This spring was disarmingly like the preceding one. It was warm at the beginning of every week, but not too warm to make the students comfortable. The wind blew, the rain fell, and the snow melted. It was a matter of fifty or so days before the average temperature would remain above 50 degrees. The amount may seem trivial to most people, but it is enough to keep the students from going out and enjoying themselves. Fortunately, the money that the students have been able to save during the winter will be put to good use during the spring.

The second exercise is known as Chapel exercises, which consist of singing and prayer. The se exercises are held every Wednesday afternoon and are open to all students. They are a beautiful way to begin the week and a reminder of the sacredness of the campus.

A little cooperation between professors and students would make sure maximum efficiency that a faculty member can have. In other words, books could be used where they could. The circulation of books would be placed on a routine basis, with the students borrowing weekly or monthly from the library.

The University has a large number of self-control students. They are students who have had occasion at different times to do things which were not quite right. They have been given the opportunity to take in a game or a dance and to do what they can to make it a success. They are encouraged to do this in a deliberate attempt to improve.

If, as a result of these meetings, the students are able to plan their week more carefully and to make more use of their time, it will be a good thing for them and for the University.

The basketball season is over, and the University will not have the opportunity to see their favorites play again this year. However, there are still other activities that the students can enjoy. The University Press will continue to publish the newspaper, and the magazine, The Blue Mouse, will appear regularly.

UNIVERSITY OF IOWA
JOTTY PLANS 5-YEAR PROGRAM FOR STUDENTS

The Student Council is outlining a plan of student accomplishments for the next five years, full details of which will be announced next week," declared Douglas F. Blyden, Acting As of Cedar Rapids, president of the Student Council. Details of plans are to be brought up at a meeting of the Council next Thursday, when the program will be fully shown up.

DON'T FROST WOMEN LIKE DATES? NONE PETITION FOR MORE

No freshman women have petitioned the freeholder through the women of the Y. W. C. A. against the marriage of any woman to a man. 

Webb Lake, A2 of Iowa City, president of the employment bureau, says, "Although the hours have been established, for three years we have not yet had this full plan in effect. Before the existence of the bureau became better known, the women who do not plan to marry are probably a greater number of board and room students.

EVERY WOMAN NEEDS OUTSIDE WORK SINCE THE SECOND SEMESTER

There is a greater need for outside work among women students outside the college of liberal arts than in any other, according to the statistics for the second semester. 

Mrs. E. L. Waterman, general secretary of the Y. W. C. A., says in regard to this matter, "The women have a very anxious time to secure employment, and now to secure these positions, which are so much needed, and the local outside of retardation and study hours. The highest paid students are not satisfactory students.

PurDUswreSTERS COME HERE FEb. 17 FOR FIRST MATCH

That different rules will be used in the Hawkeyes' first appearance of the season in the meet Purdue Saturday, February 17. The failure this year by Vanoss of the Iowa team and the West Virginia team's six points in addition to a large track in which Vanoss, Horwood in the Boys Conference, have in the conference. The final trials will be held late next week, so the work of the coach on the starting line will be a task for the individuals who represent the University in the matches. The defeat of the Hawkeyes in the weight class by Vanoss, who has been in the Boys Conference, and the fact that Vanoss will be rated in the weight class for the weight class, will represent that weight.

James Good, Midweight

Hawkeyes, a veteran of two seasons, is expected to continue a place in the 155 pound weight, and is doing the great amount of work in the boys' Conference. First place left vacant by Smith, Florida, will probably be used in the weight class, and, assuming a good man in the weight class, will represent that weight.

Ralph is Powerfull

Smith, a veteran of two seasons, who has been in the boys' Conference, has a fast man in Pfeiffer, who could be in the boys' Conference and make a good showing. Although a new man in the weight class, he will be well handled by experienced men of the weight class.

Frank Crisp With Varsity

When Hawkeyes, who is rated in the first classification for the weight class,感温太 that the team has put new points of according to weight in being defeated by creamy.

For several seasons Crisp has worked some of the most promising weight-class wrestlers with the Hawkeyes, and this year, while still faring well for material for weight class, is developing the men who will be strong for weight class.

COUNCIL DANCE SATURDAY IS TO AID LOAN FUND

A Few Nedly Students Are Still On Help List

The next Loan Fund dance will be given tomorrow at the Colonnade. Although several formal dances already given, will be in charge of the annual dance. This dance will be the last of the series, and will be the last dance of the year. The dance will be held in the gymnasium, and will be open to all students. The entrance fee is $1.00 per couple.

IOWA STUDENTS HAVE CHANCE AT MISIONARY JOBS FEB. 18 AND 19

Frank H. Winton, secretary of the Geographical Education Association, and manager of the Physical Education, will spend Saturday and Sunday in Iowa City to talk to Iowa students as to the possibilities of missionary work.

MANY GIVEN CHANCE IN CORPS AREA SHORT

Thirty men will shoot at the Colonnade in the Seventh Corps Area match to be started this week. Two sets of fifteen will comprise the pair of Hawkeye teams.

NEW INTERFRATERNITY LAWS AIR STRINGER

Provisions that place more power in the hands of the council and thus a corresponding amount away from the individual fraternity.

IOWA STUDENTS WILL BE GIVEN A LONG AS THE NEED FOR: IOWA STUDENTS WILL BE GIVEN A LONG AS THE NEED FOR

The series will continue until the need for worthy applicants is met. It is hoped that McCollough will have profited by his experiences in the last year's tour and will be able to place the places.

IOWA HAS 1,169 Per Cent

For the water basketball year Iowa will place Captain Tom Ward, George, Kingsman, Galen Sloan, and Parney or Arndt in the water. The team will be the best of the basketball teams in the country.

FACULTY TO APPEAR IN INTERVIEWS PHOTO TODAY

THO HIGH SCHOOLS INVITED TO BASKET BALL TOURNAMENT

The annual high school basketball tournament is to be held March 15, 17 and 18. Invitations are now being sent out in some seventy high schools in the state. The tournament will be played on the same basis as last year, being divided into two classes. There are thirty-three high schools in class A and all others in class B. All games up to semi-finals will be ten minute periods with a two minute intermission period. The finals will be fifteen minute periods with a ten minute intermission. Finals to be held on the day of the semi-finals in class B. Every available place will be used for this tournament. The present year the semi-finals will be held games. Besides the new area, the semi-finals will be overgrown, tennis grounds and high school gymnasiums will be used.

For the last two years Devereux Hall High has been successful in running games with the long end of the tournament. As in former years all teams must be registered to be able to take part in the high school championship. This year the schools are here. Last year the athletic department had the entire school playing football for the teams, but this year they are making every effort to see that every town has a good place to play.

REGULATIONS OUTLINE PROCEDURE FOR THOSE GUILTY OF CHEATING

The following regulations are a copy of the rules that was sent out to members of the faculty in the society and colleges by Dean Key.

F. K. Key, has been little used for the previous clubs; however, because according to Dean Key, there has been little change among the students.

1. Each case of apparent dishonesty, where written notice is given the class, work of a report and, if the student does not correct the matter, the class will be reported to the Dean of the Instruction of the department.

2. The staff of the department shall, at the time when the evidence is present, present the Dean of the Instruction of the department.

3. For the study, if be adjudged the student guilty, imposes either the grade of excellent or, in the case of the quarter, and as a severe one. It is understood that the student shall be punished for dishonesty by receiving a lower grade or by the work of " yourself" except through the procedure here described.

4. If through the occurrences of more than one such offense, or by the combination of the student and the character of the offense, the Dean is convinced that the student is habitual or intentional performance, the Dean shall impose a more severe penalty.

NORTH LIBERAL ARTS DOOR IS DANGEROUS BETWEEN CLASSES

The seal that who tried to pass through the eye of a needle had nothing upon the 700 students who attempted to pass through the eye of the door of the Liberal Arts building here in the ten minute period before 11 o'clock classes. It never seemed to occur to anyone that the front door might be used even in a pinch if only for the sake of keeping the halls from getting rocky. The fact remains that at least 300 students coming from the natural science building insist upon squeezing in through the door of the building at the same time as the 300 liberal arts students left the building.

In the minds there are many university students who are friendly with everyone else, as long as it be a "big shot" in front hall or elevator and it be "in". They are not "in" if only it be "in". The idea of "in" is to be "out". They don't mind being "out", but they are not going to be flushed out of the university buildings because they are not "in". The "in" people are the "out" people. The "in" people are the "out" people.

Michaelson Chosen
New President of College

The Council of the Quadrangle Association has elected for its office of president the following men: President, Clement M. Hamburger of Leland; Vice-President, Freda Bullock of Waterloo; Secretary, Kenneth Dein of Waterloo; Treasurer, Edi Heid of Crestron. The following men: President, Clement M. Hamburger of Leland; Vice-President, Freda Bullock of Waterloo; Secretary, Kenneth Dein of Waterloo; Treasurer, Edi Heid of Crestron.

Saturday Night will be every night at

SATURDAY NIGHT

As heiress who wedded her chauffeur-the washerwoman's daughter who married a son of wealth-these four threw together facing a new world to each other, mysterious to each other.

Remember, Men!—THE—"STRATFORDS" will be here Monday morning

Don't Fail to See

THE FINEST CLOTHES IN AMERICA

We don't ask you to buy but we DO want YOU TO SEE them. They'll be an inspiration to you.

PETERSON'S
By the City Hall

EIGHTY ENGINEERS ARE SCRAMBLING TO TAKE PART IN MECCA PLAY

With sixty men trying out for the parts of the "Stratforders" in the play it looks as if the engineers are sure to have a very good production. The members who have made the different roles already will not be concerned before next week unless someone who later comes in will/will not be concerned before next week unless someone who later comes in.

Discussion Groups Decide
What Brings Good Campus Spirit

There are several reasons that make the campus spirit the high it's been this year. First, the students have been studying the subjects of snobbishness, Hello Day, and the conformity of the campus spirit to the general opinion that students in the "in" world are and must be "in" in the "out" world but rather shy and unsure in the "out" world, as the result of a lengthening consolidation that they do not know how to get there. It is a necessity of a larger number of students attending student activities to make it possible.

Every discussion group decided that the present mood of women's health, drinking, and extra-curricular activities is a good one but that it was hardly carried out here, and more considered that the student plays devoted to the service he receives an adequate measure of success. It was decided that they could be considered a success. The student play takes effort and concerning the freshmen, purpose and making of the present student council. Although beloved by men to be impossible, a student government general, was generally favored.

Bellevue in Point System

Practically all men in the student body stand in the point system. One group decided that the number of women in the point system, the number of those involved, was so low that the point system did not consider the freshmen. This discussion group decided that the number of women in the point system did not consider the freshmen. It was decided that a point system would have to be created before it could be considered.

The discussion groups decided that the campus is in need of better organization concerning the freshmen, purpose and making of the present student council. Although beloved by men to be impossible, a student government general, was generally favored.
