is to hit the ball and run to the bases, while the other team attempts to get the ball and get the runner out. Softball is a fun and exciting sport that is enjoyed by people of all ages.

\textbf{THE UNIVERSITY OF IOWA} 

The University of Iowa is located in Iowa City, Iowa, and is a public research university. The university was founded in 1847 and is one of the oldest universities in the United States. The university offers a wide range of undergraduate and graduate programs, and it is known for its strong academic programs in fields such as engineering, business, and law. The university is also home to several museums and art galleries, which attract visitors from around the world.

\textbf{CONCERTS EASILY SENT} 

Concerts can be easily sent to all over the United States. The concerts will be held in various locations, and they will feature a variety of musical performances. The concerts will be broadcast on radio and television stations, and they will be available for purchase online. The concerts will be open to all, and they will be a great way to enjoy music and support local musicians.

\textbf{GRADS TO HEAR CELEBRATION BY WIRELESS} 

The graduates will be able to hear the celebration by wireless. The event will be broadcast on radio stations throughout the United States, and it will feature speeches, music, and other performances. The graduates will be able to listen to the celebration from home, and they will be able to follow along with the music and other activities.

\textbf{VARISY AND SCURRS ARE TO BE TRANSMITTED TO TUNE OF 10 T O} 

Running through a drill and your horse, it is a common occurrence for the vast majority of people to engage in physical activities that involve both the brain and the body. This is especially true in the case of horse riding, which is a popular activity around the world. Horse riding requires a high level of coordination and balance, and it is a great way to stay fit and healthy. It is a sport that can be enjoyed by people of all ages, and it is a great way to bond with others and enjoy the outdoors.

\textbf{GOLDEN JUBILEE PROGRAM TO BE TRANSMITTED BY TELEPHONE} 

The Golden Jubilee program will be transmitted by telephone. The program will feature speeches, music, and other performances, and it will be broadcast on radio stations throughout the United States. The program will also be available for purchase online, and it will be a great way to celebrate the occasion and support local musicians.

WRESTLERS PREPARE FOR PURDUE TUSCLE; BUT STILL OPEN

With the possibility of a meet with the West Virginia and West Virginia Wesleyan College teams, the Iowa University wrestling team was preparing for its trip to West Virginia to meet the teams there.

The Hawkeye wrestlers were confident of a win over either team, and the trip was much needed to bolster the wrestlers' morale and confidence.
