MEN READY FOR BOXING FINALS

Football Men Show Their Ability to Win

The final of the matches will be held within five days. The day to be announced will be the first of the week. The matches are planned for the next week in order to give the best of the boxers a chance to compete.

Get the Returns

The Union office will be open Monday, Tuesday and Wednesday, March 11, 12, 13, and Saturday, March 16, at 11 a.m., at which time the students' body is invited to visit. The matches are not to be missed, as it results cause it is not possible to attend if you do not come on the 11th. The matches will be held on the tennis court in the sports field.

CLARENCE TO APPEAR APRIL 11

Comedy Staged for Macomb State Years Ago

"Clarence," by Booth Tarkington, will be produced in dramatic production Tuesday, March 11, at 8:30 p.m., in the Grand Opera House.

"Clarence" was written as the sequel to "Sister Carrie" and is the only romantic comedy to be one of the best in the world. It was produced on the American stage in 1919. The story is of the life of a young man, whose life is changed by the decision of another young man in the story.

Football Men Show Their Ability to Win

The football team of the University of Iowa is the best team in the West. They have won the championship for the past five years and are expected to win again this year.

The team consists of the following players: Quarterback, John Davis; Fullback, John Smith; Tackle, John Brown; End, John Green; and Back, John Gray. The team has a strong line and is expected to win against any team in the country.

The football season begins this week and the team is expected to win every game. They are playing against the following teams: Iowa State, Kansas, Missouri, and Nebraska.

State Alumni Being Co-operated In Campaign

Up to the moment of this writing the Iowa Alumni were entirely invisible on the Iowa campus. It is not known whether they are anywhere or not, but it is possible that they are now a part of the intense Iowa fight.

Hope to Secure a Pledge from Every Student on Campus—$10,000 Already Pledged Before Formal Opening of Campaign

Will Iowa students respond?

The Union, armed, the speaker's bureau, the presidents of every organization, and the communities at large are all working together to put across the Iowa Alumni campaign.

But so definite amount has been reached that the student Union cannot even publish any information regarding the same.

GROUP SCHEDULED FOR TOUGHER ROUTE

The football team of the University of Iowa is scheduled to play the following games:

In the first week of the season, the team will play against the University of Illinois, the next week against the University of Minnesota, and the third week against the University of Wisconsin.

The team is expected to win all three games and is preparing for a strong season.

The football season begins this week and the team is expected to win every game. They are playing against the following teams: Iowa State, Kansas, Missouri, and Nebraska.

AN APOLOGY

We wish to take this opportunity to apologize for the mistake which appeared in our ad in this paper several days ago relative to the discount on our motor clothes.

We stated that it was 12 1/2 per cent whereas it is 16 2/3 per cent. In other words, we sold at $5.95 instead of $6.00. Instead of being able to save only $3.20 as was shown by our figuring at 12 1/2 per cent it would have been able to save $3.50. We are sorry for any inconvenience this may have caused. We will be starting here at once as you can still save $3.50 by going to the error mentioned above.

Consider the advertisers in the Daily Iowan—they are the business men of Iowa City who have in a large measure made possible the $100,000 which has been pledged to the Iowa Memorial Union by the business men of Iowa City. Consider, too, the Daily Iowan—your paper—which has pledged $1000 to the Memorial Union fund.

In most every instance you will find that the firms that advertise are the ones that are interested in the development of the University—all this is worthy of your consideration.

One thing that has made it more likely that I can write this column is the fact that I am not expected to sell the Hallmark Store.

The Hallmark Store

FOUGHT hundred and fifty reputable, re- liable retail jewelers are banded to- gether in manufacture and market their wares. Such a demonstration of quality, and sell it to you at less than the regular price because of the direct from manufacturer to consumer service. You are sure when you buy at a Hallmark store that quality is never sacrificed for price. Usually should always be impressed by your friends that you enjoy a jewelry store because jewelry cannot bring you the happiness it should unless it has quality, no matter whether you give or receive it. This is always fastidiously a HALLMARK store because HALLMARK stands for quality. In addition to the features of reliability, quality and saving in cost is the very im- portant element of service. Only a HALLMARK jeweler can sell you an article and assure you that you will find eight hundred dollar and forty-nine other reliable jewelers located all over the United States ready to make good on the HALLMARK guarantee. ALUMNI AID UNION BY LARGE CONTRIBUTIONS
Iowa alumni have been a big factor in helping the season thus far. We are printing a good short of the loyal alumni have given substantial sums for the cause and from present indications it does not appear to stop at their present mark.

Frank G. London '06 of Orange, IL, former governor of Illinois, W. O. Drachman '81 of New Haven, and F. C. Cashman '90 of Des Moines, head the list with pledges of $25,000 each.

The student body of the University will meet this week with the speakers and solicitors of the Iowa Memorial Union. But all the speaking and pleading that they can do, and women can do, if the spirit is not in the student body," said a prominent alumnus the other day, "will do no good.

"We alumni feel that we have a right to expect from the students full and loyal support in the cause of the Iowa Memorial Union. It is a thing that we put Iowa on as the more than her athletic house and will be a blending of the present and the present student body.

Others who are eye toward the top of the list are:

LAUGHS WRITTEN ARTICLE ON WHY SMIRKING SHOES
An article by Donald A. Laid of the department of psychology, explaining the phenomenon of seeing moving pictures and the reason that without moving pictures an eye cannot be hypnotized because of the natural Bicycles of the human eye, appeared in the April issue of the Scientific Monthly.

The article states that music is black and white, which means that one of the most important symbols in the pictures are symbols that follow each other on the screen.

ILOIS STUDENTS FAVOR DAYLIGHT SAVING PROPOSITION

Student response to the petition asking for the adoption of daylight saving time was good, according to M. E. Afford, chairman of the committee in charge of the circulation of the petitions. "Probably more than any one issue we have been in favor of the proposed law," Eilchen said.
A more intensive canvass of the petition was begun Friday, how-
ever. Only all petitions are still being worked on, and it is said that there were not enough.

The United Association of Con-
sumers has agreed to print more pe-
titions free of charge, and an an-
ticipate it will be made in time for all groups to get.

Petitions will be circulated at all
classrooms, and in all organized groups, so that every student will have a chance to express his op-
inion on the matter.

The Illini chapter of Kappa is handling circulation of the pro-
titions, which will be placed before the council of administration at the meeting Tuesday.

The daylight saving law proposed will begin April 20 and last until October 21. The students in the Uni-
versity would be set forward one hour April 20. If the University adopts a day-
light saving law, it will be done as urbano has advised that Urbana will do so. Circulation has begun on asking for such a law, and the city council will vote on the matter Monday.

NORTHWESTERN FACULTY REVISES FOR COLONIAL REVISES FOR

That the faculty is highly in ac-
cord with the resolution taken by the student council Tuesday night, asking for the cre-
ation of the office of Dean in the Col-
lege of Liberal Arts, was ascertained
yesterday by the correspondent of the resolution read to the faculty members.

Dean Roy C. Flatchen says "I think the suggestion publicly brought forward on behalf of the faculty that the office of the Dean of the faculty was much needed and has been advancing of late also." 152.00.

Dean Ralph Dennis, of the School of Law, however, is of the opinion that the correspondence of the resolution reads not as many of the faculty mem-
bers. "I am quite sure that the suggestion publicly brought forward is much needed and has been advancing of late also." 152.00.
